Environmental Certification

The undersigned hereby certifies that the development to be known as _____, has no outstanding environmental issues in either a Phase I or Phase II environmental assessment report. The Authority's meaning of outstanding environmental issues are not related to a HUD NEPA review having been completed but rather to any and all environmental issues, recommendations, conclusions and opinions rendered in a Phase I or Phase II environmental assessment report having been addressed to the satisfaction of Authority staff. Written notification of such satisfaction is hereby attached to this Certification.
