

Private Letter Ruling 9448007, IRC Section 42

Headnote:

Reference(s): Code Sec. 42;

The Service has waived the 10-year holding period requirement of section 42(d)(2)(B)(ii) for a limited partnership's acquisition of a housing project it intends to rehabilitate to provide affordable housing to qualified low-income households. The Service determined that the buildings in the project were federally assisted buildings for purposes of section 42(d)(6)(B)(iii), and that federal funds were at risk under section 42(d)(6)(A)(i).

Dear ***

This ruling letter responds to your letter dated June 9, 1994, and subsequent correspondence submitted on behalf of Partnership by M, President of Corp L, requesting a private letter ruling that will waive, for the Project, the 10-year holding period requirement for existing buildings of section 42(d)(2)(B)(ii) of the Internal Revenue Code, under the authority of the exception for the acquisition of certain federally-assisted buildings provided in section 42(d)(6)(A)(i).

Partnership has made the following representations.

Partnership is a State A limited partnership with Part. P as the general partner and M and N as the limited partners. Part. P is itself a limited partnership with Corp L as the m percent general partner and M as the n percent limited partner. Part. P owns a c percent interest in Partnership and M and N each own a 1 percent interest. Corp L is a State A corporation whose President and Vice President are M and N respectively. Partnership is under the examination jurisdiction of the District Director in City D.

The Project consists of b apartment units housed in c buildings, located in City C. There are d apartment units housed in each of e buildings and the remaining building in the Project contains f apartment units. In addition, there is a freestanding laundry and management's office building.

Seller is a State B limited partnership with O as general partner. The Project was last placed in service by Seller on t1, and there have been no substantial improvements to the buildings in the Project since that time. Financing for the Project was provided by a loan from the Farmers Home Administration (FmHA) under section 515 of the Housing Act of 1949.

On t2, Corp L entered into an agreement with O on behalf of Seller to acquire the Project for \$g. This amount includes the unpaid balance of \$h on the former mortgage with FmHA plus a down payment of \$i. Partnership will be the mortgagor and FmHA will be the mortgagee.

In compliance with the limitation on aggregate credit allowable in section 42(h), Partnership, on t4, accepted the terms and conditions required by the Agency to allot a housing credit dollar amount for the Project.

Partnership intends to rehabilitate the Project by spending a total of \$j or \$k per apartment unit.

In a letter dated t3 the National Office of the Internal Revenue Service was informed that the Project is a "troubled project" by the Multiple Family Housing Servicing and Property Management Division of the National Office of the FmHA.

Since the interval between t1 and t2 is less than 10 years, Partnership fails to meet the holding period requirement of section 42(d)(2)(B)(ii) for existing buildings. Because federal funds are at risk, Partnership has submitted this request for a waiver of the holding period requirement under the authority of the exception granted by section 42(d)(6)(A)(i).

Partnership has made the following representations and certifications with respect to the Project:

- (1) The acquisition of the buildings in the Project is by purchase (as defined under section 179(d)(2) and as further restricted by section 42(d)(2)(D)(iii)(I));
- (2) The buildings in the Project were not previously placed in service by Partnership, or by a person who was a related person (as defined in section 42(d)(2)(D)(iii)(II)) with respect to Partnership at the time the buildings were last placed in service;
- (3) As of t2, the buildings in the Project were "federally- assisted buildings" as defined in section 42(d)(6)(B)(iii) and section 1.42-2(c)(1) of the Income Tax Regulations;
- (4) As of t2, federal mortgage funds with respect to the Project were at risk within the meaning of section 1.42-2(c)(2);
- (5) There have been no nonqualified substantial improvements to the buildings in the Project since they were last placed in service;
- (6) To the best of the knowledge of Partnership and its representatives, no prior owner of the Project was allowed a low-income housing credit under section 42 for the Project;
- (7) All terms and conditions of section 42 and related sections, including substantial rehabilitation in conformance with the minimum expenditures required by section

42(e)(3), will be met except for the 10-year holding period requirement provided by section 42(d)(2)(B)(ii). Partnership asks that this requirement be waived under the authority granted the Secretary of the Treasury by section 42(d)(6)(A)(i); and

(8) This application for the waiver is timely filed as it was submitted within 12 months after the acquisition of the Project.

For an existing building to qualify for the 30-percent present value tax credit, section 42(D)(2)(B)(ii) requires there be a period of at least 10 years between the date of the building's acquisition by the taxpayer and the later of:

1. The date of the building was last placed in service; or
2. The date of the most recent nonqualified substantial improvement of the building.

Section 42(d)(6)(A)(i) provides an exception to the 10-year holding period requirement of section 42(d)(2)(B)(ii) to the effect that on application by the taxpayer, the Secretary may waive this requirement with respect to any federally-assisted building if the Secretary (after consultation with the appropriate federal official) determines that such waiver is necessary to avert an assignment of the mortgage secured by property in the project (of which such building is a part) to the Department of Housing and Urban Development or the FmHA.

Section 42(d)(6)(B) defines the term "federally-assisted building" as including any building that is substantially assisted, financed, or operated under (i) section 8 of the United States Housing Act of 1937, (ii) sections 5221(d)(3) or 236 of the National Housing Act, or (iii) section 515 of the Housing Act of 1949, as such Acts are in effect on the date of enactment of Tax Reform Act of 1986 (October 22, 1986).

Section 1.42-2 contains requirements that must be satisfied to permit the waiver referred to in section 42(d)(6)(A)(i). You have represented that Partnership is in compliance with these requirements.

Based on the above facts and Partnership's representations, we have determined that the buildings in the Project are federally- assisted buildings, within the meaning of section 42(d)(6)(B)(iii), and that federal funds are at risk under section 42(d)(6)(A)(i). Therefore, we rule as follows:

The 10-year holding period requirement of section 42(d)(2)(B)(ii) is waived with respect to Partnership's acquisition of the Project.

No opinion is expressed or implied regarding whether Partnership's costs of acquisition and rehabilitation of the buildings in the Project will qualify otherwise for the low-income housing credit under section 42.

This ruling is directed only to Partnership, which requested it. Section 6110(j)(3) provides that it may not be used or cited as precedent. A copy of this letter should be filed with the federal income tax return for Partnership and the respective partners for the taxable year in which the transaction covered by this ruling is consummated.

We are sending a copy of this letter to the FmHA in accordance with that agency's request.

Sincerely yours,

James F. Ranson
