(2) "Qualified rehabilitation expenditures" means expenditures paid or incurred during the rehabilitation period, and before and after that period as determined under 26 U.S.C. 47, by an owner of a historic building to rehabilitate the building. "Qualified rehabilitation expenditures" includes architectural or engineering fees paid or incurred in connection with the rehabilitation, and expenses incurred in the preparation of nomination forms for listing on the national register of historic places. "Qualified rehabilitation expenditures" does not include any of the following:

(a) The cost of acquiring, expanding, or enlarging a historic building;

(b) Expenditures attributable to work done to facilities related to the building, such as parking lots, sidewalks, and landscaping;

(b) If the rehabilitation initially was planned to be completed in stages, a period chosen by the owner not to exceed sixty months during which rehabilitation occurs.

(8) "State historic preservation officer" or "officer" means the state historic preservation officer appointed by the governor under 16 U.S.C. 470a.

(9) "Application period" means either of the following time periods during which an application for a rehabilitation tax credit certificate may be filed under this section:

(a) July 1, 2007, through June 30, 2008;

(b) July 1, 2008, through June 30, 2009.

(B) On or after July 1, 2007, but before July 1, 2009, the owner of a historic building may apply to the state historic preservation officer for a rehabilitation tax credit certificate for qualified rehabilitation expenditures paid or incurred after the effective date of this section for rehabilitation of a historic building. The form and manner of filing such applications shall be prescribed by rule of the director of development, and applications expire at the end of each application period. Before July 1, 2007, the director, after consultation with the tax commissioner and in accordance with Chapter 119, of the Revised Code, shall adopt rules that establish all of the following:

(1) Forms and procedures by which applicants may apply for rehabilitation tax credit certificates;

(2) Criteria for reviewing, evaluating, and approving applications for certificates within the limitation on the number of applications that may be

approved in an application period under division (D) of this section, criteria for assuring that the certificates issued encompass a mixture of high and low qualified rehabilitation expenditures, and criteria for issuing certificates under division (C)(3)(b) of this section:

(3) Eligibility requirements for obtaining a certificate under this section;

(4) The form of rehabilitation tax credit certificates;

(5) Reporting requirements and monitoring procedures;

(6) Any other rules necessary to implement and administer this section.

(C) The state historic preservation officer shall accept applications in the order in which they are filed. Within seven days after an application is filed, the officer shall forward it to the director of development who shall review the application and determine whether all of the following criteria are met:

(1) That the building that is the subject of the application is a historic building and the applicant is the owner of the building;

(2) That the rehabilitation will satisfy standards prescribed by the United States secretary of the interior under 16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a successor to that section;

(3) That receiving a rehabilitation tax credit certificate under this section is a major factor in:

(a) The applicant's decision to rehabilitate the historic building; or

(b) To increase the level of investment in such rehabilitation.

An applicant shall demonstrate to the satisfaction of the state historic preservation officer and director of development that the rehabilitation will satisfy the standards described in division (C)(2) of this section before the applicant begins the physical rehabilitation of the historic building.

(D) If the director of development determines that the criteria in divisions (C)(1), (2), and (3) of this section are met, the director, in conjunction with the tax commissioner, shall conduct a cost and benefit analysis for the historic building that is the subject of an application filed under this section to determine whether rehabilitation of the historic building will result in a net revenue gain in state and local taxes once the building is used. The director shall not approve an application and issue a rehabilitation tax credit certificate to an applicant unless the cost and benefit analysis of the historic building determines that there will be a net revenue gain in state and local taxes once the building is used. A rehabilitation tax credit certificate shall not be issued before rehabilitation of a historic building is completed. The director shall not approve more than one hundred applications in an application period.

(E) Issuance of a certificate represents a finding by the director of

development of the matters described in divisions (C)(1), (2), and (3) of this section only; issuance of a certificate does not represent a verification or certification by the director of the amount of qualified rehabilitation expenditures for which a tax credit may be claimed under section 5725.151, 5733.47, or 5747.76 of the Revised Code. The amount of qualified rehabilitation expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Upon the issuance of a certificate, the director shall certify to the tax commissioner, in the form and manner requested by the tax commissioner, the name of the applicant, the amount of qualified rehabilitation expenditures shown on the certificate, and any other information required by the rules adopted under this section.

(F)(1) On or before the first day of December in 2007, 2008, and 2009, the director of development and tax commissioner jointly shall submit to the president of the senate and the speaker of the house of representatives a report on the tax credit program established under this section and sections 5725.151, 5733.47, and 5747.76 of the Revised Code. The report shall present an overview of the program and shall include information on the number of rehabilitation tax credit certificates issued under this section during an application period, an update on the status of each historic building for which an application was approved under this section, the dollar amount of the tax credits granted under sections 5725.151, 5733.47, and 5747.76 of the Revised Code, and any other information the director and commissioner consider relevant to the topics addressed in the report.

(2) On or before December 1, 2010, the director of development and tax commissioner jointly shall submit to the president of the senate and the speaker of the house of representatives a comprehensive report that includes the information required by division (F)(1) of this section and a detailed analysis of the effectiveness of issuing tax credits for rehabilitating historic buildings. The report shall be prepared with the assistance of an economic research organization jointly chosen by the director and commissioner.

Sec. 5725.151. (A) As used in this section, "certificate owner" has the same meaning as in section 149.311 of the Revised Code.

(B) There is allowed a refundable credit against the tax imposed by section 5707.03 and assessed under section 5725.15 of the Revised Code for a dealer in intangibles subject to that tax that is a certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code. The credit shall equal twenty-five per cent of the dollar amount indicated on the certificate. The credit shall be claimed in the

calendar year specified in the certificate.

(C) A dealer in intangibles claiming a credit under this section shall retain the rehabilitation tax credit certificate for four years following the end of the year in which the credit was claimed, and shall make the certificate available for inspection by the tax commissioner upon the request of the tax commissioner during that period.

(D) For the purpose of division (C) of section 5725.24 of the Revised Code, reductions in the amount of taxes collected on account of credits allowed under this section shall be applied to reduce the amount credited to the general revenue fund and shall not be applied to reduce the amount to be credited to the undivided local government funds of the counties in which such taxes originate.

Sec. 5725.24. (A) As used in this section, "qualifying dealer" means a dealer in intangibles that is a qualifying dealer in intangibles as defined in section 5733.45 of the Revised Code or a member of a qualifying controlled group, as defined in section 5733.04 of the Revised Code, of which an insurance company also is a member on the first day of January of the year in and for which the tax imposed by section 5707.03 of the Revised Code is required to be paid by the dealer.

(B) The taxes levied by section 5725.18 of the Revised Code and collected pursuant to this chapter shall be paid into the state treasury to the credit of the general revenue fund.

(C) The taxes levied by section 5707.03 of the Revised Code on the value of shares in and capital employed by dealers in intangibles other than those that are qualifying dealers shall be for the use of the general revenue fund of the state and the local government funds of the several counties in which the taxes originate as provided in this division.

On or before the first day of each month on which there is money in the state treasury for disbursement under this division, the tax commissioner shall provide for payment to the county treasurer of each county of five-eighths of the amount of the taxes collected on account of shares in and capital employed by dealers in intangibles other than those that are qualifying dealers, representing capital employed in the county. The balance of the money received and credited on account of taxes assessed on shares in and capital employed by such dealers in intangibles shall be credited to the general revenue fund.

Reductions in the amount of taxes collected on account of credits allowed under section 5725.151 of the Revised Code shall be applied to reduce the amount credited to the general revenue fund and shall not be applied to reduce the amount to be credited to the undivided local

government funds of the counties in which such taxes originate.

For the purpose of this division, such taxes are deemed to originate in the counties in which such dealers in intangibles have their offices.

Money received into the treasury of a county pursuant to this section shall be credited to the undivided local government fund of the county and shall be distributed by the budget commission as provided by law.

(D) All of the taxes levied under section 5707.03 of the Revised Code on the value of the shares in and capital employed by dealers in intangibles that are qualifying dealers shall be paid into the state treasury to the credit of the general revenue fund.

Sec. 5733.01. (A) The tax provided by this chapter for domestic corporations shall be the amount charged against each corporation organized for profit under the laws of this state and each nonprofit corporation organized pursuant to Chapter 1729. of the Revised Code, except as provided in sections 5733.09 and 5733.10 of the Revised Code, for the privilege of exercising its franchise during the calendar year in which that amount is payable, and the tax provided by this chapter for foreign corporations shall be the amount charged against each corporation organized for profit and each nonprofit corporation organized or operating in the same or similar manner as nonprofit corporations organized under Chapter 1729. of the Revised Code, under the laws of any state or country other than this state, except as provided in sections 5733.09 and 5733.10 of the Revised Code, for the privilege of doing business in this state, owning or using a part or all of its capital or property in this state, holding a certificate of compliance with the laws of this state authorizing it to do business in this state, or otherwise having nexus in or with this state under the Constitution of the United States, during the calendar year in which that amount is payable.

(B) A corporation is subject to the tax imposed by section 5733.06 of the Revised Code for each calendar year that it is so organized, doing business, owning or using a part or all of its capital or property, holding a certificate of compliance, or otherwise having nexus in or with this state under the Constitution of the United States, on the first day of January of that calendar year.

which its principal office is located.

(E) For purposes of this chapter, any person, as defined in section 5701.01 of the Revised Code, shall be treated as a corporation if the person is classified for federal income tax purposes as an association taxable as a corporation, and an equity interest in the person shall be treated as capital stock of the person.

(3) The disregarded entity's payroll, property, and sales factors shall be included in the person's factors.

(G) The tax a corporation is required to pay under this chapter shall be as follows:

(1)(a) For financial institutions, the greater of the minimum payment required under division (E) of section 5733.06 of the Revised Code or the difference between all taxes charged the financial institution under this chapter, without regard to division (G)(2) of this section, less any credits allowable against such tax.

(b) A corporation satisfying the description in division (E)(5), (6), (7), (8), or (10) of section 5751.01 of the Revised Code that is not a financial institution, insurance company, or dealer in intangibles is subject to the taxes imposed under this chapter as a corporation and not subject to tax as a financial institution, and shall pay the greater of the minimum payment required under division (E) of section 5733.06 of the Revised Code or the difference between all the taxes charged under this chapter, without regard to division (G)(2) of this section, less any credits allowable against such tax.

Any unused qualifying pass-through entity tax credit is not refundable.

(c) For the purposes of computing the amount of a credit that may be carried forward to a subsequent tax year under division (G)(2) of this

section, a credit is utilized against the tax for a tax year to the extent the credit applies against the tax for that tax year, even if the difference is then multiplied by the applicable fraction under division (G)(2)(a) of this section.

(3) Nothing in division (G) of this section eliminates or reduces the tax imposed by section 5733.41 of the Revised Code on a qualifying pass-through entity.
