Memorandum

Date: September 14, 2009
To: 2008 and 2009 Tax Credit Developers
From: Laura Nicholson, Tax Credit Program Manager
Subject: Tax Credit Assistance Program (TCAP) - Funding Cycle 3

Applications for the Authority's third TCAP funding cycle can be submitted October 12, 2009 through 5:00 p.m. (EST) November 30, 2009. Award announcements will be made no later than January 8, 2010. First priority for funding through TCAP will be for developments that received a 2008 tax credit award during the Authority's 2008 tax credit funding cycle and that meet the minimum point score threshold to apply.

The application and exhibits for TCAP is posted on the Authority's web page at www.schousing.com. The Authority has created an individual web page for TCAP which is located under the main Tax Credit web page.

Outstanding environmental issues need to be resolved to the satisfaction of Authority staff before a TCAP award can be made, land purchased, and construction started. Letters were sent out to developers indicating environmental issues at the development site needing to be resolved. Please work diligently towards resolving these issues. Questions on the environmental review process and/or outstanding environmental issues specific to your development site should be directed to Leanne Johnson at (803) 896-9194 or leanne.johnson@schousing.com.

If you are considering applying for TCAP funds please understand that the Authority is viewing the TCAP Application as an extension of the Tier Two Tax Credit Application and as such the rents proposed in the TCAP Application should be the same as those proposed in the Tier Two Tax Credit Program Application.

Should you have any questions relating to the above please call me at (803) 896-9190 or email me at laura.nicholson@schousing.com.
