Issued: February 16, 2010

Expires: February 28, 2011

**SUBJECT: Implementation of the Federal Fiscal Year 2010 Funding Provisions for the Housing Choice Voucher Program**

1. **Purpose.** This Notice implements the Housing Choice Voucher (HCV) program funding provisions of the “Consolidated Appropriations Act, 2010” (Public Law 111-117), referred to hereafter as “the 2010 Act,” enacted on December 16, 2009. The 2010 Act establishes the allocation methodology for calculating housing assistance payments (HAP) renewal funds, new incremental vouchers and administrative fees.
2. **Summary.** The HCV program is the largest rental assistance program in the nation. Funding is provided through Annual Appropriation Acts through HUD, which in turn distributes it to public housing agencies (PHAs) in accordance with the subject Notice.

In 2010, Congress appropriated **\$18,184,200,000** dollars to fund the HCV program. Of that, funding is broken down in the amounts and sections of this Notice as follows:

HAP Renewal funding <sup>1</sup>	\$16,339,200,000
Tenant Protection Vouchers	\$ 120,000,000
Administrative Fees	\$ 1,575,000,000
Family Self-Sufficiency	\$ 60,000,000
Veterans Affairs Supportive Housing	\$ 75,000,000
Family Unification Program	<u>\$ 15,000,000</u>
Total Calendar Year (CY) 2010 Appropriation	<b>\$18,184,200,000</b>

This implementation notice provides detailed instructions on how HUD calculates funding for every PHA’s HCV program. In addition, each PHA will receive an individual funding letter with the PHA’s funding calculations attached. If a PHA does not understand the calculation or has questions related to this Notice, the PHA should contact its Financial Analyst (FA) at the Financial Management Center (FMC).

<sup>1</sup> From the \$16,339,200,000, the 2010 Act provides up to \$150 million will be used as a set-aside to address four specific categories of need.

This Notice is organized into sections designed to address the funding of both vouchers and administrative fees (Sections 3 through 8) and other policy issues (Sections 9 through 14). Additionally, Appendix A provides the text of the 2010 Appropriations Act as it relates to HCV funding.

PHAs are encouraged to pay particular attention to Section 3b (set-aside) and Attachments A and B of this Notice. The 2010 Act provides a \$150 million set-aside for specific categories only. In order to be considered for funding under the \$150 million set-aside, a PHA must meet the eligibility requirements described in Section 3b, and submit a completed Attachment A (and, where applicable, Attachment B) and the required supporting documentation in the timeframe and manner prescribed in this Notice.

This year, HUD is focused on ensuring that PHAs appropriately manage their HCV programs within the funding provided for the CY and existing net restricted assets (NRA). PHAs should be reviewing their per unit costs (PUC), leasing and attrition rates on a monthly basis to be able to plan for upcoming months and carefully manage their wait lists. Unlike prior years, Congress did not require that HUD perform an offset from PHAs NRA. However, HUD does plan to monitor NRA balances closely this year and will be requiring PHAs to submit NRA amounts in the Voucher Management System (VMS) on a routine basis. **There is no additional funding to assist PHAs that experience a shortfall during CY 2010.**

### 3a. Calculation of CY 2010 HAP Renewal Funding Baseline.

The 2010 Act requires that HUD utilize a re-benchmarking renewal formula based on validated leasing and cost data in the VMS from Federal Fiscal Year (FFY) 2009 (October 1, 2008 through September 30, 2009). The renewal provisions in the Act are stated in **Appendix A.**

HUD will provide renewal funding as follows:

Step 1: A new HAP funding baseline will be established based on all validated leasing and cost data<sup>2</sup> (not to exceed unit months available under the Annual Contributions Contract (ACC)) in VMS for FFY 2009, including data that reflects the use of unrestricted net assets (UNA) or extraordinary administrative fees during the re-benchmarking period.

Step 2: As reflected in the Act, HUD then makes necessary adjustments for the first-time renewal of certain vouchers. These are tenant protection vouchers and special purpose vouchers such as Family Unification, Veterans Affairs Supportive Housing and Nonelderly Disabled vouchers that are expiring in CY 2010 where the initial funding increment was effective on or after August 1, 2008. The funding baseline is increased to cover the HAP costs of these vouchers for the months in CY 2010 that are (1) not covered by the term of the initial funding increment and (2) are not expected to be fully

---

<sup>2</sup> In those rare instances where vouchers were transferred from one PHA to another during the rebenchmarking period, the leasing and cost data of the PHAs will be adjusted to ensure that the leasing and costs represented by the transferred vouchers are properly accounted for in the eligibility of the receiving PHA.

reflected in the VMS for the re-benchmarking period used in Step 1 (FFY 2009), such as the reasonable time it is estimated that a PHA would need to fully lease the new vouchers. (With respect to new voucher allocations that were effective prior to August 1, 2008, renewal needs should be fully reflected in VMS data for the re-benchmarking period, therefore, no funding adjustment is necessary in those cases.) See Appendix D for an example adjustment calculation and a more detailed explanation.

Step 3: The funding baseline will be further increased where necessary to cover the costs associated with deposits to family self-sufficiency (FSS) program escrow accounts. This adjustment is for those FSS escrow deposits that commenced after the re-benchmarking period and consequently the costs are not reflected in the PHA's VMS funding baseline (Step 1). HUD first identifies the number of new FSS participants with progress reports in the Public and Indian Housing Information Center (PIC) for the period of October 2009 through December 2009. HUD then calculates the amount of the adjustment by multiplying the sum of the escrow deposits made on behalf of those FSS participants for the month of December by 12 to estimate the additional cost of these escrow deposits during Calendar Year 2010. See **Appendix D** for a sample calculation and a more detailed explanation.

Step 4: The HUD-published Renewal Funding Annual Adjustment Factor (AAF) for 2010 for the HCV program will then be applied to the PHA's calculated 12 month renewal requirement after all adjustments have been applied under Steps 1 through 3 above. The specific Renewal Funding AAF that HUD will use pursuant to Congress' direction to reflect inflation can be found at HUD's website at: <http://www.hud.gov/offices/pih/programs/hcv>. The Renewal Funding AAF will be adjusted upward by a factor of 25 percent, to reflect the time lag between the end of the re-benchmarking period (September 30, 2009) and the end of CY 2009.

Step 5: Proration: HUD will determine the total eligibility for all PHAs and compare that amount to the total available HAP renewal funding per the 2010 Act in order to determine a proration factor. This proration factor will then be applied to each PHA's CY 2010 eligibility. While a pro-ration of less than 100 percent may be necessary in the event that the nation-wide eligibility exceeds the available HAP renewal funding, HUD anticipates that the final pro-ration factor applied to the CY 2010 eligibility will be at least 99 percent.

### 3b. **Set-aside of up to \$150 million to Adjust PHA Allocations.**

The 2010 Act provides that **up to \$150 million** shall be available to PHAs in four specific categories only:

Category (1): to adjust the allocations for PHAs that experienced a significant increase in renewal costs of tenant-based rental assistance resulting from unforeseen circumstances or from portability under section 8(r) of the Act;

Category (2): for adjustment for PHAs with voucher leasing rates at the end of CY 2009 that exceed the average leasing for the 12-month period used to establish the allocation;

Category (3): for adjustments for the costs associated with Veterans Affairs Supportive Housing (VASH) vouchers; and

Category (4): for vouchers that were not in use during the 12-month period in order to be available to meet a commitment pursuant to section 8(o)(13) (project-based voucher assistance) of the Act.

**Please note that in order to receive funding under the \$150 million set-aside, PHAs must complete and submit Attachment A and, where applicable, Attachment B of this Notice, by close-of-business March 9, 2010.**

HUD may make determinations of eligibility for set-aside funding based on need as determined by HUD. As part of the review process, HUD will review the PHA's financial status, which may include the available NRA balance, for each applicant agency to determine if the requested set-aside funds are needed. Additionally, if eligible requests exceed the funding available, awards for any/all categories may be subject to proration. Set-aside funds may not be granted for any purposes other than those cited above. Calculations and funding will be determined by HUD for all eligible agencies, including eligible Moving to Work (MTW) agencies. **As noted above, for all eligible categories the application deadline is COB March 9, 2010.** Submission requirements are described below.

**A-1. Category (1)**

**Unforeseen Circumstances:**

**To be eligible for funding under this category, a PHA must submit the following:**

- a. Attachment A
- b. Written narrative detailing the unforeseen circumstances that occurred during or after the FFY 2009 rebenchmarking period that have significantly increased renewal costs.
- c. Evidence to support the narrative.
- d. PHA calculation of the increased costs.

HUD reserves the right to request additional information or ask for clarification, if necessary.

The following are some examples of unforeseen circumstances and accompanying evidence HUD would consider in its evaluation under this Category:

PHAs anticipating shortfalls in funding in CY 2010 as a result of HUD's decision to rescind payment standard waivers approved in CY 2009 to avoid termination of families' assistance – documentation could include an identification of payment standards before and after the rescission, the number of affected households by payment standard reversal, and the period of the impact, and the projected shortfall attributable to the payment standard waiver reversal.

PHAs that have experienced significant increases in the cost of assistance due to an unforeseeable rise in rental costs that exceeds the applicable 2010 Renewal Funding AAFs published by HUD for the HCV program– documentation could include evidence

of increased rents, identification of affected contracts and a calculation of the increased costs.

PHAs experiencing an increase in their per unit HAP costs in comparison to the pro-rated funded HAP PUC for CY 2010 due to economic conditions resulting in decreases in total tenant payment (TTP) – documentation could include actual per unit TTPs and HAP costs experienced by the PHA in CY 2010.

### **A-2. Category (1)**

#### **Portability:**

To be eligible for funding under this category, the PHA must have experienced an increase in renewal costs from portability under Section 8(r) of the Act for tenant-based rental assistance. Renewal costs for portability will be based upon PIC reporting of portable vouchers being billed to each PHA and the average cost of those vouchers as compared to the PHA's CY 2010 funded rate, which is the FFY 2009 average HAP costs adjusted via the 2010 AAF. The Department will calculate eligibility under this category; therefore, no additional documentation will be required or accepted other than Attachment A, which must be completed, signed and submitted by the deadline date.

### **B. Category (2)**

#### **Additional Leasing:**

To be eligible for funding under this category, a PHA must have a voucher leasing rate at the end of the CY that exceeds the average leasing for the 12-month period used to establish the allocation. To determine eligibility under this category, the Department will take the higher of (1) the PHA's actual leasing for December 2009 or (2) the PHA's average monthly leasing for the months of October through December 2009. This value (not to exceed the baseline ACC units) will be compared to the PHA's average monthly leasing in FFY 2009. If the PHA leasing at the end of 2009 exceeds the PHA's average monthly leasing in FFY 2009, the PHA will be eligible for funding for the additional unit months that exceed a threshold established by HUD. See Appendix D for a sample calculation and a more detailed explanation.

The Department will calculate eligibility under this category; therefore, no additional documentation will be required or accepted other than Attachment A, which must be completed, signed and submitted by the deadline date.

### **C. Category (3)**

#### **HUD-VASH:**

To be eligible for funding under this category, the PHA must submit evidence of anticipated VASH costs for CY 2010 which will exceed the CY 2010 VASH funding and the PHA's available VASH NRA. A request under this category must be substantiated with sufficient evidence for a HUD analyst to justify approval and determine a funding amount under this category. This evidence, along with the completed and signed Attachment A, must be submitted by the deadline date.

**D. Category (4)****Project-based Vouchers:**

To be eligible for funding under this category, a PHA must show that vouchers were not in use during the FFY 2009 rebenchmarking period in order to be available to meet a commitment for project-based voucher assistance under section 8(o)(13) of the Act. Adjustments will apply only to vouchers withheld pursuant to a project based voucher commitment for newly constructed or rehabilitated housing. Adjustments will **not** apply to existing housing as there is no waiting period for existing housing project based voucher commitments; therefore, there is no need to withhold vouchers. Adjustments will not be made under any circumstances for those units under an AHAP commitment that when added to units under lease for CY 2009 exceed the PHA's baseline units under ACC for CY 2009. (The PHA would not have been able to lease those shelved vouchers during CY 2010 due to the restriction on over-leasing.)

For each project based voucher commitment for which a request is being made under this category, the PHA must provide an executed Agreement to Enter into a HAP Contract (AHAP), in its entirety **including all exhibits**. If the Housing Assistance Payments (HAP) Contract has been executed by the time of the submission of this request for adjustment, the executed HAP Contract, in its entirety **including all exhibits**, must also be submitted or the PHA must state that the HAP Contract has not yet been executed. These documents, along with the completed and signed Attachment A, and the completed and signed Attachment B (for every project based commitment) must be submitted by the deadline date.

Documentation requirements for each category are provided below. PHAs are advised to provide, where applicable, the supporting documentation along with the completed/signed Attachment A and Attachment B, where applicable, by the deadline date established in the Submission Requirements section.

Faxes and electronic submissions **will not** be accepted.

4. **Tenant Protection Vouchers.** HUD will provide replacement vouchers for **all** units that were occupied within the previous 24 months that cease to be available as public housing or assisted housing, subject only to the availability of funds (See Appendix B, "Tenant Protection" provision for Appropriations text).

A) **Housing Conversion Actions.** The administering PHA is eligible to receive vouchers for the number of units covered by the Housing Conversion Action that were occupied by an assisted family at any time within the previous 24 months from the eligibility event as determined by HUD's Office of Multifamily Housing. The eligibility event for each category of Housing Conversion Action is as follows:

(1) Prepayments: The effective date of the prepayment of the mortgage or the voluntary termination of the mortgage insurance.

- (2) Opt-outs: The effective date of the expiration of the project-based contract.
- (3) Terminations: The effective date of the contract termination.

B) Public Housing Demolition/Disposition and Conversion. PHAs are eligible to receive vouchers for the number of units that:

- (1) will cease to be available as public housing as a result of the approved demolition, disposition, or conversion action, and
- (2) were occupied by a public housing resident within the previous 24 months from the date of HUD approval of the PHA demolition/disposition application, or the HOPE VI revitalization plan or conversion plan that contains the demolition or disposition approval, as applicable.

C) Moderate Rehabilitation (MR) and Single Room Occupancy (SRO) Replacements. PHAs are eligible to receive vouchers for the number of units occupied within 24 months of the effective date of the expiration of the MR or SRO contract or the effective date of the MR or SRO contract termination.

HUD plans to provide additional guidance through upcoming PIH notices regarding housing conversion actions and demolition/disposition actions.

#### 5. Funding for Administrative Costs.

The 2010 Act provides **\$1,575,000,000** for administrative fees to PHAs administering the voucher program (See Appendix C for full Appropriations text). Of the appropriated amount, approximately **\$1,565,000,000** will be available for on-going administrative fees and fees for new vouchers and approximately **\$10,000,000** will be made available to allocate to PHAs that need additional funds to administer their section 8 programs.

##### A) On-going Administrative Fees and Administrative Fees for New Vouchers.

On-going administrative fees and administrative fees for new vouchers will be paid based on leasing. As stated above, approximately **\$1,565,000,000** of the appropriated amount will be provided for these fees. These administrative fees will be calculated for CY 2010 as provided for by section 8 (q) of the United States Housing Act (and related Appropriation Act provisions) as in effect immediately before the enactment of the Quality Housing and Work Responsibility Act (QHWRA) of 1998 (Public Law 105-276). Under this calculation, PHAs will be paid a fee for each voucher that is under HAP contract as of the first day of each month. Administrative fees for incremental vouchers will also be paid based on leasing.

Please note that beginning in CY 2010, HUD will no longer provide a lower administrative fee for PHA-owned units. A PHA earns the same amount of administrative fee for a PHA- owned unit as it does for a non-PHA owned unit.

#### 1) Pro-ration and Reconciliation of Administrative Fees:

HUD has developed and posted administrative fee rates for each PHA to enable PHAs to calculate potential fee eligibility. Fee rates can be found at <http://www.hud.gov/offices/pih/programs/hcv/adminfees2010.cfm>.

HUD advances administrative fees to PHAs on a monthly basis prior to receiving actual leasing data from PHAs in VMS. Each PHA's administrative fee eligibility will be reconciled every month based on actual reported leasing by either increasing or off-setting the amount of subsequent administrative fee payment. A final reconciliation is completed after the December 2010 leasing data is reported in VMS.

HUD compares each month's national eligibility for administrative fees to the appropriated amount available for on-going administrative fees. HUD prorates the administrative fees (and consequently the monthly disbursements) based on reported leasing to the extent necessary not to exceed the amount appropriated for on-going administrative fees for CY 2010.

PHAs have received administrative fee advances for the early months of CY 2010. These advances were based on fee disbursements for December 2009. A PHA should not assume that the amounts advanced in the early months of the year will approximate the amounts a PHA is eligible to receive throughout the year.

**2) Blended Rate Administrative Fees and Higher Administrative Fee Rates: PHAs may request either a blended administrative fee rate or a higher administrative fee rate if eligible under the circumstances as described below for each category:**

**(a) Blended Rate Administrative Fees:** PHAs serving multiple administrative fee areas may, in lieu of the fee determined for their agency, request a blended rate, based on the actual location of their assisted units. PHAs must submit the request to the Financial Management Division, Housing Choice Voucher Program, in writing to the address cited in Section 3b no later than close of business, **Friday February 26, 2010**, if they are requesting a blended rate. The blended rate will be used for the entire CY.

**(b) Higher Administrative Fee Rates:** A PHA that operates over a large geographic area, defined as multiple counties, may request higher administrative fees. To request higher fees, an agency must submit the following financial documentation to the PHA's assigned FA at the FMC:

Actual UNA balance as of December 31, 2009;

Actual administrative costs for the HCV program for CY 2009, in sufficient detail for HUD review;

The PHA's CY 2010 HCV program administrative budget for the voucher program, identifying anticipated reasonable and necessary administrative costs, broken out in sufficient detail to allow for review

(positions and salaries, detailed travel costs, overhead and pro-rations, etc). There is no HUD form, nor a mandated format, for this budget; If both the unit month and budget authority utilization in CY 2009 were below 95 percent of available for renewal units, a statement as to why this occurred;

An explanation for any withdrawals from the UNA account at the end of CY 2006, CY 2007, CY 2008 or during CY 2009, or a statement that none were made;

An explanation as to why the projected CY 2010 administrative fees are insufficient to cover program operating costs;

Certification by the chief executive of the PHA that the data is accurate.

In order to request a higher administrative fee rate, PHAs must provide the above information to their assigned Financial Analyst (FA), Financial Management Center (FMC), 2345 Grand Boulevard, Suite 1150, Kansas City, MO, 64108 no later than close of business **Friday, February 26, 2010**.

An approved higher administrative fee rate will apply only to CY 2010. At the end of the year the PHA will be required to submit evidence to the FMC of actual costs, to enable HUD to determine if the entire approved increase was needed; excess funds will be recouped by HUD.

**B) Special Fees.** As stated above, HUD will make approximately **\$10,000,000** available to allocate to PHAs that need additional funds to administer their section 8 programs. HUD has determined that these funds may be provided for the following purposes:

**Homeownership Fees:** HUD will provide funds to assist PHAs administering Homeownership programs that have not been reimbursed the one-time \$5,000 fee bonus for implementing a new Homeownership program, and the \$1,000 special fee for homebuyers closings reported in PIC.

**Special Fees for Multifamily Housing Conversion Actions:** A special (one-time) fee of \$200 will be provided for each unit **occupied** on the date of the eligibility event, for multifamily housing conversions only.

**Program Specific Audits:** PHAs that are required to undergo a program-specific audit in accordance with Notice 2008-9, may receive reimbursement of excess audit costs if approved by HUD.

Any remaining funds will be available to HUD to assist PHAs in need of additional funds to administer their HCV program.

### **C) Uses of Administrative Fees.**

- i. Administrative Fees. Administrative fees may only be used to cover costs incurred to perform PHA administrative responsibilities for the HCV program in accordance with HUD regulations and requirements.

- ii. UNA (formerly known as “administrative fee reserve”). Any administrative fees from 2010 funding (as well as 2004, 2005, 2006, 2007, 2008 and 2009 funding) that are subsequently moved into the UNA Account in accordance with Generally Accepted Accounting Principles (GAAP) at year-end must only be used for activities related to the provision of tenant-based rental assistance authorized under section 8, including related development activities. Examples of related development activities include, but are not limited to, unit modification for accessibility purposes and development of project-based voucher units. If a PHA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNA Account and may direct the PHA to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3). **Further guidance on Unrestricted Net Assets (UNA) will be issued under a separate notice in the future.**

6. **Family Self-Sufficiency (FSS)**. The 2010 Act provides that **\$60 million** shall be made available for FSS coordinators under section 23 of the Act. A Notice of Funding Availability (NOFA) will be published during 2010 that will provide the eligibility criteria and application requirements for these funds..
7. **Veterans Affairs Supportive Housing (VASH)**. The 2010 Act provides funding for incremental vouchers for the VASH program in the amount of **\$75 million**. Guidance regarding the eligibility criteria and application requirements for these funds will be forthcoming. It is anticipated that invitations, to PHAs, based on Veterans Administration/HUD determination of needs of homeless veterans, will be issued in the spring of 2010 for these vouchers.
8. **Family Unification Program (FUP)**: The 2010 Act provides funding for incremental vouchers under FUP in the amount of **\$15 million**. Information regarding the eligibility criteria and application requirements for these funds will be forthcoming.

As required by the 2010 Act, incremental vouchers provided under the FY 2010 VASH and FUP programs must continue to remain available for the intended populations (family unification families, homeless veterans) upon turnover. PHAs are reminded that this restriction on the use of turnover vouchers also applies to vouchers made available for VASH and FUP under HUD’s FY 2008 and 2009 Appropriations Acts. In addition, this same requirement applies to vouchers specifically targeted for nonelderly disabled families under HUD’s FY 2008 and 2009 Appropriations Acts.

9. **PHA Management of HCV Program Utilization and Funding**.

PHAs must manage their programs in a prudent manner to enable them to serve families within their CY 2010 allocations and voucher baselines. PIH Notice 2009-44 provides guidance on cost-savings measures PHAs may take to reduce financial shortfalls in the HCV program.

Based on the discrepancies found in HAP NRA and UNA Accounts during CY 2009 and the resulting shortfalls, HUD will be conducting a reconciliation of VMS/Financial Assessment Sub System (FASS) data to ensure that PHAs are properly accounting for funds received and expended under the HCV program.

It is important to note that the 2010 Act continues to strictly prohibit the use of appropriated HAP funds by any PHA, except for PHAs participating in the Moving To Work demonstration, to lease units above their ACC baseline units during any CY, even if the PHA has sufficient Budget Authority (BA) and/or HAP NRA to support the additional units. If a PHA engages in over-leasing, it must identify other sources to pay for the over-leasing, and the PHA must take immediate steps to eliminate any current over-leasing.

In CY 2010, HUD will aggressively monitor utilization to ensure PHAs are complying with the HCV financial and Appropriations Act requirements. Staff in the local HUD field office and FMC are available to assist PHAs with issues related to the HCV program. **PHAs are advised that there is no additional funding to assist PHAs that experience funding shortfalls during CY 2010.**

10. **Use of HAP NRA.** PHAs are reminded that funds in the HAP NRA account shall only be used for eligible HAP needs in the current and future CYs. The ACC requires PHAs to use HAP funding to cover rental assistance payments. **HAP and/or HAP NRA shall not under any circumstances be used for any other purpose, such as to cover administrative expenses or be loaned, advanced or transferred (referred to as operating transfers due to/due from) to other component units or other programs such as Low Rent Public Housing.** Use of HAP for any purpose other than eligible HAP needs is a violation of law, and such illegal uses or transfers will result in sanctions and possible breach of the ACC..

In instances where a PHA is found to have misappropriated HAP and/or HAP NRA funds by using the funds for any purpose other than valid HAP expenses for units up to the baseline, HUD will require the immediate return of the funds to the HAP or HAP NRA account. HUD may take action against a PHA or any party that has used HAP funds and/or the HAP NRA account for non-HAP purposes.

11. **VMS/FASS Reporting and NRA Integrity.** The Department will continue to deploy Quality Assurance Division (QAD) teams to conduct on-site reviews of PHAs to ensure the integrity of PHA-reported data for the HCV program, as well as to ensure compliance with other program requirements, including over-leasing. It is each PHA's responsibility to retain the appropriate records to support their VMS submissions. VMS data is subject to review by the QAD and subsequent recalculation of funding will occur if a QAD review demonstrates that costs were incorrectly reported, resulting in excess funding. QA staff will also review compliance with rent reasonableness requirements to ensure that owners are receiving rents that are comparable to similar unassisted units in the market.

PHAs must continue to submit required financial documents including, but not limited to, monthly VMS and annual FASS electronic submissions. PHAs that do not submit the required data by the reporting deadline will be sanctioned as provided by 24 CFR 982.152(d), and in accordance with the procedures outlined in PIH Notice 2008-09. PHAs that fail to meet the submission requirements will be subject to administrative actions, including but not limited to, an imposition of a penalty against the PHA's monthly administrative fees until the PHA complies with these requirements. This penalty represents a permanent reduction for the current CY that shall not be reversed.

12. **HAP Disbursements and Frontloading.** PHAs will receive monthly disbursements based on their budgetary allocations from HUD on a CY basis. PHAs may request adjustments to monthly disbursements (frontloading), not to exceed their annual budgetary allocations, by contacting their FA at the FMC.
13. **Excluded Programs.** The changes implemented by this Notice do not apply to renewal funding for the Section 8 Moderate Rehabilitation Program or the Five Year Mainstream Program.
14. **MTW.** MTW agencies will continue to have their funding determined pursuant to their MTW agreements. HUD is directed by the 2010 Act, however, to apply the same pro-ration factor to the HCV allocations for MTW agencies as is applied to all other PHAs. Note that MTW agencies may utilize section 8 funds for section 9 purposes in accordance with their agreements.

### **Paperwork Reduction Act.**

**Appendix D – Examples as referenced in this Notice:**

**Section 3a. Step 2 of this Notice:**

Example of first-time renewal of certain vouchers awarded to PHAs effective August 1, 2008 and later and expiring before December 31, 2010. This is an adjustment for an increment awarded in CY 2009 which will expire in CY 2010:

New Increment Effective Date:	April 1, 2009
New Increment Expiration Date:	March 31, 2010
Number of Units:	75
Budget Authority (BA):	\$472,500
Per Unit BA:	\$525
(BA divided by 75 units and divided by 12 months)	
Average FFY 2009 VMS per Unit Cost:	\$480

Months	Funding Adjustments	Justifications
3	0	Since the original funding increment does not expire until March 31, 2010, the funding already covers three months of 2010. No adjustment is necessary for three months.
3	\$118,125	For purposes of making adjustments for first-time renewals, HUD assumes all of the vouchers in the new increments are not leased for up to three months from the effective date of the increment. A funding adjustment is made to cover this "lease-up" period. The adjustment will be less than 3 months if the effective date of the increment is less than 3 months from the end of the re-benchmark period. Units are funded at the higher of the original per unit BA or average PUC from VMS baseline in this example. Funding adjustment calculated at \$525 per unit per month for 75 units.
3	0	Leasing and costs for all of the vouchers is expected to be fully reflected in VMS commencing with the fourth month of the funding increment (in this example July 2009) through the end of the re-benchmark period (September 2009). No adjustment is necessary for those months. In this example, that period equals 3 months.
3	\$118,125	An adjustment is made for any remaining months of CY 2010 that are not covered by lease-up period adjustment, the VMS re-benchmarking period, or the original funding increment. This is funded in the same manner as described in 2 above.

12	\$236,250	Total adjustment necessary to account for 12 months of funding
----	-----------	--

**Section 3a. Step 3 of this Notice:** Example of adjustments for costs associated with deposits from FSS program escrow accounts:

A PHA has 4 new progress reports (identified in line 17b of HUD Form 50058) entered in PIC with effective dates from October 1, 2009-December 31, 2009 with FSS escrow credits (reported in Line 17k of HUD Form 50058). These families had monthly escrow amounts that totaled \$910 for the month of December 2009. The calculation for this PHA would be as follows:

$$\$910 \times 12 \text{ months (to annualize the total)} = \$10,920 \text{ (provided for this adjustment)}$$

**Section 3b of this Notice (Category 2 of the \$150 million set-aside – Additional Leasing):**  
Example and explanation of adjustment for additional leasing:

HA001 has 400 ACC units.

FFY 2009 actual Leasing for HA001 was 3960 unit months, for an FYY 2009 average monthly leasing of 330 units.

December 2009 actual leasing was 385 units.

October through December 2009 average leasing was 380 units.

To determine if HA001 is eligible for additional funds under this Category, the following comparison will be made:

FFY 2009 average monthly leasing = 330 units

December 2009 actual leasing = 385 units

October through December 2009 average monthly leasing = 380 units

Since the December actual leasing is the highest of the three periods, but is still within the PHA's baseline of 400 units per month, funds (in excess of a threshold amount determined by HUD) may be provided to cover the difference between the FFY 2009 average monthly leasing and the December 2009 actual leasing as follows:

December Leasing	385
FFY 2009 Average Monthly Leasing	-330
	55 units

The difference of 55 units is then multiplied by 12 months (to annualize) for a total of 660 unit months that may be eligible for additional funding under this category.

HUD may fund the additional unit months in excess of a threshold established by the Department. Please note that funding eligibility for any/all categories may be pro-rated if eligible requests exceed the funding available. HUD will also review the PHA's financial status, which may include the available NRA balance, for each applicant agency to determine if the requested set-aside funds are needed.

**In no event will funds be provided for units in excess of the PHA's ACC units.**
