

Opportunity Zones

Oregon's O-Zones and Associated Tax Incentives

Legislative Revenue Office

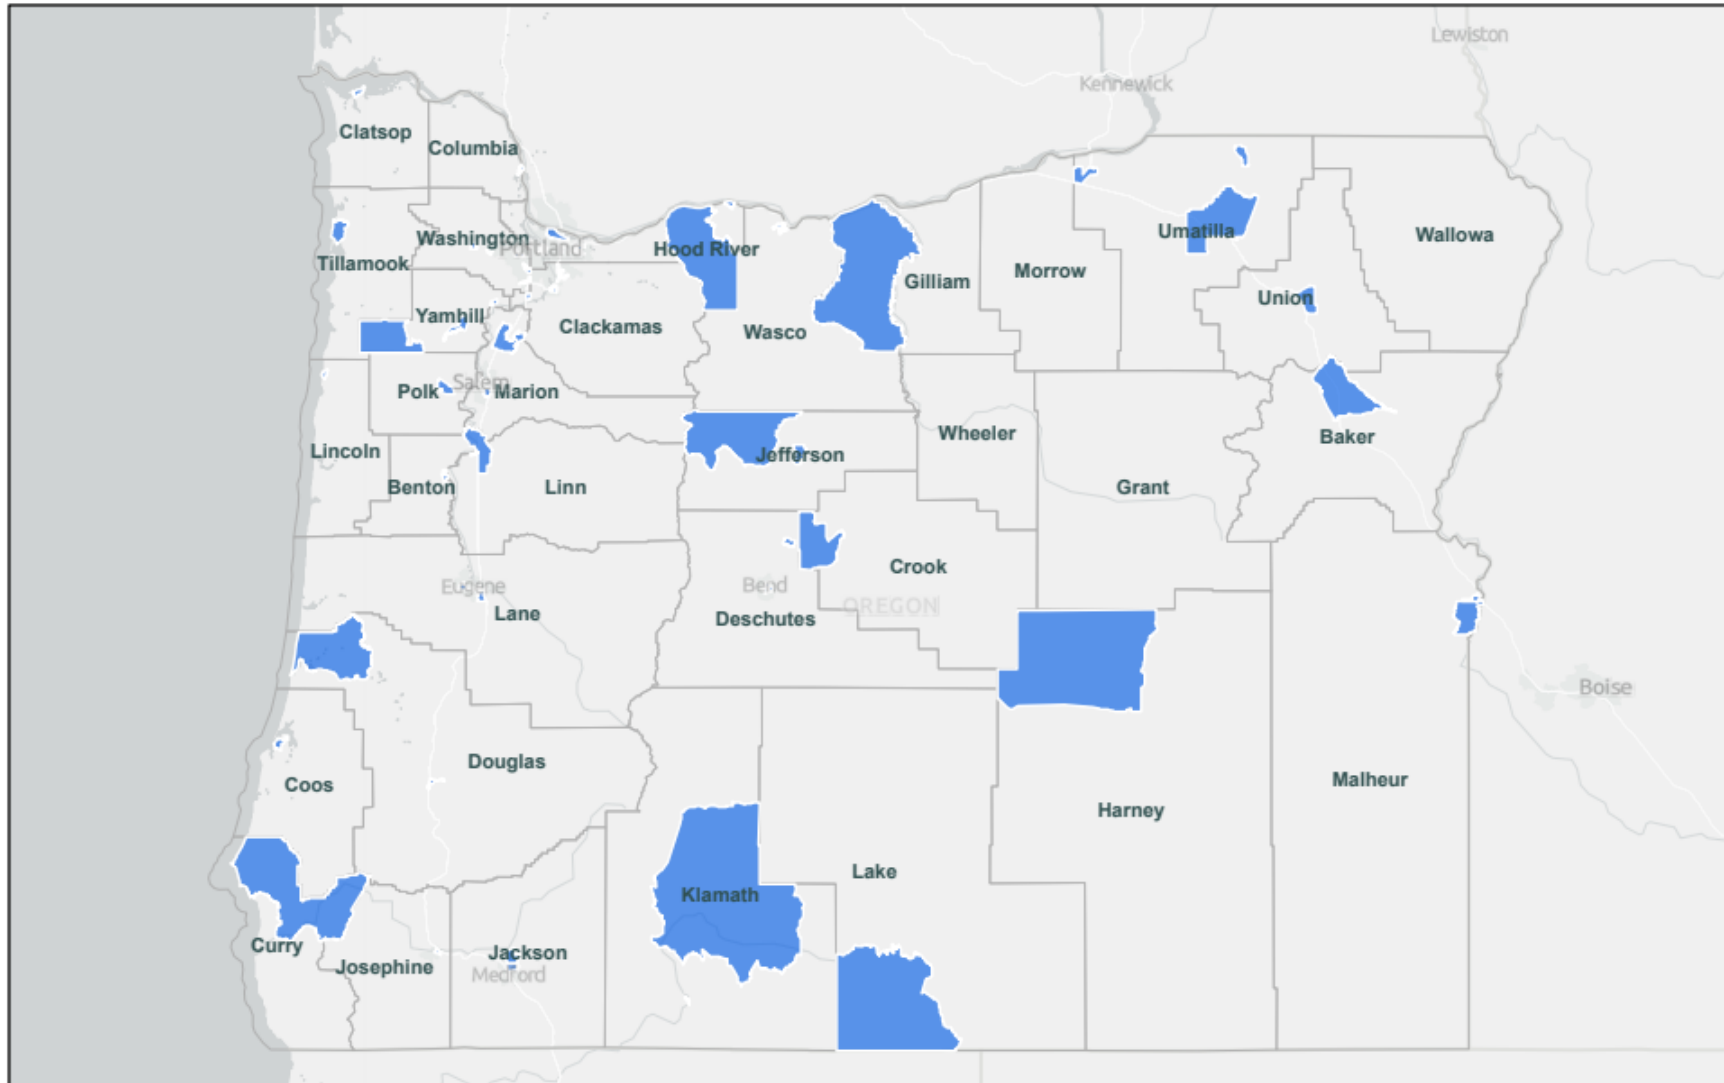

The Opportunity Zone Program

- Part of federal Tax Cuts and Jobs Act (TCJA)
- Federal: identify eligible low-income communities
- States: choose set of designated O-Zones from eligible communities
- Provides tax incentives for investment into low-income areas
 - Capital gains tax deferral, 'discount', exclusion

Relevant Capital Gains Details

- Capital gains tax
 - Opportunity zone benefits
 - Deferral
 - 'Discount'
 - Exclusion
- Capital gains = sale price of asset – basis
- Profit on the sale of an asset
- Basis = cost of asset at time of acquisition

3

- If investment is held at least 10 years upon sale, profit not subject to capital gains tax

Projects in O-Zones

Projects in O-Zones

Example

 2019

In 2019, investor A invests \$1 Million into an Oregon O-Zone

Deferred federal tax on capital gains until sold or 2026, whichever is sooner

Example

2019

In 2019, investor A invests \$1 Million into an Oregon O-Zone

Deferred federal tax on capital gains until sold or 2026, whichever is sooner

Pay capital gains tax on 85% of initial investment

Investor held the investment for 7 years, so full 15% discount

Post 2019, the maximum available discount is 10%

2026
