
TENNESSEE HOUSING DEVELOPMENT AGENCY

Low-Income Housing Tax Credit

2002 QAP

TENNESSEE HOUSING DEVELOPMENT AGENCY
LOW-INCOME HOUSING TAX CREDIT
QUALIFIED ALLOCATION PLAN
2002

Part I: Introduction

The Tennessee Housing Development Agency (“THDA”) administers the Low-Income Housing Tax Credit program in Tennessee. The Low-Income Housing Tax Credit program was created by the Tax Reform Act of 1986 under Section 42 of the Internal Revenue Code of 1986, as amended (“Section 42”), to encourage the construction and rehabilitation of rental housing for low-income individuals and families. Under Section 42(m), THDA is required to develop a Qualified Allocation Plan (“QAP”) to define the process by which it will allocate an annual amount of Low-Income Housing Tax Credits (“Tax Credits”) in Tennessee.

This document is the QAP required by Section 42. This QAP incorporates all requirements of Section 42 unless more stringent requirements, as permitted under Section 42, are included. A public hearing was held to solicit comments. “**Exhibits**” are documents which accompany this QAP and which provide additional information. “**Attachments**” are forms or documents which must be submitted as part of the Initial Application. Exhibits, the Initial Application Form, and Attachments are all considered part of the QAP. The QAP has been approved by the THDA Board of Directors and adopted by the Governor of Tennessee.

Part II: Goals and Objectives

The goal of this QAP is to use the Tax Credits allocated to Tennessee for 2002 to the fullest extent possible to create, maintain, and preserve affordable rental housing for low-income households. Tax Credits are not intended to provide the primary or principal source of financing for a development, but are intended to provide financial incentives sufficient to fill “gaps” which would otherwise exist in developing affordable rental housing for low income households. Specific objectives of this QAP are to:

1. Make rental units affordable to households with as low an income as possible and for the longest time period possible;
2. Encourage the construction or rehabilitation of rental units in the areas of Tennessee with the greatest need for affordable housing;
3. Encourage development of appropriate housing units for persons with special needs, including the elderly and persons who are homeless or have disabilities;
4. Discourage allocation of Tax Credits to developments for which Tax Credits are not necessary to create, improve, or preserve rental housing for low-income persons;
5. Allocate only the minimum amount of Tax Credits necessary to make a development financially feasible and to ensure its viability as a qualified low-income development throughout the credit period;
6. Encourage Non-Profit entities to develop rental housing for low-income households;
7. Encourage energy efficient construction and rehabilitation;
8. Encourage fair distribution of Tax Credits among counties and developers or related parties;
9. Improve distribution among developments of varying sizes to ensure that developments with a smaller number of housing units receive fair consideration; and
10. Allocate Tax Credits fairly.

Part III: Tax Credits Available

A. Total Tax Credits

The total amount of Tax Credits available for allocation in Tennessee for 2002 is the total of the following:

1. \$1.75 x Tennessee's population;
2. Any unallocated credits from previous year;
3. Any returned credit from previous years; and
4. Any amount allocated to Tennessee by the IRS from the National Pool.

For purposes of calculating the initial Non-Profit Set-Aside and any of the other Set-Asides, the amount against which the percentages will be applied will be the sum of items 1, 2, and 3 above.

B. Set-Asides

Each development will be identified as qualifying for an allocation of Tax Credits in one or more of the "Set-Aside" categories described below, if all of the eligibility requirements specified in Part VII-A-2 are met for the relevant Set-Aside. For example, a development may qualify for the Non-Profit Set-Aside, the Small Development Set-Aside, and the Rural Set-Aside. Many other combinations are also possible. The method by which these Set-Asides will be applied is described in Part VIII-E of this QAP.

1. Non-Profit Set-Aside
 - a. Qualified Non-Profits (see Part VII-A-2-a of this QAP) will be considered for an allocation of Tax Credits from the Non-Profit Set-Aside.
 - b. Ten percent (10%) of the total amount of Tax Credits available for allocation in Tennessee is reserved for qualified Non-Profit applicants as required by Section 42(h)(5).
 - c. **THDA reserves the right to make additional allocations of Tax Credits from any available Set-Aside to qualified Non-Profit applicants to meet the requirements of Section 42(h)(5).**
2. Public Housing Authority Set-Aside
 - a. Up to ten percent (10%) of the sum of Part III-A-1, -2 and -3 will be available for developments submitted by Public Housing Authorities and which qualify for this Set-Aside (see Part VII-A-2-b).
 - b. Any amount of Tax Credits allocated to Public Housing Authority developments will be deducted from the amount of Tax Credits set-aside for developments in the appropriate related category (Non-Profit, Small Developments, Urban, or Rural) as applicable.
 - c. Only Initial Applications for the Public Housing Set-Aside that meet all the eligibility requirements specified in this QAP will be accepted. If these Initial Applications meet all the requirements of this QAP, the amount of the Public Housing Set-Aside will be allocated on a competitive basis according to final scores assigned to each such Initial Application in descending order.

Tax Credits allocated to a development under this Part III-B-2 will not be counted against the limits by county or by developer specified in Part IV-A and -C.
3. Small Developments Set-Aside
 - a. Up to ten percent (10%) of the sum of Part III-A-1, -2 and -3 will be set-aside for developments with 32 or fewer units on a single site (see Part VII-A-2-c).

- b. Any amount of Tax Credits allocated to developments in the Small Developments Set-Aside will be deducted from the amount of Tax Credits set-aside for developments in the appropriate related category (Non-Profit, or Urban or Rural, as applicable).
4. Urban and Rural Set-Asides
- a. Urban Set-Aside: sixty-eight percent (68%) of the sum of Part III A-1, -2 and -3 above after the Non-Profit Set-Aside is deducted is available for allocation to developments in the Urban Set-Aside (see Part VII-A-2-d);
 - b. Rural Set-Aside: thirty-two percent (32%) of the sum of Part III A-1, -2 and -3 above after the Non-Profit Set-Aside is deducted is available for allocation to developments located in the Rural Set-Aside (see Part VII-A-2-e).
- C. THDA reserves the right to revise the amount of Tax Credits available for each Set-Aside based on requirements imposed by Congress or the IRS, and consistent with the intent of the various Set-Asides.**

Part IV: Limits on Amount of Tax Credits Available

A. By County

The maximum amount of Tax Credits that may be allocated to developments in any one **urban** county shall not exceed two million one hundred thousand dollars (**\$2,100,000**). The maximum amount of Tax Credits that may be allocated to developments in any one **rural** county shall not exceed one million dollars (**\$1,000,000**). **Exhibit 1** to this QAP identifies urban and rural counties.

B. By Development

The maximum amount of Tax Credits that may be allocated to a single development shall not exceed seven hundred thousand dollars (**\$700,000**). THDA reserves the right, in its sole discretion, to determine whether Initial Applications received reflect a single development or multiple developments for the purpose of applying this limitation. In making this determination, THDA will consider the physical location of developments; the relationships among owners, developers, management agents, and other development participants; the structure of financing; and any other information which might clarify whether Initial Applications reflect a single development or multiple developments.

C. By Developer or Related Parties

- 1. The maximum amount of Tax Credits that may be allocated to a single applicant, developer, owner, or related parties shall not exceed one million four hundred thousand dollars (**\$1,400,000**). THDA reserves the right, in its sole discretion, to determine whether related parties are involved for the purpose of applying this limitation.
- 2. An applicant, developer, owner, or related party may not submit more than one Initial Application or be involved in more than one development per county with respect to 2002 Tax Credits. THDA reserves the right, in its sole discretion, to determine whether related parties are involved for the purpose of applying this limitation.

D. By Unit

- 1. Per Unit Maximum (4% Tax Credit)

<u>Number of Units</u>	<u>Maximum Tax Credits per Unit</u>
1 – 32	\$3,425
33 – 72	\$3,200
73 or more	\$3,065

2. Per Unit Maximum (9% Tax Credit)

<u>Number of Units</u>	<u>Maximum Tax Credits per Unit</u>
1 – 32	\$7,000
32 – 72	\$6,500
73 or more	\$6,200

3. No development is guaranteed the amount of Tax Credits reflected in 1 and 2 above. THDA will evaluate Initial Applications in accordance with the requirements of this QAP and Section 42 to determine the actual amount of Tax Credits appropriate for a particular development, which amount may be less than, but never more than, the amounts reflected in 1 and 2 above.

E. For Financial Feasibility

Section 42(m)(2) requires that THDA not allocate more Tax Credits than necessary for the financial feasibility of a development and its viability as a qualified low-income housing development. THDA reserves the right, in its sole discretion, to reject Initial Applications for Tax Credits when THDA determines that the proposed development is not financially feasible or does not need Tax Credits. THDA also reserves the right, in its sole discretion, to reserve or allocate an amount of Tax Credits less than the amount requested in an Initial Application, in a Carryover Application or in a Placed in Service Application. THDA’s determination under Section 42(m)(2) shall not be construed to be a representation or warranty by THDA as to the financial feasibility, viability, or lack thereof, of any development.

Tax Credits allocated pursuant to this QAP are not intended to provide the primary or principal source of financing for a development, but are intended to provide financial incentives sufficient to fill “gaps” which would otherwise exist in developing affordable rental housing for low and very-low income households. The maximum obtainable rents supported by the market study will be expected to support reasonable operating expenses and maximum mortgage debt service prior to Tax Credits filling any financial “gaps”. When rents for Tax Credit units in an Initial Application, a Carryover Application or a Placed in Service Application are below the maximum rents supported by the required market study, such rents, reflected as a percentage of maximum rents permitted under Section 42, must be maintained throughout the Compliance Period.

Part V: Limits On Developer and Consultant Fees, and Contractor Profit, Overhead, and General Requirements

A. Limit on Developer Fees and Consultant Fees

1. The combined total of developer and consultant fees (Attachment 15: Development Costs; #10, columns B & C) which may be included in the determination of the amount of Tax Credits for a particular development cannot exceed five percent (5%) of that portion of THDA determined eligible basis attributable to acquisition (before the addition of the developer and consultant fees), and cannot exceed fifteen percent (15%) of that portion of THDA determined eligible basis attributable to new construction or to rehabilitation (before the addition of the developer and consultant fees). Construction Advisory or Construction Supervision fees listed separately from the maximum allowed Contractor Fees will be considered as a Consultant and will be included in Consultant Fees.
2. No points will be awarded under Part VII-B-4 if the Initial Application reflects a combined total of developer and consultant fees in excess of two percent (2%) of the THDA determined eligible basis attributable to the acquisition cost of the development.
3. If the developer and contractor are related persons as defined in Section 42(d)(2)(D)(iii), then the combined total of developer fees, consultant fees, and contractor profit, contractor overhead, and general requirements, which may be included in the determination of the amount of Tax Credits for a particular development, cannot exceed fifteen percent (15%) of THDA determined eligible basis of that portion of the development attributable to acquisition (before the addition of the

fees), and cannot exceed twenty-five percent (25%) of that portion of THDA determined eligible basis attributable to new construction or to rehabilitation (before the addition of the fees).

B. Limit on Contractor Fees, Profit, Overhead and General Requirements

1. The total contractor fees, including contractor profit, contractor overhead and general requirements shall be limited to fourteen percent (14%) of total THDA determined site work costs, plus accessory buildings plus either new building hard costs or rehabilitation hard costs. The structure of this fee is limited to the following:

Contractor profit:	may not exceed six percent (6%)
Contractor overhead:	may not exceed two percent (2%)
Contractor general requirements (including building permits, payment and performance bonds, and tap fees):	may not exceed six percent (6%)
Total Contractor fees	may not exceed fourteen percent (14%)

2. If the developer and contractor are related persons as defined in Section 42(d)(2)(D)(iii), then the combined total for contractor profit, overhead, and general requirements, developer fees and consultant fees which may be included in the determination of the amount of Tax Credits for a particular development, cannot exceed fifteen percent (15%) of THDA determined eligible basis on that portion of the development attributable to acquisition (before the addition of the fees), and cannot exceed twenty-five percent (25%) of that portion of THDA determined eligible basis attributable to new construction or to rehabilitation (before the addition of the fees).

- b. A development which is part of a restructuring pursuant to the Multifamily Assisted Housing Reform and Affordability Act of 1997 under the supervision of the Office of Multifamily Housing Assistance Restructuring is eligible to apply for Tax Credits in an amount which would not produce syndication proceeds in excess of seventeen percent (17%) of rehabilitation costs required under that program.

All other developments will be considered “new” developments.

- b. Initial Applications proposing “incremental” developments will be reviewed, evaluated and scored based solely on the costs, characteristics, and other elements of the development attributable to the housing units added pursuant to the Initial Application submitted for 2002 Tax Credits. None of the costs, characteristics, or other elements attributable to the existing development will be considered, evaluated, or scored. If Tax Credits are allocated to an “incremental” development, the limitations specified in Part IV, and the limitations specified in Part V will apply, based on the cumulative amount of Tax Credits allocated to the entire development for 2002 and the cumulative costs of the development as proposed in 2001 and 2002.
 - c. If there are sufficient qualified Initial Applications for “new” developments and/or “incremental” developments, Initial Applications for “existing” developments will not be reviewed or scored, and the application fee will be returned.

 - e. Developments which received a reservation or allocation of tax credits from the Small Developments Set-Aside cannot add units to the development under any circumstances.
6. Development Participants
- a. All development participants must be identified in Sections 3, 4, and 5 of the Initial Application and on **Attachment 6**, which must be submitted with the Initial Application.

If the copies of Attachments 4A, 4B, or 4C included in the Initial Application do not contain enough pages to fully describe the Ownership Entity identified in Section 3 of the Initial Application, make additional copies of the relevant portions of **Attachments 4A, 4B, or 4C**, as needed, and complete all additional pages until no entities and only individuals are identified. Provide the required information for all entities and individuals at each layer of the organizational structure of the Ownership Entity. **TRACE THE PROPOSED OWNERSHIP ENTITY THROUGH ALL LAYERS OF ITS ORGANIZATIONAL STRUCTURE REGARDLESS OF THE TYPE OF ENTITY AT ANY PARTICULAR LAYER.** Applicants are encouraged, but not required, to submit an organizational chart when the proposed Ownership Entity is complex and contains multiple layers.
 - c. **Attachments 5A, 5B, or 5C** must be fully completed and submitted with the Initial Application for the Developer Entity identified in Section 4 of the Initial Application. If the copies of Attachments 5A, 5B, or 5C included in the Initial Application do not contain enough pages to fully describe the Developer entity identified in Section 5 of the Initial Application, make additional copies of the relevant portions of **Attachments 5A, 5B, or 5C**, as needed, and complete all additional pages until no entities and only individuals are identified.  - d. In the event any entity identified in Attachments 4A, 4B, or 4C, and/or Attachments 5A, 5B, or 5C is a corporation that is publicly traded on a nationally recognized stock exchange or similar entity, the information required in Attachments 4A, 4B, or 4C, and/or Attachments 5A, 5B, or 5C need not be provided for that entity. Complete information must be provided on Attachments 4A, 4B, or 4C, and/or Attachments 5A, 5B, or 5C for all other types of

entities at each layer of the organizational structure until no entities and only individuals are identified. An opinion of counsel in the form of **Attachment 28** must be provided with the Initial Application for this exception to apply.

- e. An **Attachment 22** (Disclosure Form) is required for each individual identified in **Attachments 4A, 4B, and 4C** for the Ownership Entity and for each individual identified in **Attachments 5A, 5B, and 5C** for the Developer Entity. Each Disclosure Form must include responses to each question and must bear the original signature of the individual, in their individual capacity. Provided, however, Attachment 22 is NOT required for individuals who are officers, directors or shareholders of a corporation that is publicly traded on a nationally recognized stock exchange or similar entity which is identified in Attachments 4A, 4B, or 4C, and/or Attachments 5A, 5B, or 5C. An opinion of counsel in the form of **Attachment 28** must be provided with the Initial Application for this exception to apply.

 - (v) **Attachment 22** for any required individual shows that any one of the following is true for that individual:
 - (A) A felony conviction of any type within the last ten (10) years;
 - (B) A fine, suspension or debarment involving financial or housing activities within the last five (5) years imposed by any federal agency;
 - (C) Currently in bankruptcy; or
 - (E) Any suspensions of required state licenses (Tennessee or any other state) within the last ten (10) years.

Part VIII: Initial Application Eligibility and Scoring Review

A. Notice to Applicants

1. THDA will notify each applicant when the eligibility determination and scoring of their Initial Application is complete. All applicants will be so notified on or before May 20, 2002.
2. If THDA determines that an Initial Application meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. Applicants may not submit additional items for the purpose of increasing their scores in a particular scoring category if the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application. The provisions of Part VIII-B do not apply.
3. If THDA determines that an Initial Application does not meet one or more of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is less than the score assigned by the applicant in the Initial Application, THDA will notify the applicant of items that were erroneous, missing, incomplete, or inconsistent. THDA will also notify applicants if THDA determines that (i) any two or more developments proposed in two or more Initial Applications constitute a single development for purposes of applying the development limit specified in Part IV-B or (ii) developers or related parties reflected in two or more Initial Applications constitute a single entity for purposes of applying the developer or related party limitation specified in Part IV-C. This notice to applicants from THDA is referred to herein as the "Cure Notice".
4. **No rankings or scoring summaries with respect to Initial Applications received by THDA will be available until all cure periods have expired and the review process is complete.**

B. Cure Period

1. Applicants receiving a Cure Notice may, in compliance with the requirements of this Part VIII-B, correct erroneous items, supply missing or incomplete items and/or may clarify any inconsistencies related to the specific items identified by THDA during a cure period which shall begin on the date of the Cure Notice and shall end at 4:00 p.m. Central Time, on the date specified in the Cure Notice, which date shall be five (5) business days from the date of the Cure Notice. The Cure Notice shall specify the means and methods by which erroneous items may be corrected, missing items supplied, incomplete items completed and inconsistencies clarified. Applicants may not submit additional items for the purpose of increasing their score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application.
2. If additional documentation to address items specified in the Cure Notice is not submitted in accordance with the requirements contained in the Cure Notice, then the determination as to eligibility and scoring made by THDA is determinative. The review process described in Part VIII-C is not available to applicants who do not submit additional documentation in accordance with the Cure Notice (including, without limitation, the time deadlines specified therein.).
3. The cure provisions of this Part VIII-B **do not apply** to Initial Applications that are not submitted in accordance with the requirements of Part VI-B and -C.
4. THDA will review all documentation submitted in accordance with the Cure Notice for each relevant Initial Application. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. Applicants may not submit additional items for the purpose of increasing their score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application, taking into account documentation submitted in accordance with the Cure Notice. The provisions of Part VIII-C will not apply.
5. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, still does not meet any one of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is still less than the score assigned by the applicant in the Initial Application, THDA will notify the applicant of items that remain erroneous, missing, incomplete, or inconsistent (the "Review Notice"). The Review Notice will specify the time period within which a request for review may be made.

C. Review Process

1. Applicants who receive a Review Notice may submit, **in writing**, a request for review to the Executive Director of THDA. This request for review must be submitted in accordance with the Review Notice. A request for review will not be considered if no documentation was submitted or if documentation was not submitted in accordance with the Cure Notice (including, without limitation, the time deadlines therein). If no written request for review is submitted or if the written request submitted does not meet all requirements of the Review Notice or this QAP, no review will occur and the THDA determination prior to the issuance of the Review Notice will be final.
2. The request for review must identify the eligibility item or scoring category to be reviewed, **the information in the Initial Application OR the documentation submitted during the cure period relevant to the scoring category in question**, and the reason the applicant thinks that the eligibility determination or scoring was in error. The request for review must contain no more than two 8 1/2 X 11 inch pages, with print on one side of each page, typed in 12 point font or larger (or legibly hand written). Requests not meeting this format will not be considered. No additional documentation may be submitted in connection with this request for review. No

information submitted after the expiration of the relevant cure period specified in the Cure Notice for an Initial Application will be considered.

3. The Policy and Programs Committee of the Board of Directors of THDA (the “Policy and Programs Committee”) will meet in special session on June 20, 2002, to evaluate the Initial Application, documentation submitted during the cure period, and THDA staff analysis thereof (the “Review Meeting”). The Policy and Programs Committee will consider whether documentation submitted as a result of the Cure Notice, taking into account the THDA staff analysis, is sufficient to meet the requirements of this QAP or is otherwise consistent with the spirit and intent of this QAP. The Policy and Programs Committee reserves the right to not consider any request for review if the applicant or representatives thereof are not present at the Review Meeting. **Any contact with THDA staff, THDA Executive Director, any member of the Policy and Programs Committee or any member of the THDA Board by any person or entity on behalf of any Initial Application between the date of the Review Notice and the date of the Review Meeting will be grounds for dismissal of the review request.** Applicants or representatives thereof may appear at the Review Meeting. The Policy and Programs Committee reserves the right to not consider a review request if the applicant or a representative are not present at the Review Meeting, in which case, the THDA staff determination stands and is not subject to further review. Notice of the decision of the Policy and Programs Committee will be mailed to the applicant no later than June 28, 2002.
4. If the Policy and Programs Committee determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, meets all of the eligibility requirements of this QAP with a score in each scoring category that is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. Applicants may not submit additional items for the purpose of increasing their score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application, taking into account documentation submitted in accordance with the Cure Notice. Requests for review that were not submitted in accordance with the Review Notice will not be considered. The provisions of Part VIII-C-6, -7, and -8 will not apply.
5. If the Policy and Programs Committee determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, still does not meet one or more of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is still less than the score assigned by the applicant in the Initial Application, THDA will notify the applicant of items that remain erroneous, missing, incomplete, or inconsistent (the “Final Notice”). The Final Notice will specify the time period within which a request for review by the THDA Board of Directors may be made.
6. Applicants who receive a Final Notice may submit, **in writing**, a request to the Executive Director of THDA for review by the THDA Board of Directors. No additional documentation or information may be submitted in response to a Final Notice. This request for review must meet all of the requirements of the Final Notice and this QAP. If no written request for review is submitted or if the request for review does not meet all of the requirements of the Final Notice and this QAP, no review will occur and the THDA determination prior to the issuance of the Final Notice will be final. A request for review will not be considered if documentation was not submitted during the cure period described in Part VIII-B above or if a request for review by the Policy and Programs Committee was not made. **Any contact with THDA staff, THDA Executive Director, any member of the Policy and Programs Committee or any member of the THDA Board by any person or entity on behalf of any Initial Application between the date of the Final Notice and the date of the THDA Board Meeting specified below will be grounds for dismissal of the review request.**
7. The THDA Board of Directors is authorized, but is not required, to consider any such request for review. Whether requests for review will be heard and disposition of such requests, if any, by the THDA Board of Directors will take place on July 18, 2002, at the regularly scheduled meeting of the THDA Board of Directors. Applicants or representatives thereof may appear at

the July 18, 2002 meeting of the THDA Board of Directors. The THDA Board of Directors reserves the right to not consider any request for review if the applicant or representatives thereof are not present at the July 18, 2002 meeting of the THDA Board of Directors.

8. If the THDA Board of Directors elects to consider a request for review, the final score for the Initial Application will be determined after the THDA Board of Directors takes action. If the THDA Board of Directors elects not to consider the request for review, or elects not to take action, the final score for the Initial Application is the score as determined following the action of the Policy and Programs Committee as specified in Part VIII-C-3 above.

D. Final scoring and ranking of Initial Applications

After the completion of the cure period and completion of the review process set forth above, the final score for each Initial Application will be determined. Each Initial Application will be listed in order of score and such rankings will be made available to all applicants. This ranking is not confirmation of a reservation of Tax Credits. Reservations will not be made until all set-asides have been applied and all limits have been applied.

E. Application of Various Limits/Final Ranking

Following the final scoring of each Initial Application, THDA will reserve the available amount of Tax Credits in the Non-Profit Set-Aside, in the Public Housing Authority Set-Aside, in the Small Developments Set-Aside, in the Rural Set-Aside, and in the Urban Set-Aside, based on the final scores assigned to each Initial Application and the amount of Tax Credits determined by THDA to be appropriate, according to the following procedures and provisions:

1. Non-Profit Set-Aside:
 - a. Based on the final scoring of Initial Applications, THDA will list, in ranking order, all developments qualifying in the Non-Profit Set-Aside, and will reserve Tax Credits beginning with the highest ranking Initial Application in the initial Non-Profit Set-Aside and will proceed down the ranking until the point is reached where the last complete reservation can be made. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-5-c-(ii).** (The limitations specified in Part IV will apply.) If there are not enough Tax Credits remaining in the initial Non-Profit Set-Aside to reserve the full amount requested for the next Non-Profit Initial Application in line, the difference between the balance remaining in the initial Non-Profit Set-Aside and the amount needed to make a full reservation will be drawn from the Rural and Urban Set-Asides in amounts proportional to the Urban and Rural Set-Aside amounts.
 - b. After the initial Non-Profit Set-Aside is completely reserved, other qualified Non-Profit applicants who did not receive a reservation will be included and considered, along with other applicants, the Public Housing Authority Set-Aside, the Small Developments Set-Aside, the Urban Set-Aside, or the Rural Set-Aside, whichever is applicable.
 - c. **Tax Credits remaining in the initial Non-Profit Set-Aside after all of these steps will not be reserved for other Initial Applications.**
2. Public Housing Authority Set-Aside:
 - a. For Initial Applications in the Public Housing Set-Aside, THDA will list, in ranking order, qualified Initial Applications and will make reservations beginning with the highest ranking Initial Application and will proceed down the ranking until the point is reached when the last complete reservation has been made from the Set-Aside amount. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-5-c-(ii).** (The limitations specified in Part IV will apply.) Reservations made to Initial Applications pursuant to this subsection will be deducted from the Rural and Urban Set-Asides, as appropriate, based on the county in which the development is located.
 - b. After the Public Housing Set-Aside is completely reserved, other qualified applicants for developments qualifying in Public Housing Set-Aside which have not received a reservation

will be included and considered, along with other applicants, for either the Urban Set-Aside or the Rural Set-Aside, as applicable.

- c. The limitations by specified in Part IV-B and -D will apply. Reservations made to Initial Applications pursuant to this subsection will be deducted from the Rural and Urban Set-Asides, as appropriate, based on the county in which the development is located.
3. Small Developments Set-Aside:
 - a. If there are Initial Applications remaining for the Small Developments Set-Aside, THDA will list, in ranking order, qualified Initial Applications and will make reservations beginning with the highest ranking Initial Application and will proceed down the ranking until the point is reached when the last complete reservation has been made from the Set-Aside amount. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-5-c-(ii).** (The limitations specified in Part IV will apply.) Reservations made to Initial Applications pursuant to this subsection will be deducted from the Rural and Urban Set-Asides, as appropriate, based on the county in which the development is located.
 - b. After the Small Developments Set-Aside is completely reserved, other qualified applicants for developments qualifying as Small Developments which have not received a reservation will be included and considered, along with other applicants, for either the Urban Set-Aside or the Rural Set-Aside, as applicable.
 4. Rural and Urban Set-Asides:

THDA will then list remaining qualified Initial Applications, in ranking order, in the Rural and Urban Set-Asides and will make reservations to qualified Initial Applications beginning with the highest ranking Initial Application in each Set-Aside and will proceed down the rankings in each Set-Aside category until the point is reached where the last complete reservation in each Set-Aside category has been made. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-5-c-(ii).** (The limitations specified in Part IV will apply.)
 5. Combining Remaining Tax Credits and Remaining Applications:
 - a. Any Tax Credits remaining in the Rural Set-Aside and the Urban Set-Aside after steps 1 through 4 above are complete will be combined with any other Tax Credits that are unallocated for any reason (from Part III-A above).
 - b. All remaining qualified Initial Applications will then be listed, in ranking order, in two final lists: Non-Profit and Other. **Throughout the remainder of the reservations, THDA will ensure that at least ten percent (10%) of Tax Credits have been reserved to Non-Profit Initial Applications, even if a lower ranking Non-Profit Initial Application must be reserved Tax Credits before a higher-ranking Other Initial Applications.** THDA will reserve any remaining Tax Credits to the remaining Initial Applications beginning with the highest ranking Initial Application, subject to the priority for Non-Profit Initial Applications and the Set-Asides described in this QAP, and continuing down the lists until the last complete reservation is made. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-5-c-(ii).** (The limitations specified in Part IV will apply.)
 - c. (i) If the steps above leave THDA with insufficient Tax Credits to make a complete reservation to the next highest ranking Initial Application, THDA will hold the Tax Credits remaining until enough Tax Credits have been recaptured or returned for a complete reservation to be made. THDA will then make a complete reservation to the next highest ranking Initial Application (The limitations specified in Part IV will apply.)
 - (ii) If the Tax Credits remaining are likely to exceed one percent (1%) of the total Tax Credits available for reservation, thereby eliminating THDA from applying for Tax Credits from the National Pool in a subsequent year, then any remaining Tax Credits shall be offered as a partial reservation to the next highest ranking applicant, pursuant to this section, until the Tax Credits are accepted. (The limitations in Part IV will apply.) Acceptance of a partial reservation according to this provision would not classify a

development as an “existing” application in subsequent years, but any limitation on Tax Credits per development in subsequent years would apply to any such partial reservation.

6. Tax Credits remaining in the Non-Profit Set-Aside after all qualified Non-Profit Initial Applications have received reservations of Tax Credits, can not be reserved to other Initial Applications.

7. Tie Breaker

In the event there is a tie between two or more Initial Applications at the cutoff for receipt of a Tax Credit reservation, the Initial Application requesting the least Tax Credits per unit will be given priority. If this first tie breaker still results in a tie, the Executive Director of THDA and the Chair of THDA, or his designee, will, in their sole discretion, determine which Initial Application will be given priority.

Part IX: Reservation of Tax Credits

A. Reservation Notice

THDA will notify, in writing, each successful applicant of an initial reservation of Tax Credits (the “Reservation Notice”). In determining the initial amount of Tax Credits to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application, as determined by THDA to be reasonable. **The final amount of Tax Credits allocated to each successful applicant may be different from the amount requested in the Initial Application, the amount specified in the Reservation Notice or the amount reflected in a Carryover Allocation.** Allocations will be determined in connection with a Carryover Allocation and in connection with an evaluation at the time the development is placed in service, in accordance with Section 42(m)(2) and this QAP.

B. Submission of Additional Information and Documentation

The Reservation Notice will specify what additional information and documentation is required and will specify a date by which such information and documentation must be submitted to THDA. At a minimum, the applicant will be required to provide the following information and documentation by the date(s) specified in the Reservation Notice:

1. Firm commitment letters for construction financing, permanent financing, and competitive state or Federal loans or grants (i.e.: AD-622 for USDA/RD [formerly FmHA]), in a form and with substance acceptable to THDA;
2. Most recent utility allowance documents (from USDA/RD [formerly FmHA], HUD, local PHA, or utility company) demonstrating the basis for calculations of utility costs for the size and type of units proposed;
3. Evidence from each service provider that all necessary utilities (i.e.: electricity, gas (if proposed development utilizes gas), sewer, and water) are available at the site;
4. Evidence from the appropriate municipal authority demonstrating that current zoning permits the development as proposed (as new construction, acquisition and rehabilitation, or rehabilitation only);
5. Detailed information about the syndication transaction;
6. For Initial Applications receiving points under Part VII-B-2-b, -c, or -d, and/or Part VII-B-5-a, -b, -c, or -d, certification from the design architect or construction contractor, as applicable;

 8. All resident facilities included in the eligible basis under Section 42(d) of any building in the development, such as a swimming pool, other recreational facilities, and parking areas, are provided on a comparable basis without charge to all residents of the development;

We will review at least 20% of the prior year’s tenant files for adherence to Section 42 occupancy and rent restrictions. We will conduct physical inspections of 20% of the units at every development to evaluate the suitability of the development for occupancy, taking into account local, health, safety, and building codes (or other habitability standards).
- C. As a part of the site inspection, a review will be conducted of the owner’s marketing efforts to attract special needs populations and Section 8 applicants as outlined in the extended low-income housing commitment.
- D. Developments which may be, but are not required to be, exempt from annual on-site file reviews and physical inspections are those developments financed by the USDA/RD Section 515 loan program.

An extension of up to 90 days may be requested in writing and may be granted by THDA if it is determined that there are extreme circumstances beyond the control of the owner.
- G. THDA will notify the Internal Revenue Service of an owner's noncompliance or failure to certify compliance no later than 45 days after the end of the time allowed for correction, whether or not the noncompliance or failure to certify compliance is corrected. THDA will notify the Internal Revenue Service by filing form 8823 Low-Income Housing Credit Agencies Report of Noncompliance.
- H. THDA has the right to inspect any low-income development during the compliance period including but not limited to on-site inspections and review of all records relating to compliance with Section 42 requirements. THDA may require copies of the tenant certifications and supporting documentation to be forwarded to THDA.
- I. Awareness of Section 42 provisions and compliance with requirements of Section 42 are the responsibility of the owner of the building for which the Tax Credits are allocated. THDA's monitoring of compliance with Section 42 does not make THDA or the State of Tennessee liable for an owner's noncompliance.
- J. THDA shall be entitled to amend the compliance monitoring provisions of this QAP and its Tax Credit Program as required by applicable federal statutes or regulations as amended, from time-to-time. Such amendment is expressly permitted by this QAP, and the making of such amendment will not require further public hearings. THDA, in accordance with Section 42, may impose additional requirements at its discretion in order to fulfill the objectives of its housing initiatives.
- K. Owners or their representatives are required to attend Owner's compliance training sessions provided by THDA within the 12 months prior to a development being placed in service. THDA may, under extraordinary circumstances, waive this requirement or extend the deadline, but will not issue the final allocating document (IRS form 8609) until such training has been completed.
- L. Owners or their management staff may be required to attend Manager's compliance training sessions provided by THDA after the final allocation and during the compliance period if it is determined that noncompliance exists which could be corrected by a better understanding of the requirements.
