

117TH CONGRESS  
1ST SESSION

**S.** \_\_\_\_\_

To amend the Internal Revenue Code of 1986 to provide for Move America bonds and Move America credits.

---

IN THE SENATE OF THE UNITED STATES

Mr. HOEVEN (for himself and Mr. WYDEN) introduced the following bill;  
which was read twice and referred to the Committee on

---

**A BILL**

To amend the Internal Revenue Code of 1986 to provide  
for Move America bonds and Move America credits.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Move America Act of  
5 2021”.

6 **SEC. 2. FINDINGS AND PURPOSE.**

7 (a) FINDINGS.—Congress makes the following find-  
8 ings:

9 (1) Our Nation’s infrastructure network serves  
10 as a foundation of our economic competitiveness and

1 national security. It is imperative that Congress  
2 maintain and revitalize the roads, bridges, ports,  
3 railways, airports, transit systems, water systems,  
4 and information networks of this country, enabling  
5 all industries to achieve the growth and productivity  
6 that make the United States strong and prosperous.

7 (2) Investing in transportation, water, and in-  
8 formation infrastructure creates long-term capital  
9 assets for the Nation that will improve economic  
10 productivity.

11 (3) Investment in infrastructure creates jobs  
12 and spurs economic activity to put people back to  
13 work and grow the economy.

14 (4) The cost to maintain and improve our Na-  
15 tion's highways, bridges, and other critical transpor-  
16 tation infrastructure significantly exceeds what is  
17 currently being provided by all levels of government.

18 (5) Investment in our Nation's infrastructure  
19 must be multi-faceted, both by ensuring that there  
20 is a sustainable long-term funding source for infra-  
21 structure and through using innovative financing  
22 mechanisms.

23 (6) Areas that are underserved by modern  
24 broadband connections are disadvantaged, and en-  
25 suring that those areas are connected will enable the

1 Nation to benefit from the fuller participation of  
2 previously underserved citizens in the national econ-  
3 omy.

4 (7) Investment in infrastructure is needed  
5 throughout the Nation, and it is essential that infra-  
6 structure legislation, including but not limited to  
7 this legislation, benefit urban and rural areas, and  
8 large and small States.

9 (b) PURPOSE.—The purpose of this Act is to provide  
10 tools to finance additional transportation, water, and in-  
11 formation infrastructure capital investments, through an  
12 approach that provides assistance for financing of infra-  
13 structure to all States, rural and urban, and large and  
14 small.

15 **SEC. 3. MOVE AMERICA BONDS.**
