TENNESSEE HOUSING DEVELOPMENT AGENCY

Low-Income Housing Tax Credit

2013 QAP

TENNESSEE HOUSING DEVELOPMENT AGENCY
LOW-INCOME HOUSING TAX CREDIT
QUALIFIED ALLOCATION PLAN
2013

Part I: Introduction

The Tennessee Housing Development Agency (“THDA”) administers the Low-Income Housing Tax Credit program in Tennessee. The Low-Income Housing Tax Credit program was created by the Tax Reform Act of 1986 under Section 42 of the Internal Revenue Code of 1986, as amended (“Section 42”), to encourage the construction and rehabilitation of rental housing for low-income individuals and families. Under Section 42(m), THDA is required to develop a Qualified Allocation Plan (“QAP”) to define the process by which it will allocate an annual amount of Low-Income Housing Tax Credits (“Tax Credits”) in Tennessee.

This document is the QAP required by Section 42. This QAP incorporates all requirements of Section 42 unless more stringent requirements, as permitted under Section 42, are included. A public hearing was held to solicit comments. “**Exhibits**” are documents which accompany this QAP and which provide additional information. “**Attachments**” are forms or documents which must be submitted as part of the Initial Application. Exhibits, the Initial Application Form, and Attachments are all considered part of the QAP. The QAP has been approved by the THDA Board of Directors and adopted by the Governor of Tennessee.

Part II: Goals and Objectives

The goal of this QAP is to use the Tax Credits allocated to Tennessee for 2013 to the fullest extent possible to create, maintain, and preserve affordable rental housing for low-income households. Tax Credits are not intended to provide the primary or principal source of financing for a development, but are intended to provide financial incentives sufficient to fill “gaps” which would otherwise exist in developing affordable rental housing for low income households. Specific objectives of this QAP are to:

1. Make rental units affordable to households with as low an income as possible and for the longest time period possible;
2. Encourage the construction or rehabilitation of rental units in the areas of Tennessee with the greatest need for affordable housing;
3. Encourage development of appropriate housing units for persons with special needs, including the elderly and persons who are homeless or have disabilities;
4. Discourage allocation of Tax Credits to developments for which Tax Credits are not necessary to create, improve, or preserve rental housing for low-income persons;
5. Allocate only the minimum amount of Tax Credits necessary to make a development financially feasible and to ensure its viability as a qualified low-income development throughout the credit period;
6. Encourage Non-Profit entities to develop rental housing for low-income households;
7. Encourage energy efficient construction and rehabilitation;
8. Encourage fair distribution of Tax Credits among counties and developers or related parties;
9. Improve distribution among developments of varying sizes to ensure that developments with a smaller number of housing units receive fair consideration; and
10. Allocate Tax Credits fairly.

Part III: Tax Credits Available

A. Total Tax Credits

The total amount of Tax Credits available for allocation in Tennessee for 2013 is the total of the following:

1. \$2.20, plus or minus any cost of living adjustment specified in Section 42(h)(3)(H), multiplied by Tennessee's population;
2. Any unallocated credits from previous year;
3. Any returned credit from previous years; and
4. Any amount allocated to Tennessee by the IRS from the National Pool.

For purposes of calculating the initial Non-Profit Set-Aside and Special Housing Needs Set-Asides, the amount against which the percentages will be applied will be the sum of items 1, 2, and 3 above.

B. Set-Asides

1. Non-Profit Set-Aside
 - a. Qualified Non-Profit applicants (as specified in Part VII-A-2-a of this QAP) will be considered for an allocation of Tax Credits from the Non-Profit Set-Aside.

 - c. **THDA reserves the right to make additional allocations of Tax Credits to qualified Non-Profit applicants as needed to meet the requirements of Section 42(h)(5).**
2. Public Housing Authority Set-Aside

5. Qualified Census Tract and Contributing to a Community Revitalization Plan Set-Aside (the "QCT and CRP Set-Aside")
 - a. Up to ten percent (10%) of the sum of Part III-A-1, -2, and -3 will be set aside for developments located in a Qualified Census Tract and contributing to/covered by a Community Revitalization Plan (as specified in Part VII-A-2-e).

Part IV: Limits on Amount of Tax Credits Available

A. By County

The maximum amount of Tax Credits that may be allocated to developments in any one **urban** county shall not exceed three million three hundred thousand dollars (**\$3,300,000**). The maximum amount of Tax Credits that may be allocated to developments in any one **rural** county shall not exceed one million six hundred and fifty thousand dollars (**\$1,650,000**). **Exhibit 1** to this QAP identifies urban and rural counties.

B. By Development

The maximum amount of Tax Credits that may be allocated to a single development shall not exceed one million one hundred thousand dollars (**\$1,100,000**). THDA reserves the right, in its sole discretion, to determine whether Initial Applications received reflect a single development or multiple developments for the purpose of applying this limitation. In making this determination, THDA will consider the physical location of developments; the relationships among owners, developers, management agents, and other development participants; the structure of financing; and any other information which might clarify whether Initial Applications reflect a single development or multiple developments.

C. By Developer or Related Parties

1. The maximum amount of Tax Credits that may be allocated to a single applicant, developer, owner, or related parties shall not exceed two million two hundred thousand dollars (**\$2,200,000**). THDA reserves the right, in its sole discretion, to determine whether related parties are involved for the purpose of applying this limitation.
2. An applicant, developer, owner, or related party may not submit more than one Initial Application or be involved in more than one development per county with respect to 2013 Tax Credits. THDA reserves the right, in its sole discretion, to determine whether related parties are involved for the purpose of applying this limitation.
3. The following list includes, without limitation, related parties, however, THDA reserves the right to determine, in its sole discretion, that other related parties are involved for the purpose of applying this limitation:
 - a. Any person or entity who has a right to (i) replace the developer, (ii) act as co-developer, (iii) replace any individuals or entities who comprise a developer or co-developer, or (iv) otherwise direct the activities of the developer will be considered a developer for purposes of applying this limit.
 - b. Any person or entity who has a right to (i) replace the general partner of the owner or applicant, (ii) act as co-general partner of the owner or applicant, (iii) replace any individuals or entities who comprise a general partner or co-general partner of the owner or applicant, or (iv) otherwise direct the activities of the general partner of the owner or applicant will be considered an owner or applicant, as the case may be, for purposes of applying this limit.

replace any individuals or entities who comprise a managing member or co-managing member of the owner or applicant, or (iv) otherwise direct the activities of the managing member of the owner or applicant will be considered an owner or applicant, as the case may be, for purposes of applying this limit.

- e. Any person who is a signatory or guarantor of construction financing documents, permanent financing documents, and/or equity syndication documents.
- f. This limit will also apply to any person or entity that is related to any person or entity specified above.

D. Other Limits

1. No more than fifty percent (50%) of the of the total amount of Tax Credits available for allocation in Tennessee for 2013 will be allocated to developments located completely and wholly within a Qualified Census Tract.
2. No more than forty percent (40%) of the total amount of Tax Credits available for allocation in Tennessee for 2013 will be allocated to developments involving preservation or rehabilitation.

E. For Financial Feasibility

Section 42(m)(2) requires that THDA not allocate more Tax Credits than necessary for the financial feasibility of a development and its viability as a qualified low-income housing development. THDA reserves the right, in its sole discretion, to reject Initial Applications for Tax Credits when THDA determines that the proposed development is not financially feasible or does not need Tax Credits. THDA also reserves the right, in its sole discretion, to reserve or allocate an amount of Tax Credits less than the amount requested in an Initial Application, in a Carryover Allocation Application or in a Placed in Service Application. THDA's determination under Section 42(m)(2) shall not be construed to be a representation or warranty by THDA as to the financial feasibility, viability, or lack thereof, of any development.

Tax Credits allocated pursuant to this QAP are not intended to provide the primary or principal source of financing for a development, but are intended to provide financial incentives sufficient to fill "gaps" which would otherwise exist in developing affordable rental housing for low and very-low income households. The maximum obtainable rents supported by the market study will be expected to support reasonable operating expenses and maximum mortgage debt service prior to Tax Credits filling any financial "gaps". When rents for Tax Credit units in an Initial Application, a Carryover Allocation Application or a Placed in Service Application are below the maximum rents supported by the required market study, such rents, reflected as a percentage of maximum rents permitted under Section 42, must be maintained throughout the Compliance Period.

3. THDA will determine, in its sole discretion, whether other fees will be considered consultant or developer fees for purposes of applying this limitation.

B. Limit on Contractor Fees, Profit, Overhead and General Requirements

1. The total contractor fees, including contractor profit, contractor overhead and general requirements shall be limited to fourteen percent (14%) of total THDA determined site work costs, plus accessory buildings plus either new building hard costs or rehabilitation hard costs. Part VIII: Initial Application Eligibility and Scoring Review

A. Notice to Applicants

1. THDA will notify each applicant when the eligibility determination and scoring of their Initial Application is complete. All applicants will be so notified on or before April 12, 2013. THDA will send this notice to the contact person identified and the address specified in the Initial Application. Failure to receive any notice specified in this Part VIII will not extend deadlines or modify requirements in this Part VIII. All applicants shall immediately notify THDA, in writing, of changes in the name and/or address of the contact person specified in the Initial Application. Such notification by the applicant will not be deemed to be an amendment to the Initial Application.
2. If THDA determines that an Initial Application meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. Applicants may not submit additional items for the purpose of increasing the scores in a particular scoring category if the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application. The provisions of Part VIII-B do not apply.
3. If THDA determines that an Initial Application does not meet one or more of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is less than the score assigned by the applicant in the Initial Application, THDA will so notify the applicant. THDA will also notify applicants if THDA determines that (i) any two or more developments proposed in two or more Initial Applications constitute a single development for purposes of applying the development limit specified in Part IV-B or (ii) developers or related parties reflected in two or more Initial Applications constitute a single entity for purposes of applying the developer or related party limitation specified in Part IV-C. This notice to applicants from THDA is referred to herein as the "Cure Notice".

4. **No rankings or scoring summaries with respect to Initial Applications received by THDA will be available until all cure periods have expired and the review process is complete.**

B. Cure Period

1. Applicants receiving a Cure Notice may, in compliance with the requirements of this Part VIII-B, correct erroneous items, supply missing or incomplete items and/or may clarify any inconsistencies related to the specific items identified by THDA during a cure period which shall begin on the date of the Cure Notice and shall end at 4:00 PM Central Time, on the date specified in the Cure Notice, which date shall be five (5) business days from the date of the Cure Notice. The Cure Notice shall specify the means and methods by which erroneous items may be corrected, missing items supplied, incomplete items completed and inconsistencies clarified. Applicants may not submit additional items for the purpose of increasing the score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application.
2. If additional documentation to address items specified in the Cure Notice is not submitted in accordance with the requirements contained in the Cure Notice, then the determination as to eligibility and scoring made by THDA is determinative. The review process described in Part VIII-C is not available to applicants who do not submit additional documentation in accordance with the Cure Notice (including, without limitation, the time deadlines specified therein.).
3. The cure provisions of this Part VIII-B **do not apply** to Initial Applications that are not submitted in accordance with the requirements of Part VI.
4. THDA will review all documentation submitted in accordance with the Cure Notice for each relevant Initial Application. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. Applicants may not submit additional items for the purpose of increasing the score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application, taking into account documentation submitted in accordance with the Cure Notice. The provisions of Part VIII-C will not apply.
5. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, still does not meet any one of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is still less than the score assigned by the applicant in the Initial Application, THDA will notify the applicant of the determination (the "Review Notice"). The Review Notice will specify the time period within which a request for review may be made.

C. Review Process

1. Applicants who receive a Review Notice may submit, **in writing**, a request for review to the THDA Executive Director. This request for review must be submitted in accordance with the Review Notice. A request for review will not be considered if no documentation was submitted or if documentation was not submitted in accordance with the Cure Notice (including, without limitation, the time deadlines therein). If no written request for review is submitted or if the written request submitted does not meet all requirements of the Review Notice or this QAP, no review will occur and the THDA determination prior to the issuance of the Review Notice will be final.

2. The request for review must identify the eligibility item or scoring category to be reviewed, **the information in the Initial Application OR the documentation submitted during the cure period relevant to the eligibility item or scoring category in question**, and the reason the applicant thinks that the eligibility determination or scoring was in error. The request for review must contain no more than two 8 1/2 X 11 inch pages, with print on one side of each page, typed in 12 point font or larger (or legibly hand written). Requests not meeting this format will not be considered.
3. No additional documentation may be submitted in connection with this request for review. No information submitted after the expiration of the relevant cure period specified in the Cure Notice for an Initial Application will be considered. Applicants may not submit additional items for the purpose of increasing the score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application, taking into account documentation submitted in accordance with the Cure Notice. Requests for review that were not submitted in accordance with the Review Notice will not be considered. The provisions of Part VIII-C-4, -5, and -6 will not apply.
4. The Tax Credit Committee of the Board of Directors of THDA (the "Tax Credit Committee") will meet in regular or special session in May, 2013, to evaluate the Initial Application, documentation submitted during the cure period, the Review Notice, the request for review and THDA staff analysis thereof (the "Review Meeting"). The Tax Credit Committee will consider only documentation submitted in compliance with this Part VIII, regardless of whether the applicant or a representative thereof are present at the Review Meeting. The Tax Credit Committee will consider whether documentation submitted as a result of the Cure Notice, taking into account the THDA staff analysis, is sufficient to meet the requirements of this QAP or is otherwise consistent with the spirit and intent of this QAP. **Any contact with THDA Executive Director, any member of the Tax Credit Committee or any member of the THDA Board by any person or entity on behalf of any Initial Application between the date of the Review Notice and the date of the Review Meeting will be grounds for dismissal of the review request.**
5. Applicants or representatives thereof may contact THDA Multifamily Development staff regarding procedural matters only between the date of the Review Notice and the date of the Review Meeting, which contact, if limited as specified herein, will not constitute grounds for dismissal of a review request. Applicants or representatives thereof may, but are not required, to appear at the Review Meeting. Notice of the decision of the Tax Credit Committee will be provided to the applicant.
6. The final score for all Initial Applications will be determined after the Tax Credit Committee meets. By adoption of this QAP, the THDA Board of Directors specifically delegates full authority to the Tax Credit Committee to make the determinations specified in this Part VIII-C. The THDA Board of Directors will not consider requests to review decisions of the Tax Credit Committee. All decisions of the Tax Credit Committee are final. No matters with respect to eligibility under Part VII-A or with respect to scoring under Part VII-B will be considered after the date of the Review Meeting.

D. Final Scoring and Ranking of Initial Applications

After the completion of the cure period and completion of the review process set forth above, the final score for each Initial Application will be determined. Each Initial Application will be listed in order of score and such rankings will be made available to all applicants. This ranking is not confirmation of a reservation of Tax Credits. Reservations will not be made until all set-asides have been applied and all limits have been applied.

E. Application of Various Limits/Final Ranking

Following the final scoring of each Initial Application, THDA will reserve the available amount of Tax Credits in the Non-Profit Set-Aside, in the Preservation Set-Aside, in the Special Housing needs Set-Aside, in the QCT and CRP Set-Aside, and in the Public Housing Authority Set-Aside, based on the final scores assigned to each Initial Application and the amount of Tax Credits determined by THDA to be appropriate, according to the following procedures and provisions:

1. Non-Profit Set-Aside:
 - a. Based on the final scoring of Initial Applications, THDA will list, in ranking order, all developments qualifying for the Non-Profit Set-Aside, and will reserve Tax Credits beginning with the highest ranking Initial Application in the initial Non-Profit Set-Aside and will proceed down the ranking until the point is reached where the last complete reservation can be made. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-6-c-(ii).** (The limitations specified in Part IV will apply.) If there are not enough Tax Credits remaining in the initial Non-Profit Set-Aside to reserve the full amount requested for the next Non-Profit Initial Application in line, the difference between the balance remaining in the initial Non-Profit Set-Aside and the amount needed to make a full reservation will be added to the Non-Profit Set-Aside.
 - b. After the initial Non-Profit Set-Aside is completely reserved, other qualified Non-Profit applications that did not receive a reservation will be included and considered, along with other applications, in the Public Housing Authority Set-Aside, Preservation Set-Aside, the Special Housing Needs Set-Aside, the QCT and CRP Set-Aside, and the general pool, as applicable.
2. Public Housing Authority Set-Aside:
 - a. For Initial Applications in the Public Housing Authority Set-Aside, THDA will list, in ranking order, with priority given to qualified Initial Applications utilizing HOPE VI funds, qualified Initial Applications, and will make reservations beginning with the highest ranking Initial Application and will proceed down the ranking until the point is reached where the last complete reservation has been made from the Set-Aside amount. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-6-c-(ii).** (The limitations specified in Part IV will apply.)
 - b. After the Public Housing Set-Aside is completely reserved, other qualified public housing authority applications that have not received a reservation will be included and considered, along with other applications, in the Preservation Set-Aside, the Special Housing Needs Set-Aside, the QCT and CRP Set-Aside, and the general pool, as applicable.
3. Preservation Set-Aside
 - a. For Initial Applications in the Preservation Set-Aside, THDA will list, in ranking order, qualified Initial Applications and will make reservations beginning with the highest ranking Initial Application and will proceed down the ranking until the point is reached where the last complete reservation has been made from the Set-Aside amount. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-6-c-(ii).** (The limitations specified in Part IV will apply.)
 - b. After the Preservation Set-Aside is completely reserved, other qualified preservation applications that have not received a reservation will be included and considered, along with other applications, in the Special Housing Needs Set-Aside, the QCT and CRP Set-Aside, and the general pool, as applicable.

4. Special Housing Needs Set-Aside

- a. For Initial Applications in the Special Housing Needs Set-Aside, THDA will list, in ranking order, qualified Initial Applications and will make reservations beginning with the highest ranking Initial Application and will proceed down the ranking until the point is reached where the last complete reservation has been made from the Set-Aside amount. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-6-c-(ii).** (The limitations specified in Part IV will apply.)
- b. After the Special Housing Needs Set-Aside is completely reserved, other qualified special housing needs applications that have not received a reservation will be included and considered, along with other applications, in the QCT and CRP Set-Aside and the general pool, as applicable.

5. QCT and CRP Set-Aside

- a. For Initial Applications in the QCT and CRP Set-Aside, THDA will list, in ranking order, qualified Initial Applications and will make reservations beginning with the highest ranking Initial Application and will proceed down the ranking until the point is reached where the last complete reservation has been made from the Set-Aside amount. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-6-c-(ii).** (The limitations specified in Part IV will apply.)
- b. After the QCT and CRP Set-Aside is completely reserved, other qualified applications for QCT and CRP developments that have not received a reservation will be included and considered, along with other applications, in the general pool, as applicable.

6. General Pool

- a. Any Tax Credits remaining after steps 1 through 5 above are complete will be combined with any other Tax Credits that are unallocated for any reason (from Part III-A above).
- b. Throughout the remainder of the reservations, THDA will ensure that at least ten percent (10%) of the total amount of Tax Credits available for allocation in Tennessee for 2013 have been reserved to Initial Applications that are qualified for the Non-Profit Set-Aside, even if a lower ranking Initial Application qualified for the Non-Profit Set-Aside must be reserved Tax Credits before a higher-ranking Initial Application that is not qualified for the Non-Profit Set-Aside. THDA will reserve any remaining Tax Credits to the remaining qualified Initial Applications beginning with the highest ranking Initial Application, subject to the priority for Non-Profit Initial Applications, and continuing down the list until the last complete reservation is made. **No partial reservations of Tax Credits will be made, except pursuant to Part VIII-E-6-c-(ii).** (The limitations specified in Part IV will apply.)
- c.
 - (i) If the steps above leave THDA with insufficient Tax Credits to make a complete reservation to the next highest ranking Initial Application, THDA will hold the Tax Credits remaining until enough Tax Credits have been recaptured or returned for a complete reservation to be made to the next highest ranking Initial Application, taking into account all applicable caps and limits. THDA will then make a complete reservation to the next highest ranking Initial Application (The limitations specified in Part IV will apply.)
 - (ii) If the Tax Credits remaining are likely to exceed one percent (1%) of the total Tax Credits available for reservation, thereby eliminating THDA from applying for Tax Credits from the National Pool in a subsequent year, then any remaining Tax Credits may be offered as a partial reservation to the next

highest ranking Initial Application, taking into account all applicable caps and limits, until the Tax Credits are accepted. (The limitations in Part IV will apply.) Acceptance of a partial reservation according to this provision would not classify a development as an “existing” application in subsequent years, but any limitation on Tax Credits per development in subsequent years would apply to any such partial reservation.

7. **Tax Credits remaining in the Non-Profit Set-Aside after all qualified Non-Profit Initial Applications have received reservations of Tax Credits cannot be reserved to other Initial Applications.**
8. Tie Breaker

In the event there is a tie between two or more Initial Applications at the cutoff for receipt of a Tax Credit reservation, the Initial Application requesting the least Tax Credits per low-income unit will be given priority. If this first tie breaker still results in a tie, the THDA Executive Director and the THDA Board Chair, will, in their sole discretion, determine which Initial Application will be given priority. This determination is not appealable to the THDA Board or the Tax Credit Committee of the THDA Board.

Part IX: Reservation of Tax Credits

A. Preliminary Award Letter

THDA will notify, in writing, each successful applicant of an initial reservation of Tax Credits (the “Preliminary Award Letter”). In determining the initial amount of Tax Credits to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application, as determined by THDA to be reasonable, in THDA’s sole discretion. **The final amount of Tax Credits allocated to each successful applicant may be less than, but will not be more than, the amount requested in the Initial Application, the amount specified in the Preliminary Award Letter or the amount reflected in a Carryover Allocation Agreement.** Allocations will be determined in connection with a Carryover Allocation Application and in connection with an evaluation at the time the development is placed in service, in accordance with Section 42(m)(2) and this QAP.

B. Status Reports

All developments with a Preliminary Award Letter shall provide status reports outlining progress toward completion by dates, in a form and with substance as specified by THDA in the Preliminary Award Letter. Information requested will be development specific and may include such items as construction progress.

C. Recapture of Tax Credits During Reservation Period

1. THDA will cancel a Preliminary Award Letter for failure to fully satisfy conditions imposed in connection with the Preliminary Award Letter and for failure to provide satisfactory information or documentation required by the Preliminary Award Letter by the deadlines specified in the Preliminary Award Letter. This means that the Tax Credits referred to in the Preliminary Award Letter are not available for the development specified in the Preliminary Award Letter and will be made available to other qualified developments. Deadlines specified in the Preliminary Award Letter are the dates upon which Tax Credits are deemed recaptured by THDA unless the conditions related to each deadline have been met on or before such deadline or unless an extension has been granted under Part XIV-C.

2. Tax credits made available through a Preliminary Award Letter may be voluntarily returned. Any such return means Tax Credits are not available for the development referenced in the Preliminary Award Letter.
3. Any Tax Credits recaptured either by cancellation of a Preliminary Award Letter under Part IX-D-1 above or by voluntary return under Part IX-D-2 above will be reserved to the fullest extent practical to other qualified Initial Applications for Tax Credits as provided in this QAP.

Part X: Carryover Allocation

A. Qualifying for a Carryover Allocation

A development with a Preliminary Award Letter but which will not be placed in service by December 31, 2013, may be eligible for a Carryover Allocation. In order to qualify for a Carryover Allocation, the ownership entity identified in the Initial Application must have ownership of the property identified in the Initial Application on or before November 17, 2014, and must have spent a minimum of ten percent (10%) of the reasonably expected basis in the development on or before November 17, 2014.

B. Submission of Additional Information and Documentation

The Carryover Allocation Application will specify what additional information and documentation is required and will specify a date by which such information and documentation must be submitted to THDA.

At a minimum, the applicant will be required to provide the following information and documentation, which information and documentation shall be in a form and with substance acceptable to THDA, in THDA's sole discretion, **by the date(s) specified in the Carryover Allocation Application:**

1. Firm commitment letters for construction financing and competitive state or Federal loans or grants (i.e.: AD-622 for USDA/RD [formerly FmHA]), executed as specified in the letter and otherwise in a form and with substance acceptable to THDA;
2. Most recent utility allowance documents (from USDA/RD [formerly FmHA], HUD, local PHA, or utility company) demonstrating the basis for calculations of utility costs for the size and type of units proposed;
3. Written documentation from each service provider that all necessary utilities (i.e.: electricity, gas (if proposed development utilizes gas), sewer, and water) are available at the site;
4. Written documentation from the appropriate local governmental authority demonstrating that current zoning and other local land use regulations permit the development as proposed or that no such regulations currently apply to the proposed development (as new construction, acquisition and rehabilitation, or rehabilitation only);
5. Detailed information about the syndication transaction including, without limitation, a firm commitment letter from the purchaser of the tax credits executed as specified in the Carryover Allocation Application;
6. For Initial Applications subject to Part VII-A-2-d; Part VII-A-4-a(ii), Part VII-A-4-a(vi), Part VII-A-4-a(vii), Part VII-A-4-a(viii); Part VII-B-2-a(ii); Part VII-B-2-a(iii); Part VII-B-2-a(iv); Part VII-B-2-b; and/or Part VII-B-2-c, certification in the form of **[Attachment 30]**; and
7. Other information or documentation as THDA may deem necessary, in its sole discretion, to fully evaluate the proposed developments and the applicant's ability to proceed.

C. Other Carryover Allocation Requirements

1. To file for a Carryover Allocation, the owner must, no later than July 29, 2013:
 - a. Complete a Carryover Allocation Application (**Form furnished by THDA**);
 - b. Submit any other development specific materials THDA may require, in its sole discretion; and
 - c. Make an irrevocable gross rent floor election (**Form furnished by THDA**).
2. The owner must execute a Carryover Allocation document (**Form furnished by THDA**) and return the executed Carryover Allocation document to THDA no later than September 16, 2013.
3. To meet the Carryover Allocation requirements, the owner must submit the Cost Certification (**Form furnished by THDA**) for the ten percent (10%) test no later than November 17, 2014.
4. To meet the Carryover Allocation requirements, the owner must submit a copy of the recorded warranty deed showing ownership by the ownership entity identified in the Initial Application or a fully executed 50-year ground lease (subject to the provisions of Part VII-A-7-a(v) of this QAP) showing the Ownership Entity as identified in the Initial Application as the lessee no later than November 17, 2014.

D. Tax Credits Available

The amount of Tax Credits to be allocated by a Carryover Allocation will be determined by THDA in connection with an evaluation at the time a Carryover Allocation is requested and in accordance with Section 42(m)(2). **This amount may be less than, but will not be more than, the Tax Credit amount in the Preliminary Award Letter.**

E. Status Reports

All developments with a Carryover Allocation shall provide status reports outlining progress toward completion by dates, in a form and with substance as specified by THDA in the Carryover Allocation. Information requested will be development specific and may include such items as construction progress.

F. Recapture of Tax Credits During Carryover Period

1. THDA will cancel a Carryover Allocation for failure to fully satisfy conditions imposed in connection with the Carryover Allocation. This means that the Tax Credits referred to in the Carryover Allocation are not available for the development specified in the Carryover Allocation and will be made available to other qualified developments. Deadlines specified in the Carryover Allocation are the dates upon which Tax Credits are deemed recaptured by THDA unless the conditions related to each deadline have been met on or before such deadline. Such Tax Credits are recaptured by THDA, without further notice, effective as of the deadline established in the Carryover Allocation which was not met.
2. Tax Credits allocated by a Carryover Allocation may be voluntarily returned. Any such return means that Tax Credits are not available for the development referenced in the Carryover Allocation.
3. Any Tax Credits recaptured either by cancellation of a Carryover Allocation under Part X-F-1 above or by voluntary return under Part X-F-2 above will be made available as follows:
 - a. Any Tax Credits returned before October 1, 2013, will be reserved to other qualified Initial Applications for Tax Credits as provided in this QAP;

- b. Any Tax Credits returned on or after October 1, 2013, will be reserved pursuant to a QAP for 2014, if available.

Part XI: Placed In Service

A. Placed In Service Requirements

1. After all units in a development are placed in service, THDA will make a final allocation of Tax Credits and will issue IRS Form(s) 8609 only after receipt of the following, in a form and with substance satisfactory to THDA, in its sole discretion:
 - a. Final Application **(Form furnished by THDA)**;
 - b. Applicant's Verification Form for each building in the development **(Form furnished by THDA)**;
 - c. Final Cost Certification of actual costs, incomes and expenses, including actual syndication proceeds, from an independent CPA licensed in Tennessee **(Form furnished by THDA)**;
 - d. Original Recorded Land Use Restrictive Covenants **(Form furnished by THDA)**;
 - e. Copy of the recorded warranty deed indicating ownership by the ownership entity identified in the Initial Application;
 - f. Certifications as may be required under Part VII-A and Part VII-B of this QAP;
 - g. Certificate of Occupancy for each building or, if the jurisdiction in which the development is located does not issue Certificates of Occupancy for the type of development involved, a letter from an authorized official of the local jurisdiction stating that the jurisdiction does not issue Certificates of Occupancy;
 - h. Required Compliance Monitoring Fee;
 - i. Verification from THDA Program Compliance Division of THDA Owner's Compliance Training attendance in accordance with Part XIII-K of this QAP; and
 - j. Other documentation as THDA may reasonably require.
2. THDA must receive a copy of the promissory note and recorded deed of trust for permanent financing of the development within fifteen (15) business days of the date of recording of the deed of trust. Failure to provide such documentation shall be deemed an event of noncompliance hereunder. THDA reserves the right to issue revised IRS Form(s) 8609 following receipt of the copy of the promissory note and recorded deed of trust if the terms of the promissory note and/or deed of trust vary from the terms specified in the Final Application.

B. Tax Credits Available

The amount of Tax Credits allocated when a development is placed in service will be determined by THDA based on an evaluation of the above required information and documentation and in accordance with Section 42(m). **This amount may be less than, but will not be more than, the amount reserved in the Preliminary Award Letter or allocated in the Carryover Allocation. THDA reserves the right to make adjustments in the amount of Tax Credits finally allocated based on the information submitted and Section 42 requirements.**

Part XII: Developments to be Financed With Tax Exempt Bonds

A development financed with tax-exempt bonds may be eligible for an allocation of Tax Credits outside the competitive process described in this QAP. The development must meet the following conditions:

- A. If fifty percent (50%) or more of the aggregate basis of a development is financed with tax-exempt bonds, the development is eligible to apply for Tax Credits outside the competitive allocation process described in this QAP. If less than fifty percent (50%) of the aggregate basis of a development is financed with tax-exempt bonds, the competitive allocation process described in this QAP applies. Either counsel or a Certified Public Accountant licensed in Tennessee must certify to THDA that this financing requirement is met.
- B. Developments which are not subject to the competitive allocation process must, nevertheless, make application for Tax Credits to THDA in accordance with the terms of the THDA tax-exempt bond Commitment Letter based on bonds issued as a result of an allocation of 2013 volume cap by THDA. All such developments must meet all eligibility requirements of this QAP. THDA will, in its sole discretion, determine the appropriate amount of Tax Credits to be allocated, and will issue a Preliminary Award Letter. In determining the initial amount of Tax Credits to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application, as determined by THDA to be reasonable. The final amount of Tax Credits allocated may be less than the amount specified in the Preliminary Award Letter. Allocations will be determined in connection with an evaluation at the time the development is placed in service, in accordance with Section 42(m)(2) and this QAP. Any such allocation of Tax Credits will not count against the limits on Tax Credits by county or by developer specified in Part IV. All requirements of Section 42 and this QAP apply to such developments.**
- C. Initial Applications for developments pursuant to this Part XII will be subject to the eligibility requirements in Part VII-A and to the minimum scoring requirements in Part VII-B.
- D. Developments receiving Tax Credits pursuant to this Part XII will be subject to all fees and compliance requirements and procedures as described in this QAP.
- E. Initial Applications for developments pursuant to this Part XII may be submitted to THDA outside the initial application deadlines stated in this QAP.
- F. If a development or proposed development is the subject of a pending competitive Tax Credit Initial Application and becomes the subject of a Multifamily Tax Exempt Bond Authority Application, the issuance of a bond Commitment Letter by THDA shall constitute the withdrawal of the competitive Tax Credit Initial Application.

Part XIII: Compliance Monitoring

Compliance monitoring procedures apply to all buildings placed in service in Tennessee which have received Tax Credits allocated under Section 42. The current compliance monitoring procedures and requirements are as follows:

- A. Owners must certify annually (Owner's Annual Certification of Compliance) under penalty of perjury that:
 - 1. The development meets the minimum requirements of the appropriately selected test (i.e. 40/60 or 20/50) per Section 42(g)(1);
 - 2. There was no change in the applicable fraction (as defined in Section 42(c)(1)(B)) of any building in the development;

3. The owner has received an annual income certification from each low-income resident and has documentation to certify that tenant income has not increased above 140% of the income limitation required under Section 42(g)(2)(D)(ii);
 4. Each low-income unit is rent restricted under Section 42(g)(2);
 5. All units in the project were for use by the general public, including the requirement that no finding of discrimination under the Fair Housing Act, 42 U.S.C. 3601-3619, occurred for the project.
 6. Each building in the development is suitable for occupancy, taking into account local health, safety, and building codes (or other habitability standards) and the state or local government unit responsible for making local, health, safety, or building code inspections did not issue a violation report for any building or low-income unit in the project;
 7. There has been no change in the eligible basis (as defined in Section 42(d)) of any building in the development;
 8. All resident facilities included in the eligible basis under Section 42(d) of any building in the development, such as a swimming pool, other recreational facilities, and parking areas, are provided on a comparable basis without charge to all residents of the development;
 9. If a low-income unit has been vacant during the year, reasonable efforts have been made to rent that unit to residents having a qualifying income and while the unit has been vacant no units of comparable or smaller size have been rented to residents not having a qualifying income;
 10. If the income of residents of a low-income unit in the development increased above the limit allowed in Section 42(g)(2)(D)(ii), the next available unit of a comparable or smaller size was rented to residents having a qualifying income;
 11. An extended low-income housing commitment, as described in Section 42(h)(6), was in effect, including the requirement under Section 42(h)(6)(B)(iv) that an owner cannot refuse to lease a unit in the project to an applicant because the applicants holds a voucher under Section 8 of the United States Housing Act of 1937, 42 U.S.C. 1437f;
 12. All low-income units in the project were used on a non-transient basis (except for transitional housing for the homeless provided under Section 42 (i)(3)(B)(iii) or single-room occupant units rented on a month-by-month basis under Section 42(i)(3)(B)(iv)).
 13. If the owner received its credit allocation from the portion of the state ceiling set-aside for a project involving "qualified non-profit organizations" under Section 42(h)(5), that its non-profit entity materially participated in the on-going operation of the development within the meaning of Section 469(h);

We will review at least 20% of the prior year's tenant files for adherence to Section 42 occupancy and rent restrictions. We will conduct physical inspections of 20% of the units at every development to evaluate the suitability of the development for occupancy, taking into account local, health, safety, and building codes (or other habitability standards).
- C. As a part of the site inspection, a review will be conducted of the owner's marketing efforts to attract special needs populations and Section 8 applicants as outlined in the extended low-income housing commitment.

- D. Developments which may be, but are not required to be, exempt from annual on-site file reviews and physical inspections are those developments financed by the USDA/RD Section 515 loan program.
- E. THDA will charge fees to cover the administrative expenses of monitoring compliance and other expenses incurred in carrying out its duties as the Housing Credit Agency including but not limited to reasonable fees for legal and professional services.
- F. Owners will be allowed a 90-day correction period to provide missing documentation or to correct noncompliance. This correction period begins the earlier of the date notification specifying the missing documentation or the noncompliance is mailed, or the date of the inspection at which the missing documentation or the noncompliance is noted. An extension of up to 90 days may be requested in writing and may be granted by THDA if it is determined that there are extreme circumstances beyond the control of the owner.
- G. THDA will notify the Internal Revenue Service of an owner's noncompliance or failure to certify compliance no later than 45 days after the end of the time allowed for correction, whether or not the noncompliance or failure to certify compliance is corrected. THDA will notify the Internal Revenue Service by filing form 8823 Low-Income Housing Credit Agencies Report of Noncompliance.
- H. THDA has the right to inspect any low-income development during the compliance period including but not limited to on-site inspections and review of all records relating to compliance with Section 42 requirements. THDA may require copies of the tenant certifications and supporting documentation to be forwarded to THDA.
- I. Awareness of Section 42 provisions and compliance with requirements of Section 42 are the responsibility of the owner of the building for which the Tax Credits are allocated. THDA's monitoring of compliance with Section 42 does not make THDA or the State of Tennessee liable for an owner's noncompliance.
- J. THDA shall be entitled to amend the compliance monitoring provisions of this QAP and its Tax Credit Program as required by applicable federal statutes or regulations as amended, from time-to-time. Such amendment is expressly permitted by this QAP, and the making of such amendment will not require further public hearings. THDA, in accordance with Section 42, may impose additional requirements at its discretion in order to fulfill the objectives of its housing initiatives.
- K. Owners shall attend Owner's compliance training sessions provided by THDA within the 12 months prior to the submission of the Final Application for a development. Only attendees who are listed on **[Attachment 4]** or who are employees of the development owner may meet this requirement. Development owners shall provide notice to THDA at least three (3) business days prior to the date of the Owner's compliance training session identifying the proposed attendee. Failure to provide such notice shall cause any attendee to not meet this requirement. THDA reserves the right to disallow any proposed attendee. THDA may, under extraordinary circumstances, extend the deadline, but will not issue the final allocating document (IRS form 8609) until such training has been completed.
- L. Owners or their management staff shall attend Manager's compliance training sessions provided by THDA after the final allocation and during the compliance period if it is determined that noncompliance exists which could be corrected by a better understanding of the requirements.
- M. Owners shall maintain tenant records within Tennessee.
- N. Owners shall submit annual compliance monitoring reports via THDA's internet reporting application.

- O. Owners shall submit, not less than annually, information concerning the race, ethnicity, family composition, age, income, use of rental assistance under Section 8(o) of the United States Housing Act of 1937 or other similar assistance, disability status, and monthly rental payments of households residing in the development in a form and with substance as THDA may require.
