§49.1. Purpose, Program Statement, Allocation Goals.

(a) **Purpose.** The Rules in this chapter apply to the allocation by the Texas Department of Housing and Community Affairs (the Department) of Housing Tax Credits authorized by applicable federal income tax laws. The Internal Revenue Code of 1986, §42, as amended, provides for credits against federal income taxes for owners of qualified low income rental housing Developments. That section provides for the allocation of the available tax credit amount by state housing credit agencies. Pursuant to Executive Order AWR-91-4 (June 17, 1991), the Department was authorized to make Housing Credit Allocations for the State of Texas. As required by the Internal Revenue Code, §42(m)(1), the Department developed a Qualified Allocation Plan (QAP) which is set forth in §§49.1 through 49.24 of this title. Sections in this chapter establish procedures for applying for and obtaining an allocation of Housing Tax Credits, along with ensuring that the proper threshold criteria, selection criteria, priorities and preferences are followed in making such allocations.

(b) **Program Statement.** The Department shall administer the program to encourage the development and preservation of appropriate types of rental housing for households that have difficulty finding suitable, accessible, affordable rental housing in the private marketplace; maximize the number of suitable, accessible, affordable residential rental units added to the state's housing supply; prevent losses for any reason to the state's supply of suitable, accessible, affordable residential rental units by enabling the rehabilitation of rental housing or by providing other preventive financial support; and provide for the participation of for-profit organizations and provide for and encourage the participation of nonprofit organizations in the acquisition, development and operation of accessible affordable housing developments in rural and urban communities.

(c) **Allocation Goals.** It shall be the goal of this Department and the Board, through these provisions, to encourage diversity through broad geographic allocation of tax credits within the state, and in accordance with the regional allocation formula, and to promote maximum utilization of the available tax credit amount. The processes and criteria utilized to realize this goal are described in §§49.8 and 49.9 of this title, without in any way limiting the effect or applicability of all other provisions of this title.

§49.2. Coordination with Rural Agencies.

To assure maximum utilization and optimum geographic distribution of tax credits in rural areas, and to achieve increased sharing of information, reduction of processing procedures, and fulfillment of Development compliance requirements in rural areas, the Department has entered into a Memorandum of Understanding (MOU) with the TX-USDA-RHS to coordinate on existing, rehabilitated, and new construction housing Developments financed by TX-USDA-RHS; and will jointly administer the Rural Set-Aside with the Texas Office of Rural Community Affairs (ORCA). ORCA will assist in developing all Threshold, Selection and Underwriting Criteria applied to Applications eligible for the Rural Set-Aside. The Criteria will be approved by that Agency. To ensure that the Rural Set-Aside receives a sufficient volume of eligible Applications, the Department and ORCA shall jointly implement outreach, training, and rural area capacity building efforts.

§49.4. State Housing Credit Ceiling.

The Department shall determine the State Housing Credit Ceiling for each calendar year as provided in the Code, §42(h)(3)(C), using such information and guidance as may be made available by the Internal Revenue Service. The Department shall publish each such determination in the *Texas Register* within 30 days after the receipt of such information as is required for that purpose by the Internal Revenue Service. The aggregate amount of commitments of Housing Credit Allocations made by the Department during any calendar year shall not exceed the State Housing Credit Ceiling for such year as provided in the Code, §42. Housing Credit Allocations made to Tax Exempt Bond Developments are not included in the State Housing Credit Ceiling.

§49.5. Ineligibility, Disqualification and Debarment, Applicant Standards, Representation by Former Board Member or Other Person.

(a) **Ineligibility.** An Application will be ineligible if:

(1) A member of the Development Team has been or is barred, suspended, or terminated from procurement in a state or federal program or listed in the List of Parties Excluded from Federal Procurement or Non-Procurement Programs; or,

(2) A member of the Development Team has been or is convicted of, under indictment for, or on probation for a state or federal crime involving fraud, bribery, theft, misrepresentations of material facts, misappropriation of funds, or other similar criminal offenses; or,

(3) A member of the Development Team has been or is subject to enforcement action under state or federal securities law, or is the subject of an enforcement proceeding with any Governmental Entity unless such action has been concluded and no adverse action or finding (or entry into a consent order) has been taken with respect to such member; or

(4) A member of the Development Team with any past due audits has not submitted those past due audits to the Department in a satisfactory format on or before the close of the Application Acceptance Period. A Person is not eligible to receive a commitment of Housing Tax Credits from the Department if any audit finding or questioned or disallowed cost is unresolved as of June 1 of each year, or for Tax Exempt Bond Developments is unresolved as of the date the Application is submitted.

(b) Disqualification and Debarment. Additionally, the Department will disqualify an Application, or debar a Person, if it is determined by the Department that those issues identified in paragraphs (1) through (10) of this subsection exist. A Person debarred by the Department from participation in the Low Income Housing Tax Credit Program, or an Applicant whose Application has been disqualified, may appeal the debarment or disqualification to the Board. The Department shall debar a Person for the longer of, one year from the date of debarment, or until the violation causing the debarment has been remedied. Causes for disqualification and debarment include:

(1) fraudulent information, knowingly false documentation or other material misrepresentation has been provided in the Application or other information submitted to the Department. The aforementioned policy will apply at any stage of the evaluation or approval process; or,

(2) at the time of Application or at any time during the two-year period preceding the date the application round begins (or for Tax Exempt Bond Developments any time during the two-year period preceding the date the Application is submitted to the Department), the Applicant or a Related Party is or has been:

(A) a member of the Board; or

(B) the executive director, the deputy executive director for programs, the deputy executive director for housing operations, the director of multifamily finance production, the director of portfolio management and compliance or the director of real estate analysis employed by the Department.

(3) the Applicant, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or control of one or more other tax credit properties in the state of Texas who received a commitment of tax credits in the 2001 or 2002 Application Round but did not close the construction loan, or meet the deadlines for the commencement of substantial construction as required under the Carryover Allocation (including any extension period granted by the Board) except for instances where an extension has been approved by the Board.

(4) the Applicant proposes to replace in less than 15 years any private activity bond financing of the Development described by the Application, unless:

(A) the Applicant proposes to maintain for a period of 30 years or more 100 percent of the Development Units supported by Housing Tax Credits as rent-restricted and exclusively for occupancy by individuals and families earning not more than 50 percent of the Area Median Gross Income, adjusted for family size; and

(B) at least one-third of all the units in the Development are public housing units or Section 8 Development-based units; or,

(5) the Applicant, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or control of one or more other tax credit properties has failed to place in service buildings or removed from service buildings for which credits were allocated (either Carryover Allocation or issuance of 8609s). The Department may consider the facts and circumstances on a case-by-case basis, including whether the credits were returned prior to the expiration date for re-issuance of the credits, in its sole determination of Applicant eligibility; or,

(6) the Applicant, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or control of one or more other low income rental housing properties in the state of Texas funded by the Department is in Material Non-Compliance with the LURA (or any other document containing an Extended Low Income Housing Commitment) or the program rules in effect for such property on the date the Application Round closes or upon the date of filing Volume I of the Application for a Tax Exempt Bond Development, and such Material-Noncompliance is not corrected as provided herein. Any corrective action documentation affecting the Material Non-Compliance status score for Applicant's competing in the 2003 Application Round must be received by the Department no

later than February 1, 2003, and any corrective action documentation affecting the Material Non-Compliance status score for Applicants with a Tax Exempt Bond Development must be received by the Department no later than 30 days prior to the submission of Volume I. The Department may take into consideration the representations of the Applicant regarding compliance violations described in §49.9(e)(8)(C) and (D) of this title; however, the records of the Department are controlling; or,

(7) the Applicant, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or control of one or more other low income rental housing properties outside of the state of Texas has incidence of non-compliance with the LURA or the program rules in effect for such tax credit property as reported on the Uniform Application Previous Participation Certification and/or as determined by the state regulatory authority for such state and such non-compliance is determined to be Material Non-Compliance by the Department using methodology as set forth in §49.19 of this title; or,

(8) the Applicant, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or control of one or more other tax credit properties in the state of Texas has failed to pay in full any fees billed by the Department after the due date has passed, as further described in §49.21 of this title; or

(9) the Development is located on a site that has been determined to be "unacceptable" by the Department staff; or

(10) the Applicant or a Related Party, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or control of the Development, or individual employed as a lobbyist or in another capacity on behalf of the Development, communicates with any Board member or member of the Committee with respect to the Development during the period of time starting with the time an Application is submitted until the time the Board makes a final decision with respect to any approval of that Application, unless the communication takes place at any board meeting or public hearing held with respect to that Application.

(c) Certain Applicant and Development Standards. Notwithstanding any other provision of this section, the Department may not allocate tax credits to a Development proposed by an Applicant if the Department determines that:

(1) the Development is not necessary to provide needed decent, safe, and sanitary housing at rentals or prices that individuals or families of low and very low income or families of moderate income can afford;

(2) the housing sponsor undertaking the proposed Development will not supply well-planned and well-designed housing for individuals or families of low and very low income or families of moderate income;

(3) the housing sponsor is not financially responsible;

(4) the housing sponsor has, or will enter into a contract for the proposed Development with, a Person that:

(A) is on the Department's debarred list, including any parts of that list that are derived from the debarred list of the United States Department of Housing and Urban Development;

(B) breached a contract with a public agency; or

(C) misrepresented to a subcontractor the extent to which the Developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the Developer's participation in contracts with the agency and the amount of financial assistance awarded to the Developer by the agency;

(5) the financing of the housing Development is not a public purpose and will not provide a public benefit; and

(6) the Development will be undertaken outside the authority granted by this chapter to the multifamily finance production division and the housing sponsor.

(d) Representation by Former Board Member or Other Person.

(1) A former Board member or a former executive director, deputy executive director for programs, deputy executive director for housing operations, director of multifamily finance production, director of portfolio management and compliance or director of real estate analysis previously employed by the Department may not:

(A) for compensation, represent an Applicant or one of its Related Parties for an allocation of tax credits before the second anniversary of the date that the Board member's, director's, or manager's service in office or employment with the Department ceases;

(B) represent any Applicant or a Related Party of an Applicant or receive compensation for services rendered on behalf of any Applicant or Related Party regarding the consideration of an Application in which the former board member, director, or manager participated during the period of service in office or employment with the Department, either through personal involvement or because the matter was within the scope of the

board member's, director's, or manager's official responsibility; or for compensation, communicate directly with a member of the legislative branch to influence legislation on behalf of an Applicant or Related Party before the second anniversary of the date that the board member's, director's, or manager's service in office or employment with the Department ceases.

(2) A Person commits an offense if the Person violates this section. An offense under this section is a Class A misdemeanor.

§49.6. Site and Development Restrictions: Floodplain, Ineligible Building Types, Scattered Site Limitations, Credit Amount, Limitations on the Size of Developments, Rehabilitation Costs.

(a) **Floodplain.** Any Development located within the 100 year floodplain as identified by the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Maps must develop the site so that all finished ground floor elevations are at least one foot above the flood plain and parking and drive areas are no lower than six inches below the floodplain, subject to more stringent local requirements. If no FEMA Flood Insurance Rate Maps are available for the proposed Development, flood zone documentation must be provided from the local government with jurisdiction identifying the 100 year floodplain.

(b) **Ineligible Building Types.** Applications involving Ineligible Building Types as defined in §49.3(49) of this title will not be considered for allocation of tax credits under this QAP and the Rules.

(c) **Scattered Site Limitations.** Consistent with §49.3(29) of this title, a Development must be financed under a common plan, be owned by the same Person for federal tax purposes, and the buildings may be either located on a single site or contiguous site, or be located on scattered sites and contain only rent-restricted units.

(d) **Credit Amount.** The Department shall issue tax credits only in the amount needed for the financial feasibility and viability of a Development throughout the Compliance Period. The issuance of tax credits or the determination of any allocation amount in no way represents or purports to warrant the feasibility or viability of the Development by the Department, or that the Development will qualify for and be able to claim such Housing Tax Credits. The Department will limit the allocation of tax credits to no more than \$1.2 million per Development. The Department shall not allocate more than \$1.6 million of tax credits in any given Application Round to any Applicant, Developer, or entity that provides, or is anticipated to provide, for a fee, a guarantee to secure equity or financing for the transaction. Tax Exempt Bond Development Applications are not subject to these Housing Tax Credit limitations, and Tax Exempt Bond Developments will not count towards the total limit on tax credits per Applicant. The limitation does not apply:

(1) to an entity which raises or provides equity for one or more Developments, solely with respect to its actions in raising or providing equity for such Developments (including syndication related activities as agent on behalf of investors);

(2) to the provision by an entity of "qualified commercial financing" within the meaning of the Code (without regard to the 80% limitation thereof);

(3) to a Qualified Nonprofit Organization or other not-for-profit entity, to the extent that the participation in a Development by such organization consists only of the provision of loan funds, grants or social services; and

(4) to a Development Consultant with respect to the provision of consulting services.

(e) Limitations on the Size of Developments.

(1) The minimum Development size will be 16 Units.

(2) Rural Developments involving new construction will be limited to 76 Units unless the Market Analysis clearly documents that larger developments are consistent with the comparables in the community and that there is significant demand for additional Units. Rural Developments exceeding 76 Units based on the Market Analysis will be ineligible for the Rural Set-Aside.

(3) Developments involving new construction, that are not Tax Exempt Bond Developments, will be limited to 250 Units. Tax Exempt Bond Developments will be limited to 280 Units. For the 2004 Application Round, Developments involving new construction, that are not Tax Exempt Bond Developments, will be limited to 250 Units, wherein the maximum rent restricted Units will be limited to 200 Units. For Applicants competing in the 2004 Texas Bond Review Board Multifamily Lottery, Tax Exempt Bond Developments will be limited to 250 Units. These maximum Unit limitations also apply to those Developments which involve a combination of rehabilitation and new construction. Developments that consist solely of acquisition/rehabilitation or rehabilitation only may exceed the maximum Unit restrictions. For those Developments which are a second phase or are otherwise adjacent to an existing tax credit Development unless such proposed Development is being constructed to provide replacement of previously existing affordable multifamily units on its site (in a number not to exceed the original units being replaced) or that were originally located within a one mile radius from the proposed Development, the combined Unit total for the Developments may not exceed the maximum

allowable Development size, unless the first phase has been completed and has attained Sustaining Occupancy for at least six months.

(f) **Rehabilitation Costs.** Rehabilitation Developments must establish that the rehabilitation will substantially improve the condition of the housing and will involve at least \$6,000 per Unit in direct hard costs.

§49.7. Regional Allocation Formula, Set-Asides, Redistribution of Credits.

(a) **Regional Allocation Formula.** As required by §2306.111 of the Texas Government Code, the Department will use a regional distribution formula developed by the Department to distribute credits from the State Housing Credit Ceiling. The formula will be based on the need for housing assistance, and the availability of housing resources, and the Department will use the information contained in the Department's annual state low income housing plan and other appropriate data to develop the formula. This formula will establish targeted tax credit amounts for each of the Uniform State Service Regions. Each Uniform State Service Region's targeted tax credit amount will be published in the *Texas Register* and on the Department's web site concurrently with the publication of the QAP.

(b) **Set-Asides.** The regional credit distribution amounts are additionally subject to the factors presented in paragraphs (1) through (5) of this subsection. An Applicant may elect to compete in as many of the following Set-Asides for which the proposed Development would qualify:

(1) At least 10% of the State Housing Credit Ceiling for each calendar year shall be allocated to Qualified Nonprofit Developments which meet the requirements of the Code, §42(h)(5). Qualified Nonprofit Organizations must have a controlling interest in the Qualified Nonprofit Development applying for this Set-Aside. If the organization's Application is filed on behalf of a limited partnership, the Qualified Nonprofit Organization must be the managing General Partner. If the organization's Application is filed on behalf of a limited liability company, the Qualified Nonprofit Organization must be the Managing Member.

(2) At least 15% of the State Housing Credit Ceiling for each calendar year shall be allocated to Developments which meet the Rural Development definition or are located in Prison Communities. Rural Developments applying for greater than 76 Units will be ineligible for the Rural Set-Aside. Of this 15% allocation, 25% will be set aside for Developments financed through TX-USDA-RHS. Developments financed through TX-USDA-RHS's 538 Guaranteed Rural Rental Housing Program will not be considered under the 25% portion. Should there not be sufficient qualified Applications submitted for the TX-USDA-RHS Set-Aside, then the credits would revert to Developments that meet the Rural Development definition or are located in Prison Communities.

(3) At least 15% of the State Housing Credit Ceiling will be set aside for allocation under the At-Risk Development Set-Aside. Through this Set-Aside, the Department, to the extent possible, shall allocate credits to Applications involving the preservation of developments designated as At-Risk Developments as defined in §49.3(12) of this title and in both urban and rural communities in approximate proportion to the housing needs of each Uniform State Service Region.

(4) At least 60% of the State Housing Credit Ceiling will be allocated to General Set-Aside.

(5) At least 15% of the State Housing Credit Ceiling for each calendar year shall be allocated to Qualified Elderly Developments.

(c) **Redistribution of Credits.** If any amount of housing tax credits remain after the initial commitment of housing tax credits among the Uniform State Service Regions and Set-Asides, the Department may redistribute the credits amongst the different regions and Set-Asides depending on the quality of Applications submitted as evaluated under the factors described in §49.9(c) of this title and the level of demand exhibited in the Uniform State Service Regions during the Allocation Round. However as described in paragraph (b)(1) of this section, no more than 90% of the State's Housing Credit Ceiling for the calendar year may go to Developments which are not Qualified Nonprofit Developments. If credits will be transferred from a Uniform State Service Region which does not have enough qualified Applications to meet its regional credit distribution amount, then those credits will be apportioned to the other Uniform State Service Regions.

§49.8. Pre-Application: Submission, Evaluation Process, Threshold Criteria and Review, Results.

(a) **Pre-Application Submission.** Any Applicant requesting a Housing Credit Allocation may submit a Pre-Application to the Department during the Pre-Application Acceptance Period along with the required Pre-Application Fee as described in §49.21 of this title. Only one Pre-Application may be submitted by an Applicant for each site under the State Housing Credit Ceiling. The Pre-Application submission is a voluntary process. While the Pre-Application Acceptance Period is open, Applicants may withdraw their Pre-Application and subsequently file a new Pre-Application along with the required Pre-Application Fee. The Department is authorized to request the Applicant to provide additional information it deems relevant to clarify information contained in the Pre-Application or to submit documentation for items it considers to be an Administrative Deficiency. The rejection

of a Pre-Application shall not preclude an Applicant from submitting an Application with respect to a particular Development or site at the appropriate time.

(b) **Pre-Application Evaluation Process.** Eligible Pre-Applications will be evaluated for Pre-Application Threshold Criteria, and as requested by the Applicant, evaluated in regards to the Department's concentration policy. Any Application from a TX-USDA-RHS 515 Development (including new construction and rehabilitation) is exempted from the Pre-Application Evaluation Process and are not eligible to receive points for submission of a Pre-Application. An Application that has not received confirmation from the state office of RHS of its financing from TX-USDA-RHS may qualify for Pre-Application points, but such points shall be withdrawn upon the Development's receipt of TX-USDA-RHS financing.

(c) **Pre-Application Threshold Criteria and Review.** Applicants submitting a Pre-Application will be required to submit information demonstrating their satisfaction of the Pre-Application Threshold Criteria. The Pre-Applications not meeting the Pre-Application Threshold Criteria will be terminated and the Applicant will receive a written notice to the effect that the Pre-Application Threshold Criteria have not been met. The Department shall not be responsible for the Applicant's failure to meet the Pre-Application Threshold Criteria and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Pre-Application Threshold Criteria shall not confer upon the Applicant any rights to which it would not otherwise be entitled. The Pre-Application Threshold Criteria include:

- (1) Submission of a "Pre-Application Submission Form" and "Pre-Application Self-Scoring Form," and
- (2) Evidence of site control as evidenced by the documentation required under §49.9(e)(6)(A) of this title.

(d) **Pre-Application Results.** Only Pre-Applications which have satisfied all of the Pre-Application Threshold Criteria requirements set forth in subsection (c) of this section, will be eligible for Pre-Application points. The order and scores of those Developments released on the Pre-Application Submission log do not represent a commitment on the part of the Department or the Board to allocate tax credits to any Development and the Department bears no liability for decisions made by Applicants based on the results of the Pre-Application Submission Log. Inclusion of a Development on the Pre-Application Submission Log does not ensure that an Applicant will receive points for a Pre-Application. To receive points an Applicant must meet the requirements of §49.9(f)(12) of this title.

§49.9. Application: Submission, Adherence to Obligations, Evaluation Process, Required Pre-Certification and Acknowledgement, Threshold Criteria, Selection Criteria, Evaluation Factors, Staff Recommendations.

(a) **Application Submission.** Any Applicant requesting a Housing Credit Allocation or a Determination Notice must submit an Application, and the required Application fee as described in §49.21 of this title, to the Department during the Application Acceptance Period. A complete Application may be submitted at any time during the Application Acceptance Period, and is not limited to submission after the close of the Pre-Application Cycle. Only one Application may be submitted for a site in an Application Round. While the Application Acceptance Period is open, Applicants may withdraw their Application and subsequently file a new Application along with a new required Application fee. The Department is authorized, but not required, to request the Applicant to provide additional information it deems relevant to clarify information contained in the Application or to submit documentation for items it considers to be an Administrative Deficiency, including both threshold and selection criteria documentation. An Applicant may not change or supplement an Application in any manner after the filing deadline, except as it relates to a direct request from the Department to remedy an Administrative Deficiency as further described in §49.3(1) of this title or to the amendment of an Application after a commitment or allocation of tax credits as further described in §49.18 of this title.

(b) **Adherence to Obligations.** All representations, undertakings and commitments made by an Applicant in the application process for a Development, whether with respect to Threshold Criteria, Selection Criteria or otherwise, shall be deemed to be a condition to any Commitment Notice, Determination Notice, or Carryover Allocation for such Development, the violation of which shall be cause for cancellation of such Commitment Notice, Determination Notice, or Carryover Allocation by the Department, and if concerning the ongoing features or operation of the Development, shall be reflected in the LURA. All such representations are enforceable by the Department and the tenants of the Development, including enforcement by administrative penalties for failure to perform, in accordance with the LURA.

(c) **Evaluation Process.** Applications will be reviewed according to the process outlined in this subsection.

(1) **Threshold Criteria Review.** Applications will be initially evaluated against the Threshold Criteria. Applications not meeting Threshold Criteria will be terminated, unless the Department determines that the failure to meet the Threshold Criteria is the result of Administrative Deficiencies, in which event the Applicant

shall be given an opportunity to correct such deficiencies. Applications not meeting Threshold Criteria will be rejected and the Applicant will be provided a written notice to the effect that the Threshold Criteria have not been met. The Department shall not be responsible for the Applicant's failure to meet the Threshold Criteria, and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Threshold Criteria shall not confer upon the Applicant any rights to which it would not otherwise be entitled.

(2) Selection Criteria Review. For an Application to be considered under the Selection Criteria, the Applicant must demonstrate that the Development meets all of the Threshold Criteria requirements. Applications that satisfy the Threshold Criteria will then be scored and ranked according to the Selection Criteria listed in subsection (f) of this section. Where a particular scoring criterion involves multiple points, the Department will award points to the degree proportionate, in its determination, to which a proposed Development complied with that criterion. Applications not scored by the Department's staff shall be deemed to have the points allocated through self-scoring by the Applicants until actually scored. This shall apply only for purposes of releasing the Submission Log in ranking order by score.

(3) Subsequent Evaluation of Prioritized Applications. After the Application is scored under the Selection Criteria, the Department will assign, as herein described, Developments for review for financial feasibility by the Department's credit underwriting division. Assignments for financial feasibility will be determined by selecting the Applications with the highest scores in each Set-Aside statewide and then in each Uniform State Service Region. Based on Application rankings, the Department shall continue to underwrite Applications until the Department has processed enough Applications satisfying the Department's underwriting criteria to enable the allocation of all available housing tax credits according to regional allocation goals and Set-Aside categories. To enable the Board to establish a Waiting List, the Department shall underwrite as many additional Applications as the Committee and Board consider necessary to ensure that all available housing tax credits are allocated within the period required by law.

(4) Underwriting Evaluation and Criteria. Underwriting of a Development will include a determination by the Department, pursuant to the Code, §42, that the amount of credits recommended for commitment to a Development is necessary for the financial feasibility of the Development and its long-term viability as a qualified low income housing property. In making this determination, the Department will use the Underwriting Rules and Guidelines, 10 TAC §1.32 of this title.

(A) The Department may have an outside third party perform the underwriting evaluation to the extent it determines appropriate. The expense of any third party underwriting evaluation shall be paid by the Applicant prior to the commencement of the aforementioned evaluation.

(B) The Department will reduce the Applicant's estimate of Developer's and/or Contractor fees in instances where these exceed the fee limits determined by the Department. In the instance where the Contractor is an Affiliate of the Development Owner and both parties are claiming fees, Contractor's overhead, profit, and general requirements, the Department shall be authorized to reduce the total fees estimated to a level that it determines to be reasonable under the circumstances. Further, the Department shall deny or reduce the amount of Housing Tax Credits allocated with respect to any portion of costs which it deems excessive or unreasonable. The Department also may require bids or third party estimates in support of the costs proposed by any Applicant.

(5) Compliance Evaluation. After the Department has determined which Developments will be reviewed for financial feasibility, those same Developments will be reviewed for evaluation of the compliance status of all members of the ownership structure by the Department's compliance division, in accordance with §49.19 of this title.

(6) Site Evaluation. Site conditions shall be evaluated through a physical site inspection by the Department. Such inspection will evaluate the site based upon the criteria set forth in the Site Evaluation form provided in the Application and the inspector shall provide a written report of such site evaluation. The evaluations shall be based on the condition of the surrounding neighborhood, including appropriate environmental and aesthetic conditions and proximity to retail, medical, recreational, and educational facilities, and employment centers. The site's appearance and visibility to prospective tenants and its accessibility via the existing transportation infrastructure and public transportation systems shall be considered. "Unacceptable" sites would include, without limitation of any sort, those containing a non-mitigable environmental factor that might adversely affect the health and safety of the residents. For Developments applying under the TX-USDA-RHS Set-Aside, the Department will rely on the physical site inspection performed by TX-USDA-RHS.

(d) Required Pre-Certification and Acknowledgement Procedures. No later than 7 days prior to the close of the Application Acceptance Period, an Applicant must submit the documents required in this subsection to obtain the required pre-certification and acknowledgement.

(1) Experience Certificate. Upon receipt of the evidence required under this paragraph, a certification from the Department will be provided to the Applicant for inclusion in their Application(s). Evidence must show

that the Development Owner's General Partner, partner (or if Applicant is to be a limited liability company, the managing member), Developer or their Principals have a record of successfully constructing or developing residential units or comparable commercial property (i.e. dormitory and hotel/motel) in the capacity of owner, General Partner, Developer or managing member. If a Public Housing Authority organized an entity for the purpose of developing residential units or comparable commercial property, the Public Housing Authority shall be considered a principal for the purpose of this requirement. If rehabilitation experience is being claimed to qualify for an Application involving new construction, then the rehabilitation must have been substantial and involved at least \$6,000 of direct hard cost per unit.

(A) The term "successfully" is defined as acting in a capacity as the owner, General Partner, managing member, or Developer of:

(i) at least 100 residential units or comparable commercial property; or

(ii) at least 36 residential units or comparable commercial property if the Development applying for credits is a rural Development.

(B) One of the following documents must be submitted: American Institute of Architects (AIA) Document A111 - Standard Form of Agreement Between Owner & Contractor, AIA Document G704 - Certificate of Substantial Completion, IRS Form 8609, HUD Form 9822, development agreements, partnership agreements, or other appropriate documentation verifying that the Development Owner's General Partner, partner (or if Applicant is to be a limited liability company, the managing member), Developer or their Principals have the required experience. If submitting the IRS Form 8609, only one form per Development is required. The evidence must clearly indicate:

The ESA must be prepared in accordance with the Department Environmental Site Assessment Rules and Guidelines. Developments whose funds have been obligated by TX-USDA-RHS will not be required to supply this information; however, the Development Owners of such Developments are hereby notified that it is their responsibility to ensure that the Development is maintained in compliance with all state and federal environmental hazard requirements.

(B) A comprehensive Market Analysis prepared at the Development Owner's expense by a disinterested Qualified Market Analyst in accordance with the Market Analysis Rules and Guidelines. In the event that a Market Analysis on the Development is older than 6 months as of the day the Application Acceptance Period closes, the Development Owner must supply the Department with an updated Market Analysis from the Person or organization which prepared the initial report; however the Department will not accept any Market Analysis which is more than 12 months old as of the day the Application Acceptance Period closes. The Market Analysis should be prepared for and addressed to the Department. For Applications in the TX-USDA-RHS Set-Aside, the appraisal, required under paragraph (11)(A) of this subsection, will satisfy the requirement for a

Market Analysis; no additional Market Analysis is required; however the Department may request additional information as needed.

(i) The Department may determine from time to time that information not required in the Department Market Analysis and Appraisal Rules and Guidelines will be relevant to the Department's evaluation of the need for the Development and the allocation of the requested Housing Credit Allocation Amount. The Department may request additional information from the Qualified Market Analyst to meet this need.

(ii) All Applicants shall acknowledge by virtue of filing an Application that the Department shall not be bound by any such opinion or the Market Analysis itself, and may substitute its own analysis and underwriting conclusions for those submitted by the Qualified Market Analyst.

(C) Inserted at the front of each of these reports must be a transmittal letter from the individual preparing the report that states that the Department is granted full authority to rely on the findings and conclusions of the report.

(D) The requirements for each of the reports identified in subparagraphs (A) and (B) of this paragraph can be satisfied in either of the methods identified in clauses (i) or (ii) of this subparagraph.

(i) Upon Application submission, the documentation for each of these exhibits may be submitted in its entirety as described in subparagraphs (A) and (B) of this paragraph; or

(ii) Upon Application submission, the Applicant may provide evidence in the form of an executed engagement letter with the party performing each of the individual reports that the required exhibit has been commissioned to be performed and that the delivery date will be no later than March 31, 2003. Subsequently, the entire exhibit must be submitted on or before 5:00 p.m. CST, March 31, 2003. (f) **Selection Criteria.** All Applications will be evaluated and ranking points will be assigned according to the Selection Criteria listed in paragraphs (1) through (12) of this subsection.

(1) Development Location Characteristics. Evidence, not more than 6 months old from the date of the close of the Application Acceptance Period, that the subject Property is located within one of the geographical areas described in subparagraphs (A) through (D) of this paragraph. Areas qualifying under any one of the subparagraphs (A) through (D) of this paragraph will receive 5 points. A Development may only receive points under one of the subparagraphs (A) through (D) of this paragraph. A Development may receive points pursuant to subparagraph (E) of this paragraph in addition to any points awarded in subparagraphs (A) through (D) of this paragraph.

(ii) a Colonia, or

(iii) a Difficult Development Area (DDA) as specifically designated by the Secretary of HUD.

(B) a designated state or federal empowerment/enterprise zone, urban enterprise community, or urban enhanced enterprise community. Such Developments must submit a letter and a map from a city/county official verifying that the proposed Development is located within such a designated zone. Letter should be no older than 6 months from the close of the Application Acceptance Period.

Such Developments must submit all of the following documentation: a letter from a city/county official verifying that the proposed Development is located within the city sponsored zone or district; a map from the city/county official which clearly delineates the boundaries of the district; and a certified copy of the appropriate resolution or documentation from the mayor, local city council, county judge, or county commissioners court which documents that the designated area was:

(i) created by the local city council/county commission, and

(E) a Development which is located in a city or county with a relatively low ratio of awarded tax credits (in dollars) to its population. If the Development is located in an incorporated city, the city ratio will be used and if the Development is located outside of an incorporated city, then the county ratio will be used. Such ratios shall be calculated by the Department based on its inventory of tax credit developments and the 2000 Census Data. In the event that census data does not have a figure for a specific place, the Department will rely on the Texas State Data Center's place population estimates, or as a final source the Department will rely on the local municipality's most recent population estimate to calculate the ratio. The ratios will be published in the

Reference Manual. Geographic area will be eligible for points as described in clauses (i) through (iv) of this subparagraph.

- (i) A city or county with no LIHTC developments will receive eight points.
- (ii) A city or county with a ratio greater than zero and less than one will receive six points.

points.

- (iv) A city or county with a ratio greater than four, will have four points deducted from its score.

(2) Housing Needs Characteristics. Each Development, dependent on the city or county where it is located, will yield a score based on the Uniform Housing Needs Scoring Component. If a Development is in an incorporated city, the city score will be used. If a Development is outside the boundaries of an incorporated city, then the county score will be used. The Uniform Housing Needs Scoring Component scores for each city and county will be published in the Reference Manual. (20 points maximum).

(3) Support and Consistency with Local Planning. All documents must not be older than 6 months from the close of the Application Acceptance Period. Points may be received under both subparagraph (A) or (B) of this paragraph.

(A) Evidence from the local municipal authority stating that the Development fulfills a need for additional affordable rental housing as evidenced in a local consolidated plan, comprehensive plan, or other local planning document; or a letter from the local municipal authority stating that there is no local plan and that the city supports the Development (6 points).

Points will be awarded based on the written statements of support from local and state elected officials representing constituents in areas that include the location of the Development and from neighborhood and/or community civic organizations for areas that encompass the location of the Development. Letters of support must identify the specific Development and must state support of the specific Development at the proposed location. This documentation must be provided as part of the Application. Letters of support from state officials that do not represent constituents in areas that include the location of the Development will not qualify for points under this Exhibit, nor do letters of support from organizations that are not active in the area that includes the location of the Development. For the purposes of this Exhibit neighborhood and/or community civic organizations do not include governmental entities, taxing entities or educational entities. Letters of support received after the close of the Application Acceptance Period will not be accepted for this Exhibit. This calculation does not include indirect construction costs. The calculation will be hard costs per square foot of net rentable area (NRA). The calculations will be based on the hard cost listed in the Development Cost Schedule and NRA shown in the Rent Schedule of the Application. Developments do not exceed \$60 per square foot. (1 point).

(C) Unit Amenities and Quality. Developments providing specific amenity and quality features in every Unit at no extra charge to the tenant will be awarded points based on the point structure provided in

The Development must have already applied for funding from the funding entity. Evidence shall include a copy of the application to the funding entity and a letter from the funding entity indicating that the application was received. Notice of actual commitment must be received consistent with §49.9(e)(6)(D)(iii). In the event that an award is not made by the funding entity, the Department will reevaluate the Application to ensure its continued financial feasibility (5 points).

(5) Sponsor Characteristics. Developments may only receive points for one of the three criteria listed in subparagraphs (A) through (C) of this paragraph. To satisfy the requirements of subparagraphs (A) or (B) of this paragraph, a copy of an agreement between the two partnering entities must be provided which shows that the nonprofit organization or HUB will hold an ownership interest in and materially participate (within the meaning of the Code §469(h)) in the development and operation of the Development throughout the Compliance Period and clearly identifies the ownership percentages of all parties (3 points maximum for one of subparagraphs (A) through (C) of this paragraph).

The Qualified Nonprofit Organization must be materially participating in the Development as one of the General Partners (or Managing Members), but is not required to have Control, to receive these points. However, to also be eligible for the Nonprofit Set-Aside, as further described in §49.7 of this title, the Qualified Nonprofit Organization must have Control.

(C) The proposed Development involves the rehabilitation of existing Units, or on- or off-site replacement of Units, that are owned by a Public Housing Authority, and which Units, or replacement Units, will continue to be owned by a partnership Controlled by said Public Housing Authority or its nonprofit affiliate as evidenced by a partnership agreement showing the Control by the said Public Housing Authority. A Housing Finance Agency is not considered to be a Public Housing Authority for purposes of this exhibit.

(6) Developments Targeting Tenant Populations of Individuals with Children. The Rent Schedule of the Application must show that 50% or more of the Units in the Development have more than 2 bedroom (1 point).

(7) Development Provides Supportive Services to Tenants. Points may be received under both subparagraphs (A) and (B) of this paragraph.

(8) Tenant Characteristics - Populations with Special Needs. Evidence that the Development is designed solely for transitional housing for homeless persons on a non-transient basis, with supportive services designed to assist tenants in locating and retaining permanent housing. For the purpose of this exhibit, homeless persons are individuals or families that lack a fixed, regular, and adequate nighttime residence as more fully defined in 24 Code of Federal Regulations, §91.5, and as may be amended from time to time. To qualify for these points, the rents for the rent-restricted Units must not be higher than the allowable tax credit rents at the rent-restricted AMGI level. For Section 8 residents, or other rental assistance tenants, the tenant paid rent plus the utility allowance is compared to the rent limit to determine compliance.

The Development Owner, upon making selections for this exhibit will set aside Units at the rent-restricted levels of AMGI and will maintain the percentage of such Units continuously over the compliance and extended use period as specified in the LURA.

(A) No more than 50% of the total number of low income units (including Units at 60% of AMGI) will be counted as designated for tenants at or below 50% of the AMGI for purposes of determining the points in the 50%, 40% and 30% AMGI categories. No more than 30% of the total number of low income targeted units will be counted as designated for tenants at or below 40% of the AMGI for purposes of determining the points in the 40% and 30% AMGI categories. No more than 20% of the total number of low income targeted units will be counted as designated for tenants at or below 30% of the AMGI for purposes of determining the points in the 30% AMGI category. For purposes of calculating "Total Low Income Targeted Units" for this exhibit, Units at 60% of AMGI are also included.

(B) For purposes of calculating points no Unit may be counted twice in determining point eligibility.

(C) Developments should be scored based on the structure in the table below. Only Developments located in cities (or counties for Developments not located within a city) whose AMGI is below the statewide AMGI, may use Weight Factor B. All other Applicants are required to use Weight Factor A.

% of AMGI	# of Rent Restricted Units (a)	Portion of Rent Restricted Units (a/b)	Weight A	OR	Weight B	Points

40%	(a)	(c)	X	15	20	
30%	(a)	(c)	X	30	40	
TOTAL LI TARGETED UNITS* (b)					TOTAL POINTS =	
*Includes Units at 60% of AMGI						

(10) Length of Affordability Period. In accordance with the Code, each Development is required to maintain its affordability for a 15-year compliance period and, subject to certain exceptions, an additional 15-year extended use period. Applicants that are willing to extend the affordability period for a Development beyond the 30 years required in the Code may receive points as follows:

(A) Add 5 years of affordability after the extended use period for a total affordability period of 35 years (8 points); or

(B) Add 10 years of affordability after the extended use period for a total affordability period of 40 years (12 points).

(11) Evidence that Development Owner agrees to provide a right of first refusal to purchase the Development upon or following the end of the Compliance Period for the minimum purchase price provided in, and in accordance with the requirements of, §42(i)(7) of the Code (the "Minimum Purchase Price"), to a Qualified Nonprofit Organization, the Department, or either an individual tenant with respect to a single family building, or a tenant cooperative, a resident management corporation in the Development or other association of tenants in the Development with respect to multifamily developments (together, in all such cases, including the tenants of a single family building, a "Tenant Organization"). Development Owner may qualify for these points by providing the right of first refusal in the following terms (5 points).

(A) Upon the earlier to occur of:

(i) the Development Owner's determination to sell the Development, or

(ii) the Development Owner's request to the Department, pursuant to §42(h)(6)(E)(II) of the Code, to find a buyer who will purchase the Development pursuant to a "qualified contract" within the meaning of §42(h)(6)(F) of the Code, the Development Owner shall provide a notice of intent to sell the Development ("Notice of Intent") to the Department and to such other parties as the Department may direct at that time. If the Development Owner determines that it will sell the Development at the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to expiration of the Compliance Period. If the Development Owner determines that it will sell the Development at some point later than the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to date upon which the Development Owner intends to sell the Development.

(B) During the two years following the giving of Notice of Intent, the Sponsor may enter into an agreement to sell the Development only in accordance with a right of first refusal for sale at the Minimum Purchase Price with parties in the following order of priority:

- (i) during the first six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization that is also a community housing development organization, as defined for purposes of the federal HOME Investment Partnerships Program at 24 C.F.R. § 92.1 (a "CHDO") and is approved by the Department,
- (ii) during the second six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization or a Tenant Organization; and
- (iii) during the second year after the Notice of Intent, only with the Department or with a Qualified Nonprofit Organization approved by the Department or a Tenant Organization approved by the Department.

(iv) If, during such two-year period, the Development Owner shall receive an offer to purchase the Development at the Minimum Purchase Price from one of the organizations designated in clauses (i), (ii), and (iii) of this subparagraph (within the period(s) appropriate to such organization), the Development Owner shall sell the Development at the Minimum Purchase Price to such organization. If, during such period, the Development Owner shall receive more than one offer to purchase the Development at the Minimum Purchase Price from one or more of the organizations designated in clauses (i), (ii), and (iii) of this subparagraph (within the period(s) appropriate to such organizations), the Development Owner shall sell the Development at the Minimum Purchase Price to whichever of such organizations it shall choose.

(C) After whichever occurs later of:

- (i) the end of the Compliance Period; or
- (ii) two years from delivery of a Notice of Intent,

the Development Owner may sell the Development without regard to any right of first refusal established by the LURA if no offer to purchase the Development at or above the Minimum Purchase Price has been made by a Qualified Nonprofit Organization, a Tenant Organization or the Department, or a period of 120 days has expired from the date of acceptance of all such offers as shall have been received without the sale having occurred, provided that the failure(s) to close within any such 120-day period shall not have been caused by the Development Owner or matters related to the title for the Development.

(D) At any time prior to the giving of the Notice of Intent, the Development Owner may enter into an agreement with one or more specific Qualified Nonprofit Organizations and/or Tenant Organizations to provide a right of first refusal to purchase the Development for the Minimum Purchase Price, but any such agreement shall only permit purchase of the Development by such organization in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(E) The Department shall, at the request of the Development Owner, identify in the LURA a Qualified Nonprofit Organization or Tenant Organization which shall hold a limited priority in exercising a right of first refusal to purchase the Development at the Minimum Purchase Price, in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(F) The Department shall have the right to enforce the Development Owner's obligation to sell the Development as herein contemplated by obtaining a power-of-attorney from the Development Owner to execute such a sale or by obtaining an order for specific performance of such obligation or by such other means or remedy as shall be, in the Department's discretion, appropriate.

(12) Pre-Application Points. Developments which submit a Pre-Application during the Pre-Application Acceptance Period and meet the requirements of this paragraph shall receive 7 points. To be eligible for these points, the proposed Development in the Application must:

- (A) be for the identical site as the proposed Development in the Pre-Application;
- (B) have met the Pre-Application Threshold Criteria;
- (C) be serving the same target population (family or elderly) as in the Pre-Application in the same Set-Asides; and
- (D) achieve an Application score that is not more than 5% greater or less than the number of points requested at Pre-Application.

(13) Point Reductions. Penalties will be imposed on Applicant if the Applicant or any of its Affiliates who have requested extensions of Department deadlines, and did not meet the original submission deadlines, relating to developments receiving a housing tax credit commitment made in the application round preceding the current round. Applicants or Affiliates having filed an extension, but that met the original deadline as required, will not have points deducted. Extensions that will receive penalties include all types of extensions identified in §49.21 of this title, received on or before the close of Application Acceptance Period, including Developments whose extensions were authorized by the Board. For each extension request made, the Applicant will be required to pay a \$2,500 extension fee as provided in §49.21(k) of this title and receive a 2 point deduction.

(g) **Evaluation Factors.** In the event that two or more Applications receive the same number of points in any given Set-Aside category and Uniform State Service Region, and are both practicable and economically feasible, the Department will utilize the factors in paragraphs (1) through (6) of this subsection, in the order they are presented, to determine which Development will receive a preference in consideration for a tax credit commitment. In addition, the Committee and Board may also choose to evaluate Applications and proposed Developments, including Tax Exempt Bond Developments, on the basis of factors other than (or in addition to) scoring, for one or more of the following reasons:

- (1) to serve a greater number of lower income families for fewer credits;
- (2) to ensure geographic dispersion within each Uniform State Service Region;
- (3) to ensure the Development's consistency with local needs or its impact as part of a revitalization or preservation plan;
- (4) to ensure the allocation of credits among as many different entities as practicable without diminishing the quality of the housing that is built as required under the Texas General Appropriations Act applicable to the Department;
- (5) to give preference to a Development which is located in a QCT or a Difficult Development Area as specifically designated by the Secretary of HUD, and which also contributes to a concerted community revitalization plan; and
- (6) to provide integrated, affordable accessible housing for individuals and families with different levels of income.

(h) **Staff Recommendations.** After eligible Applications have been evaluated, ranked and underwritten in accordance with the QAP and the Rules, the Department staff shall make its recommendations to the Executive Award and Review Advisory Committee. The Committee will develop funding priorities and shall make commitment recommendations to the Board. Such recommendations and supporting documentation shall be made in advance of the meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed. The Committee will provide written, documented recommendations to the Board which will address at a minimum the financial or programmatic viability of each Application and a list of all submitted Applications which enumerates the reason(s) for the Development's proposed selection or denial, including all evaluation factors provided in §49.9(g) of this title that were used in making this determination.

§49.10 Board Decisions; Waiting List; Forward Commitments

(a) **Board Decisions.** The Board's decisions shall be based upon its evaluation of proposed Developments' consistency with the criteria and requirements set forth in the QAP and the Rules.

(1) In making a determination to allocate tax credits, the Board shall be authorized not to rely solely on the number of points scored by an Applicant. It shall in addition, be entitled to take into account, as appropriate, the factors described in §49.9(g) of this title. If the Board disapproves or fails to act upon the Application, the Department shall issue to the Development Owner a written notice stating the reason(s) for the Board's disapproval or failure to act.

(2) Before the Board approves any Development Application, the Department shall assess the compliance history of the Applicant and any Affiliate of the Applicant with respect to all applicable requirements; and the compliance issues associated with the proposed Development. The Committee shall provide to the Board a written report regarding the results of the assessments. The written report will be included in the appropriate Development file for Board and Department review. The Board shall fully document and disclose any instances in which the Board approves a Development Application despite any noncompliance associated with the Development, Applicant or Affiliate.

(3) On awarding a tax credit commitment, the Board shall document the reasons for each Development's selection, including an explanation of all discretionary factors used in making its determination, and the reasons for any decision that conflicts with the recommendations made by Department staff. The Board may not make, without good cause, a commitment decision that conflicts with the recommendations of The Committee.

(b) **Waiting List.** If the entire State Housing Credit Ceiling for the applicable calendar year has been committed or allocated in accordance with this chapter, the Board shall generate a waiting list of additional Applications ranked by score in descending order of priority based on Set-Aside categories and regional allocation goals. If at any time prior to the end of the Application Round, one or more Commitment Notices expire and a sufficient amount of the State Housing Credit Ceiling becomes available, the Board shall issue a Commitment Notice to Applications on the waiting list subject to the amount of returned credits, the regional allocation goals and the Set-Aside categories, including the 10% Nonprofit Set-Aside allocation required under the Code, §42(h)(5). At the end of each calendar year, all Applications which have not received a Commitment Notice shall

be deemed terminated. The Applicant may re-apply to the Department during the next Application Acceptance Period.

(c) **Forward Commitments.** The Board may determine to issue commitments of tax credit authority with respect to Developments from the State Housing Credit Ceiling for the calendar year following the year of issuance (each a "forward commitment"). The Board will utilize its discretion in determining the amount of credits to be allocated as forward commitments and the reasons for those commitments in meeting compelling housing needs. The Board may utilize the forward commitment authority to allocate credits to TX-USDA-RHS Developments which are experiencing foreclosure or loan acceleration at any time during the 2003 calendar year.

(1) Unless otherwise provided in the Commitment Notice with respect to a Development selected to receive a forward commitment, actions which are required to be performed under this chapter by a particular date within a calendar year shall be performed by such date in the calendar year of the anticipated commitment rather than in the calendar year of the forward commitment.

(2) Any forward commitment made pursuant to this section shall be made subject to the availability of State Housing Credit Ceiling in the calendar year with respect to which the forward commitment is made. If a forward commitment shall be made with respect to a Development placed in service in the year of such commitment, the forward commitment shall be a "binding commitment" to allocate the applicable credit dollar amount within the meaning of the Code, §42(h)(1)(C).

(3) If tax credit authority shall become available to the Department later in a calendar year in which forward commitments have been awarded, the Department may allocate such tax credit authority to any eligible Development which received a forward commitment, in which event the forward commitment shall be canceled with respect to such Development.

§49.11. Required Application Notifications, Receipt of Public Comment, and Meetings with Applicants; Viewing of Pre-Applications and Applications; Confidential Information.

(a) Required Application Notifications, Receipt of Public Comment, and Meetings with Applicants.

(1) Within approximately seven business days after the close of the Pre-Application Acceptance Period, the Department shall publish a Pre-Application Submission Log on its web site. Such log shall contain the Development name, address, Set-Aside, number of units, requested credits, owner contact name and phone number.

(2) Approximately 30 days before the close of the Application Acceptance Period, the Department will release the evaluation and assessment of the Pre-Applications on its web site.

(3) Within approximately 15 business days after the close of the Application Acceptance Period, the Department shall:

(A) publish an Application submission log on its web site.

(B) give notice of a proposed Development in writing to the:

(i) mayor or other equivalent chief executive officer of the municipality, if the Development or a part thereof is located in a municipality; otherwise the Department shall notify the chief executive officer of the county in which the Development or a part thereof is located, to advise such individual that the Development or a part thereof will be located in his/her jurisdiction and request any comments which such individual may have concerning such Development. If the local municipal authority expresses opposition to the Development, the Department will give consideration to the objections raised and will visit the proposed site or Development within 30 days of notification to conduct a physical inspection of the Development site and consult with the mayor or county judge before the Application is scored, if opposition is received prior to scoring being completed; and

(ii) state representative and state senator representing the area where a Development would be located. The state representative or senator may hold a community meeting at which the Department shall provide appropriate representation.

(C) The elected officials identified in clauses (i) and (ii) of subparagraph (B) of this paragraph will be provided an opportunity to comment on the Application during the Application evaluation process.

(4) The Department shall hold at least three public hearings in different Uniform State Service Regions of the state to receive comment on the submitted Applications and on other issues relating to the Low Income Housing Tax Credit Program.

(5) The Department shall provide notice of and information regarding public hearings, Board meetings and Application opening and closing dates relative to housing tax credits to local housing departments, to appropriate newspapers of general or limited circulation that serve the community in which a proposed Development is to be located, to nonprofit organizations, to on-site property managers of occupied developments that are the subject of Applications for posting in prominent locations at those Developments, and

to any other interested persons including community groups, who request the information and shall post all such information to its web site.

(6) Approximately forty days prior to the date of the July Board meeting at which the issuance of Commitment Notices shall be discussed, the Department will notify each Applicant of the receipt of any opposition received by the Department relating to his or her Development at that time.

(7) Not later than the third working day after the date of the relevant determinations, the results of each stage of the Application process, including the results of the Application scoring and underwriting phases and the commitment phase, will be posted to the Department's web site.

(8) At least thirty days prior to the date of the July Board meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed, the Department will:

(A) provide the Application scores to the Board;

(B) if feasible, post to the Department's web site the entire Application, including all supporting documents and exhibits, the Application Log as further described in §49.20(b) of this title, a scoring sheet providing details of the Application score, and any other documents relating to the processing of the Application.

(9) A summary of comments received by the Department on specific Applications shall be part of the documents required to be reviewed by the Board under this subsection if it is received 30 business days prior to the date of the Board Meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed. Comments received after this deadline will not be part of the documentation submitted to the Board. However, a public comment period will be available prior to the Board's decision, at the Board meeting where tax credit commitment decisions will be made.

(10) Not later than the 120th day after the date of the initial issuance of Commitment Notices for housing tax credits, the Department shall provide an Applicant who did not receive a commitment for housing tax credits with an opportunity to meet and discuss with the Department the Application's deficiencies, scoring and underwriting.

(b) **Viewing of Pre-Applications and Applications.** Pre-Applications and Applications for tax credits are public information and are available upon request after the Pre-Application and Application Acceptance Periods close, respectively. All Pre-Applications and Applications, including all exhibits and other supporting materials, except Personal Financial Statements and Social Security numbers, will be made available for public disclosure after the Pre-Application and Application periods close, respectively. The content of Personal Financial Statements may still be made available for public disclosure upon request if the Attorney General's office deems it is not protected from disclosure by the Texas Public Information Act.

(c) **Confidential Information.** The Department may treat the financial statements of any Applicant as confidential and may elect not to disclose those statements to the public. A request for such information shall be processed in accordance with §552.305 of the Government Code.

§49.12. Tax Exempt Bond Developments: Filing of Applications, Applicability of Rules, Supportive Services, Financial Feasibility Evaluation, Satisfaction of Requirements.

(a) **Filing of Applications for Tax Exempt Bond Developments.** Applications for a Tax Exempt Bond Development may be submitted to the Department as described in paragraphs (1) and (2) of this subsection:

(1) Applicants which receive advance notice of a Program Year 2003 reservation as a result of the Texas Bond Review Board's (TBRB) lottery for the private activity volume cap must file a complete Application not later than 60 days after the date of the TBRB lottery. Such filing must be accompanied by the Application fee described in §49.21 of this title.

(2) Applicants which receive advance notice of a Program Year 2003 reservation after being placed on the waiting list as a result of the TBRB lottery for private activity volume cap must submit Volume 1 of the Application and the Application fee described in §49.21 of this title prior to the Applicant's bond reservation date as assigned by the TBRB. Any outstanding documentation required under this section must be submitted to the Department at least 45 days prior to the Board meeting at which the decision to issue a Determination Notice would be made.

(b) **Applicability of Rules for Tax Exempt Bond Developments.** Tax Exempt Bond Development Applications are subject to all rules in this title, with the only exception being to the following sections: §49.4, §49.7, §49.8, §49.9(c)(2) and (3), §49.9(f), §49.10(b) and (c), §49.11(a) and §49.14 of this title. Such Developments requesting a Determination Notice in the current calendar year must meet all Threshold Criteria requirements stipulated in §49.9(e) of this title. Such Developments which received a Determination Notice in a prior calendar year must meet all Threshold Criteria requirements stipulated in the QAP and Rules in effect for the calendar year in which the Determination Notice was issued; provided, however, that such Developments shall comply with all procedural requirements for obtaining Department action in the current QAP and Rules; and

such other requirements of the QAP and Rules as the Department determines applicable. At the time of Application, Developments must demonstrate the Development's consistency with the bond issuer's consolidated plan or other similar planning document. Consistency with the local municipality's consolidated plan or similar planning document must also be demonstrated in those instances where the city or county has a consolidated plan.

(c) **Supportive Services for Tax Exempt Bond Developments.** Tax Exempt Bond Development Applications must provide an executed agreement with a qualified service provider for the provision of special supportive services that would otherwise not be available for the tenants. The provision of these services will be included in the LURA. Acceptable services as described in paragraphs (1) through (3) of this paragraph include:

(1) the services must be in one of the following categories: child care, transportation, basic adult education, legal assistance, counseling services, GED preparation, English as a second language classes, vocational training, home buyer education, credit counseling, financial planning assistance or courses, health screening services, health and nutritional courses, youth programs, scholastic tutoring, social events and activities, community gardens or computer facilities; or

(2) any other program described under Title IV-A of the Social Security Act (42 U.S.C. §§ 601 et seq.) which enables children to be cared for in their homes or the homes of relatives; ends the dependence of needy families on government benefits by promoting job preparation, work and marriage; prevents and reduces the incidence of out-of wedlock pregnancies; and encourages the formation and maintenance of two-parent families, or

(3) any other services approved in writing by the Issuer. The plan for tenant supportive services submitted for review and approval of the Issuer must contain a plan for coordination of services with state workforce development and welfare programs. The coordinated effort will vary depending upon the needs of the tenant profile at any given time as outlined in the plan.

(d) **Financial Feasibility Evaluation for Tax Exempt Bond Developments.** Code §42(m)(2)(D) requires the bond issuer (if other than the Department) to make sure that a Tax Exempt Bond Development does not receive more tax credits than the amount needed for the financial feasibility and viability of a Development throughout the Compliance Period. Treasury Regulations prescribe the occasions upon which this determination must be made. In light of the requirement, issuers may either elect to underwrite the Development for this purpose in accordance with the QAP and the Underwriting Rules and Guidelines, 10 TAC §1.32 of this title or request that the Department perform the function. If the issuer underwrites the Development, the Department will, nonetheless, review the underwriting report and may make such changes in the amount of credits which the Development may be allowed as are appropriate under the Department's guidelines. The Determination Notice issued by the Department and any subsequent IRS Form(s) 8609 will reflect the amount of tax credits for which the Development is determined to be eligible in accordance with this paragraph, and the amount of tax credits reflected in the IRS Form 8609 may be greater or less than the amount set forth in the Determination Notice, based upon the Department's and the bond issuer's determination as of each building's placement in service. Any increase of tax credits, from the amount specified in the Determination Notice, at the time of each building's placement in service will only be permitted if it is deemed that causes for the increased Eligible Basis were beyond the control of the Development Owner, were not foreseeable by the Development Owner at the time of Application and were not preventable during the construction of the Development, as determined by the Board.

(e) **Satisfaction of Requirements for Tax Exempt Bond Developments.** If the Department staff determines that all requirements of this section have been met, the Board, shall authorize the Department to issue a Determination Notice to the Applicant that the Development satisfies the requirements of the QAP and Rules in accordance with the Code, §42(m)(1)(D).

§49.13 Commitment and Determination Notices; Agreement and Election Statement.

(a) **Commitment and Determination Notices.** If the Board approves an Application, the Department will:

(1) if the Application is for a commitment from the State Housing Credit Ceiling, issue a Commitment Notice to the Development Owner which shall:

(A) confirm that the Board has approved the Application; and

(B) state the Department's commitment to make a Housing Credit Allocation to the Applicant in a specified amount, subject to the feasibility determination described at §49.17 of this title, and compliance by the Development Owner with the remaining requirements of this chapter and any other terms and conditions set forth therein by the Department. This commitment shall expire on the date specified therein unless the Development Owner indicates acceptance of the commitment by executing the Commitment Notice or Determination Notice, pays the required fee specified in §49.21 of this title, and satisfies any other conditions

set forth therein by the Department. A Development Owner may request an extension of the Commitment Notice expiration date by submitting an extension request and associated extension fee as described in §49.21 of this title. In no event shall the expiration date of a Commitment Notice be extended beyond the last business day of the applicable calendar year.

(2) if the Application is with respect to a Tax Exempt Bond Development, issue a Determination Notice to the Development Owner which shall:

(A) confirm the Board's determination that the Development satisfies the requirements of this QAP; and

(B) state the Department's commitment to issue IRS Form(s) 8609 to the Applicant in a specified amount, subject to the requirements set forth at §49.12 of this title and compliance by the Development Owner with all applicable requirements of this title and any other terms and conditions set forth therein by the Department. The Determination Notice shall expire on the date specified therein unless the Development Owner indicates acceptance by executing the Determination Notice and paying the required fee specified in §49.21 of this title. The Determination Notice shall also expire unless the Development Owner satisfies any conditions set forth therein by the Department within the applicable time period.

(3) notify, in writing, the mayor or other equivalent chief executive officer of the municipality in which the Property is located informing him/her of the Board's issuance of a Commitment Notice or Determination Notice, as applicable.

(4) A Commitment or Determination Notice shall not be issued with respect to any Development for an unnecessary amount or where the cost for the total development, acquisition, construction or rehabilitation exceeds the limitations established from time to time by the Department and the Board, unless the Department staff make a recommendation to the Board based on the need to fulfill the goals of the Low Income Housing Tax Credit Program as expressed in this QAP and Rules, and the Board accepts the recommendation. The Department's recommendation to the Board shall be clearly documented.

(5) A Commitment or Determination Notice shall not be issued with respect to any Development in violation of the Concentration Policy, unless The Committee makes a recommendation to the Board based on the need to fulfill the goals of the Low Income Housing Tax Credit Program as expressed in this QAP and Rules, and the Board accepts the recommendation. The Department's recommendation to the Board shall be clearly documented.

(6) A Commitment or Determination Notice shall not be issued with respect to the Applicant, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or control of one or more other low income rental housing properties in the state of Texas funded by the Department, or outside the state of Texas, that is in Material Non-Compliance with the LURA (or any other document containing an Extended Low Income Housing Commitment) or the program rules in effect for such property as of June 30, 2003 (or for Tax Exempt Bond Developments as of 10 business days prior to the Board's vote to allocate credits. Any corrective action documentation affecting the Material Non-Compliance status score for Applicants must be received by the Department no later than May 15, 2003 (or for Tax Exempt Bond Developments no later than 20 business days prior to the Board's vote to allocate credits).

(b) **Agreement and Election Statement.** Together with or following the Development Owner's acceptance of the commitment or determination, the Development Owner may execute an Agreement and Election Statement, in the form prescribed by the Department, for the purpose of fixing the Applicable Percentage for the Development as that for the month in which the Commitment was accepted (or the month the bonds were issued for Tax Exempt Bond Developments), as provided in the Code, §42(b)(2). Current Treasury Regulations, §1.42-8(a)(1)(v), suggest that in order to permit a Development Owner to make an effective election to fix the Applicable Percentage for a Development, the Carryover Allocation Document must be executed by the Department and the Development Owner within the same month. The Department staff will cooperate with a Development Owner, as needed, to assure that the Commitment Notice can be so executed.

§49.14. Carryover, 10% Test.

(a) **Carryover.** All Developments which received a Commitment Notice, and will not be placed in service and receive IRS Form 8609 in the year the Commitment Notice was issued, must submit the Carryover documentation to the Department no later than November 1 of the year in which the Commitment Notice is issued. Commitments for credits will be terminated if the Carryover documentation, or an approved extension, has not been received by this deadline. In the event that a Development Owner intends to submit the Carryover documentation in October of the year in which the Commitment Notice is issued, in order to fix the Applicable Percentage for the Development in October, it must be submitted no later than the first Friday in October. The

Carryover Allocation format must be properly completed and delivered to the Department as prescribed by the Carryover Allocation Procedures Manual. All Carryover Allocations will be contingent upon the following, in addition to all other conditions placed upon the Application in the Commitment Notice:

(1) A current original plat or survey of the land, prepared by a duly licensed Texas Registered Professional Land Surveyor. Such survey shall conform to standards prescribed in the Manual of Practice for Land Surveying in Texas as promulgated and amended from time to time by the Texas Surveyors Association as more fully described in the Carryover Procedures Manual.

(2) A review of information provided by the IRS as permitted pursuant to IRS Form 8821, Tax Information Authorization, for the release of tax information relating to non-disclosure or recapture issues. Each Applicant must execute and provide to the Department Form 8821 within ten business days of the issuance of a Commitment Notice or Determination Notice. The form must be signed and executed on behalf of the Development Owner. Any information provided by the IRS will be evaluated by the Department in accordance with §49.3(53) of this title and may be utilized by the Board to determine if a Carryover Allocation will be made.

(3) Attendance of the Development Owner and Development architect at eight hours of Fair Housing training on or before the closing of the construction loan.

(b) **10% Test.** No later than six months from the date the Carryover Allocation Document is executed by the Department and the Development Owner, more than 10% of the Development Owner's reasonably expected basis has to have been incurred pursuant to §42(h)(1)(E)(i) and (ii) of the Internal Revenue Code and Treasury Regulations, §1.42-6. The evidence to support the satisfaction of this requirement must be submitted to the Department no later than June 30 in a format prescribed by the Department.

§49.15. Closing of the Construction Loan, Commencement of Substantial Construction.

(a) **Closing of the Construction Loan.** The Development Owner must submit evidence of having closed the construction loan no later than the second Friday in June of the year after the execution of the Carryover Allocation Document with the possibility of an extension as described in §49.21 of this title. At the time of submission of the documentation, the Development Owner must also submit a Management Plan and an Affirmative Marketing Plan as further described in the Carryover Allocation Procedures Manual. The Carryover Allocation will automatically be terminated if the Development Owner fails to meet the aforementioned closing deadline (taking into account any extensions), and has not had an extension approved, and all credits previously allocated to that Development will be recovered and become a part of the State Housing Credit Ceiling for the applicable year.

(b) **Commencement of Substantial Construction.** The Development Owner must commence and continue substantial construction activities not later than the second Friday in November of the year after the execution of the Carryover Allocation Document with the possibility of an extension as described in §49.21 of this title. The minimum activity necessary to meet the requirement of substantial construction for new Developments will be defined as having poured foundations for at least 50% of all of the buildings in the Development. The minimum activity necessary to meet the requirement of substantial construction for rehabilitation Developments will be defined as having expended 10% of the construction budget as documented by the inspecting architect. Evidence of such activity shall be provided in a format prescribed by the Department.

§49.16. Cost Certification, LURA.

(a) **Cost Certification.** Developments that will be placed in service and request IRS Forms 8609 in the year the Commitment Notice was issued must submit the required Cost Certification documentation and the compliance and monitoring fee to the Department by the second Friday in November of that same year. The Department will issue IRS Forms 8609 no later than 90 days from the date of receipt of the Cost Certification documentation, so long as all subsequent documentation requested by the Department related to the processing of the Cost Certification documentation has been provided on or before the seventy-fifth day from the date of receipt of the original Cost Certification documentation. Any deficiency letters issued to the Owner pertaining to the Cost Certification documentation will also be copied to the syndicator.

(b) **Land Use Restriction Agreement (LURA).** Prior to the Department's issuance of the IRS Form(s) 8609 for building(s) in a Development, the Development Owner must date, sign and acknowledge before a notary public a LURA and send the original to the Department for execution. The Development Owner shall then record said LURA, along with any and all exhibits attached thereto, in the real property records of the county where the Development is located and return the original document, duly certified as to recordation by the appropriate county official, to the Department. If any liens (other than mechanics' or materialmen's liens) shall have been recorded against the Development and/or the Property prior to the recording of the LURA, the Development

Owner shall obtain the subordination of the rights of any such lienholder, or other effective consent, to the survival of certain obligations contained in the LURA, which are required by §42(h)(6)(E)(ii) of the Code to remain in effect following the foreclosure of any such lien. Receipt of such certified recorded original LURA by the Department is required prior to issuance of IRS Form 8609. A representative of the Department shall physically inspect the Development for compliance with the Application and the representatives, warranties, covenants, agreements and undertakings contained therein. Such inspection will be conducted before the IRS Form 8609 is issued for a building, but it shall be conducted in no event later than the end of the second calendar year following the year the last building in the Development is placed in service. The Development Owner for Tax Exempt Bond Developments shall obtain a subordination agreement wherein the lien of the mortgage is subordinated to the LURA. If an Owner intends for the Department to execute a LURA by the end of a calendar year, then the proposed LURA, executed by the Owner and lienholder, if necessary, must be submitted to the Department for execution no later than December 1 of that calendar year.

§49.17. Housing Credit Allocations.

(a) In making a commitment of a Housing Credit Allocation under this chapter, the Department shall rely upon information contained in the Applicant's Application to determine whether a building is eligible for the credit under the Code, §42. The Applicant shall bear full responsibility for claiming the credit and assuring that the Development complies with the requirements of the Code, §42. The Department shall have no responsibility for ensuring that an Applicant who receives a Housing Credit Allocation from the Department will qualify for the housing credit.

(b) The Housing Credit Allocation Amount shall not exceed the dollar amount the Department determines is necessary for the financial feasibility and the long term viability of the Development throughout the Compliance Period. Such determination shall be made by the Department at the time of issuance of the Commitment Notice or Determination Notice; at the time the Department makes a Housing Credit Allocation; and as of the date each building in a Development is placed in service. Any Housing Credit Allocation Amount specified in a Commitment Notice, Determination Notice or Carryover Allocation Document is subject to change by the Department based upon such determination. Such a determination shall be made by the Department based on its evaluation and procedures, considering the items specified in the Code, §42(m)(2)(B), and the department in no way or manner represents or warrants to any Applicant, sponsor, investor, lender or other entity that the Development is, in fact, feasible or viable.

(c) The General Contractor hired by the Applicant must meet specific criteria as defined by the Seventy-fifth Legislature. A General Contractor hired by an Applicant or an Applicant, if the Applicant serves as General Contractor must demonstrate a history of constructing similar types of housing without the use of federal tax credits. Evidence must be submitted to the Department, in accordance with §49.9(e)(4)(G) of this title, which sufficiently documents that the General Contractor has constructed some housing without the use of Housing Tax Credits. This documentation will be required as a condition of the commitment notice or carryover agreement, and must be complied with prior to commencement of construction and at cost certification and final allocation of credits.

(d) An allocation will be made in the name of the Applicant identified in the related Commitment Notice or Determination Notice. If an allocation is made in the name of the party expected to be the General Partner or Managing Member in an eventual owner partnership or limited liability company, the Department may, upon request, approve a transfer of allocation to such owner partnership or limited liability company in which such party is the sole General Partner or Managing Member. Any other transfer of an allocation will be subject to review and approval by the Department. The approval of any such transfer does not constitute a representation to the effect that such transfer is permissible under §42 of the Code or without adverse consequences thereunder, and the Department may condition its approval upon receipt and approval of complete documentation regarding the new owner including all the criteria for scoring, evaluation and underwriting, among others, which were applicable to the original Applicant.

(e) The Department shall make a Housing Credit Allocation, either in the form of IRS Form 8609, with respect to current year allocations for buildings placed in service, or in the Carryover Allocation Document, for buildings not yet placed in service, to any Development Owner who holds a Commitment Notice which has not expired, and for which all fees as specified in §49.21 of this title have been received by the Department and with respect to which all applicable requirements, terms and conditions have been met. For Tax Exempt Bond Developments, the Housing Credit Allocation shall be made in the form of a Determination Notice. For an IRS Form 8609 to be issued with respect to a building in a Development with a Housing Credit Allocation, satisfactory evidence must

be received by the Department that such building is completed and has been placed in service in accordance with the provisions of the Department's Cost Certification Procedures Manual. The Cost Certification documentation requirements will include a certification and inspection report prepared by a Third-Party accredited accessibility inspector to certify that the Development meets all required accessibility standards. IRS Form 8609 will not be issued until the certifications are received by the Department. The Department shall mail or deliver IRS Form 8609 (or any successor form adopted by the Internal Revenue Service) to the Development Owner, with Part I thereof completed in all respects and signed by an authorized official of the Department. The delivery of the IRS Form 8609 will occur only after the Development Owner has complied with all procedures and requirements listed within the Cost Certification Procedures Manual. Regardless of the year of Application to the Department for Housing Tax Credits, the current year's Cost Certification Procedures Manual must be utilized when filing all cost certification materials. A separate Housing Credit Allocation shall be made with respect to each building within a Development which is eligible for a housing credit; provided, however, that where an allocation is made pursuant to a Carryover Allocation Document on a Development basis in accordance with the Code, §42(h)(1)(F), a housing credit dollar amount shall not be assigned to particular buildings in the Development until the issuance of IRS Form 8609s with respect to such buildings.

(f) In making a Housing Credit Allocation, the Department shall specify a maximum Applicable Percentage, not to exceed the Applicable Percentage for the building permitted by the Code, §42(b), and a maximum Qualified Basis amount. In specifying the maximum Applicable Percentage and the maximum Qualified Basis amount, the Department shall disregard the first-year conventions described in the Code, §42(f)(2)(A) and §42(f)(3)(B). The Housing Credit Allocation made by the Department shall not exceed the amount necessary to support the extended low income housing commitment as required by the Code, §42(h)(6)(C)(i).

(g) Development inspections shall be required to show that the Development is built or rehabilitated according to required plans and specifications. At a minimum, all Development inspections must include an inspection for quality during the construction process while defects can reasonably be corrected and a final inspection at the time the Development is placed in service. All such Development inspections shall be performed by the Department or by an independent, third party inspector acceptable to the Department. The Development Owner shall pay all fees and costs of said inspections as described in §49.21 of this title.

(h) After the entire Development is placed in service, which must occur prior to the deadline specified in the Carryover Allocation Document, the Development Owner shall be responsible for furnishing the Department with documentation which satisfies the requirements set forth in the Cost Certification Procedures Manual. For purposes of this title, a newly constructed or rehabilitated building is not placed in service until all units in such building have been completed and certified by the appropriate local authority or registered architect as ready for occupancy. The Cost Certification must be submitted for the entire Development; therefore partial Cost Certifications are not allowed. The Department may require copies of invoices and receipts and statements for materials and labor utilized for the new construction or rehabilitation and, if applicable, a closing statement for the acquisition of the Development as well as for the closing of all interim and permanent financing for the Development. If the Applicant does not fulfill all representations and commitments made in the Application, the Department may make reasonable reductions to the tax credit amount allocated via the IRS Form 8609, may withhold issuance of the IRS Form 8609s until these representations and commitments are met, and/or may terminate the allocation, if appropriate corrective action is not taken by the Development Owner.

(i) The Board at its sole discretion may allocate credits to a Development Owner in addition to those awarded at the time of the initial Carryover Allocation in instances where there is bona fide substantiation of cost overruns and the Department has made a determination that the allocation is needed to maintain the Development's financial viability as a Development.

(j) The Department may, at any time and without additional administrative process, determine to award credits to Developments previously evaluated and awarded credits if it determines that such previously awarded credits are or may be invalid and the owner was not responsible for such invalidity. The Department may also consider an amendment to a Commitment Notice or Carryover Allocation or other requirement with respect to a Development if the revisions:

- (1) are consistent with the Code and the Low Income Housing Tax Credit Program;
- (2) do not occur while the Development is under consideration for tax credits;
- (3) do not involve a change in the number of points scored (unless the Development's ranking is adjusted because of such change);
- (4) do not involve a change in the Development's site; or
- (5) do not involve a change in the set-aside election.

§49.18 Board Reevaluation, Appeals; Amendments, Housing Tax Credit and Ownership Transfers, Withdrawals, Cancellations.

(a) **Board Reevaluation.** Regardless of project stage, the Board shall reevaluate a Development that undergoes a substantial change between the time of initial Board approval of the Development and the time of issuance of a Commitment Notice or Determination Notice for the Development. For the purposes of this subsection, substantial change shall be those items identified in subsection (c)(3) of this section. The Board may revoke any Commitment Notice or Determination Notice issued for a Development that has been unfavorably reevaluated by the Board.

(b) **Appeals Process.** An Applicant may appeal decisions made by the Department.

(1) The decisions that may be appealed are identified in subparagraphs (A) through (C) of this paragraph.

(A) a determination regarding the Applicant's satisfaction of:

(i) Pre-Application or Application Threshold Criteria;

(ii) Underwriting Criteria;

(B) the scoring of the Application under the Application Selection Criteria; and

(C) a recommendation as to the amount of housing tax credits to be allocated to the Application.

(2) An Applicant may not appeal a decision made regarding an Application filed by another Applicant.

(3) An Applicant must file its appeal in writing with the Department not later than the seventh day after the date the Department publishes the results of any stage of the Application evaluation process identified in §49.9 of this title. In the appeal, the Applicant must specifically identify the Applicant's grounds for appeal, based on the original Application and additional documentation filed with the original Application. If the appeal relates to the amount of housing tax credits recommended to be allocated, the Department will provide the Applicant with the underwriting report upon request.

(4) The Executive Director of the Department shall respond in writing to the appeal not later than the 14th day after the date of receipt of the appeal. If the Applicant is not satisfied with the Executive Director's response to the appeal, the Applicant may appeal directly in writing to the Board, provided that an appeal filed with the Board under this subsection must be received by the Board before:

(A) the seventh day preceding the date of the Board meeting at which the relevant commitment decision is expected to be made; or

(B) the third day preceding the date of the Board meeting described by subparagraph (A) of this paragraph, if the Executive Director does not respond to the appeal before the date described by subparagraph (A) of this paragraph.

(5) Board review of an appeal under paragraph (4) of this subsection is based on the original Application and additional documentation filed with the original Application. The Board may not review any information not contained in or filed with the original Application. The decision of the Board regarding the appeal is final.

(6) The Department will post to its web site an appeal filed with the Department or Board and any other document relating to the processing of the appeal.

(c) **Amendment of Application Subsequent to Allocation by Board.**

(1) If a proposed modification would materially alter a Development approved for an allocation of a housing tax credit, the Department shall require the Applicant to file a formal, written request for an amendment to the Application.

(2) The Executive Director of the Department shall require the Department staff assigned to underwrite Applications to evaluate the amendment and provide an analysis and written recommendation to the Board. The appropriate party monitoring compliance during construction in accordance with §49.19 of this title shall also provide to the Board an analysis and written recommendation regarding the amendment.

(3) For Applications approved by the Board prior to September 1, 2001, the Executive Director will approve or deny the amendment request. For Applications approved by the Board after September 1, 2001, the Board must vote on whether to approve the amendment. The Board by vote may reject an amendment and, if appropriate, rescind a Commitment Notice or terminate the allocation of housing tax credits and reallocate the credits to other Applicants on the Waiting List if the Board determines that the modification proposed in the amendment:

(A) would materially alter the Development in a negative manner; or

(B) would have adversely affected the selection of the Application in the Application Round.

(4) Material alteration of a Development includes, but is not limited to:

(A) a significant modification of the site plan;

(C) a substantive modification of the scope of tenant services;

(D) a reduction of three percent or more in the square footage of the units or common areas;

- (E) a significant modification of the architectural design of the Development;
- (F) a modification of the residential density of the Development of at least five percent; and
- (G) any other modification considered significant by the Board.

(5) In evaluating the amendment under this subsection, the Department staff shall consider whether the need for the modification proposed in the amendment was:

- (A) reasonably foreseeable by the Applicant at the time the Application was submitted; or
- (B) preventable by the Applicant.

(6) This section shall be administered in a manner that is consistent with the Code, §42.

(7) Before the 15th day preceding the date of Board action on the amendment, notice of an amendment and the recommendation of the Executive Director and monitor regarding the amendment will be posted to the Department's web site.

(d) Housing Tax Credit and Ownership Transfers. An Applicant may not transfer an allocation of housing tax credits or ownership of a Development supported with an allocation of housing tax credits to any Person other than an Affiliate unless the Applicant obtains the Executive Director's prior, written approval of the transfer. The Executive Director may not unreasonably withhold approval of the transfer. An Applicant seeking Executive Director approval of a transfer and the proposed transferee must provide to the Department a copy of any applicable agreement between the parties to the transfer, including any third-party agreement with the Department. An Applicant seeking Executive Director approval of a transfer must provide to the Department a list of the names of transferees and Related Parties; and detailed information describing the experience and financial capacity of transferees and related parties. The Development Owner shall certify to the Executive Director that the tenants in the Development have been notified in writing of the transfer before the 30th day preceding the date of submission of the transfer request to the Department. Not later than the fifth working day after the date the Department receives all necessary information under this section, the Department shall conduct a qualifications review of a transferee to determine the transferee's past compliance with all aspects of the Low Income Housing Tax Credit Program, LURAs; and the sufficiency of the transferee's experience with Developments supported with Housing Credit Allocations.

(e) Withdrawals. An Applicant may withdraw an Application prior to receiving a Commitment Notice, Determination Notice, Carryover Allocation Document or Housing Credit Allocation, or may cancel a Commitment Notice or Determination Notice by submitting to the Department a notice, as applicable, of withdrawal or cancellation, and making any required statements as to the return of any tax credits allocated to the Development at issue.

(f) Cancellations. The Department may cancel a Commitment Notice, Determination Notice or Carryover Allocation prior to the issuance of IRS Form 8609 with respect to a Development if:

(1) the Development Owner or any member of the Development Team, or the Development, as applicable, fails to meet any of the conditions of such Commitment Notice or Carryover Allocation or any of the undertakings and commitments made by the Development Owner in the Applications process for the Development;

(2) any statement or representation made by the Development Owner or made with respect to the Development Owner, the Development Team or the Development is untrue or misleading;

(3) an event occurs with respect to any member of the Development Team which would have made the Development's Application ineligible for funding pursuant to §49.5 of this title if such event had occurred prior to issuance of the Commitment Notice or Carryover Allocation; or

(4) the Development Owner, any member of the Development Team, or the Development, as applicable, fails to comply with these Rules or the procedures or requirements of the Department.

§49.19. Compliance Monitoring and Material Non-Compliance.

(a) The Code, §42(m)(1)(B)(iii), requires the Department as the housing credit agency to include in its QAP a procedure that the Department will follow in monitoring Developments for compliance with the provisions of the Code, §42 and in notifying the IRS of any noncompliance of which the Department becomes aware. Such procedure is set out in this QAP and in the Owner's Compliance Manual prepared by the Department's Compliance Division, as amended from time to time. Such procedure only addresses forms and records that may be required by the Department to enable the Department to monitor a Development for violations of the Code and the LURA and to notify the IRS of any such non-compliance. This procedure does not address forms and other records that may be required of Development Owners by the IRS more generally, whether for purposes of filing annual returns or supporting Development Owner tax positions during an IRS audit.

(b) The Department, through the division with responsibility for compliance matters, shall monitor for compliance with all applicable requirements the entire construction or rehabilitation phase associated with any

Development under this title. The Department will monitor under this requirement by requiring a copy of reports from all construction inspections performed for the lender and/or syndicator for the Development. If necessary, the Department may obtain a Third-Party inspection report for purposes of monitoring. The Applicant must provide the Department with copies of all inspections made throughout the construction of the Development within fifteen days of the date the inspection occurred. The Department, or any third-party inspector hired by the Department, shall be provided, upon request, any construction documents, plans or specifications for the Development to perform these inspections. The monitoring level for each Development must be based on the amount of risk associated with the Development. The Department shall use the division responsible for credit underwriting matters and the division responsible for compliance matters to determine the amount of risk associated with each Development. After completion of a Development's construction phase, the Department shall periodically review the performance of the Development to confirm the accuracy of the Department's initial compliance evaluation during the construction phase. Developments having financing from TX-USDA-RHS will be exempt from these inspections, provided that the Applicant provides the Department with copies of all inspections made by TX-USDA-RHS throughout the construction of the Development within fifteen days of the date the inspection occurred.

(c) The Department will monitor compliance with all covenants made by the Development Owner in the Application and in the LURA, whether required by the Code, Treasury Regulations or other rulings of the IRS, or undertaken by the Development Owner in response to Department requirements or criteria.

(d) The Department may contract with an independent third party to monitor a Development during its construction or rehabilitation and during its operation for compliance with any conditions imposed by the Department in connection with the allocation of housing tax credits to the Development and appropriate state and federal laws, as required by other state law or by the Board. The Department may assign Department staff other than housing tax credit division staff to perform the relevant monitoring functions required by this section in the construction or rehabilitation phase of a Development.

(e) The Department shall create an easily accessible database that contains all Development compliance information developed under this section.

(f) The Development Owner must keep records for each qualified low income building in the Development, showing on a monthly basis (with respect to the first year of a building's Credit Period and on an annual basis, thereafter):

(1) the total number of residential rental Units in the building (including the number of bedrooms and the size in square feet of each residential rental Unit);

(2) the percentage of residential rental Units in the building that are low income Units;

(3) the rent charged for each residential rental Unit in the building including, with respect to low income Units, documentation to support the utility allowance applicable to such Unit;

(4) the number of occupants in each low income Unit;

(5) the low income Unit vacancies in the building and information that shows when, and to whom, all available Units were rented;

(6) the annual income certification of each tenant of a low income Unit, in the form designated by the Department in the Compliance Manual, as may be modified from time to time;

(7) documentation to support each low income tenant's income certification, consistent with the determination of annual income and verification procedures under Section 8 of the United States Housing Act of 1937 ("Section 8"), notwithstanding any rules to the contrary for the determination of gross income for federal income tax purposes. In the case of a tenant receiving housing assistance payments under Section 8, the documentation requirement is satisfied if the public housing authority provides a statement to the Development Owner declaring that the tenant's income does not exceed the applicable income limit under the Code, §42(g) as described in the Compliance Manual;

(8) the Eligible Basis and Qualified Basis of the building at the end of the first year of the Credit Period;

(9) the character and use of the nonresidential portion of the building included in the building's Eligible Basis under the Code, §42(d), (e.g. whether tenant facilities are available on a comparable basis to all tenants; whether any fee is charged for use of the facilities; whether facilities are reasonably required by the Development); and

(10) any additional information as required by the Department.

(g) The Development Owner will deliver to the Department no later than the last day in April each year, the current audited financial statements, in form and content satisfactory to the Department, itemizing the income and expenses of the Development for the prior year.

(h) Specifically, to evidence compliance with the requirements of the Code, §42(h)(6)(B)(iv) which requires that the LURA prohibit Development Owners of all tax credit Developments placed in service after August 10, 1993 from refusing to lease to persons holding Section 8 vouchers or certificates because of their status as holders of such Section 8 voucher or certificate. Development Owners must comply with Department rules under 10 TAC §1.14 of this title.

(1) A Development funded or administered by the Department is prohibited from:

(A) excluding an individual or family from admission to the Development because the individual or family participates in the housing choice voucher program under Section 8, United States Housing Act of 1937 (42 U.S. C. Section 143F);

(B) using a financial or minimum income standard for an individual or family participating in the voucher program that requires the individual or family to have a monthly income of more than 2.5 times the individual or family's share of the total monthly rent payable to the Development. A Development Owner must maintain a written management plan that is available for review upon request. Such management plan must clearly state the following objectives:

(i) prospective applicants who hold Section 8 vouchers or certificates are welcome to apply and will be provided the same consideration for occupancy as any other applicant;

(ii) any minimum income requirements for Section 8 voucher and certificate holders will only be applied to the portion of the rent the prospective tenant would pay, provided, however, that if Section 8 pays 100% of the rent for the Unit, the Development Owner may establish other reasonable minimum income requirements to ensure that the tenant has the financial resources to meet daily living expenses. Minimum income requirements for Section 8 voucher and certificate holders will not exceed 2.5 times the portion of rent the tenant pays; and

(iii) all other screening criteria, including employment policies or procedures and other leasing criteria (such as rental history, credit history, criminal history, etc.) must be applied to applicants uniformly and in a manner consistent with the Texas and federal Fair Housing Acts and with Department and Code requirements;

(2) In addition the following is required for Developments funded or administered by the Department:

(A) post Fair Housing logos and the Fair Housing poster in the leasing office;

(B) approve and distribute a written Affirmative Marketing Plan to the property management and on-site staff; and

(C) communicate annually during the first quarter of each year in writing with the administrator of each Section 8 program which has jurisdiction within the geographic area where the Development is located. Such communication will include information on the Unit characteristics and rents and will advise the administrating agency that the property accepts Section 8 vouchers and certificates and will treat referrals in a fair and equal manner. Copies of such correspondence must be available during on-site reviews conducted by the Department. A prospective tenant participating in the voucher program shall have the right to report to the administrator of the Section 8 program that provided the certificate or voucher an exclusion from admission to a Development based on a financial or minimum income standard requiring the tenant to have a monthly income of more than 2.5 times the tenant or tenant's family share of the total monthly rent payable to the Development Owner. The administrator shall promptly report such exclusion to the Department.

(3) A Housing Sponsor that fails to comply with the requirements and procedures of this §49.19(h) of this title is subject to the following sanctions:

(A) Failure to lease to a prospective tenant due to the applicant's status as a recipient of a federal rental assistance voucher or certificate will result in a material non-compliance score as more fully described in subsection (s) of this section.

(B) A complaint of exclusion from admittance as described in subsection (h)(5) of this section that has been verified by the Department shall result in a non-compliance score as more fully described in subsection (s) of this section for a period of one year from the date of the Department's verification of the complaint.

(i) Record retention provision. The Development Owner is required to retain the records described in subsection (f) of this section for at least six years after the due date (with extensions) for filing the federal income tax return for that year; however, the records for the first year of the Credit Period must be retained for at least six years beyond the due date (with extensions) for filing the federal income tax return for the last year of the Compliance Period of the building.

(j) Certification and Review.

(1) On or before February 1st of each year, the Department will send each Development Owner of a completed Development an Owner's Certification of Program Compliance (form provided by the Department) to be completed by the Owner and returned to the Department on or before the first day of March of each year in

the Compliance Period. Any Development for which the certification is not received by the Department, is received past due, or is incomplete, improperly completed or not signed by the Development Owner, will be considered not in compliance with the provisions of §42 of the Code and reported to the IRS on Form 8823, Low Income Housing Credit Agencies Report of Non Compliance. The Owner Certification of Program Compliance shall cover the preceding calendar year and shall include at a minimum the following statements of the Development Owner:

- (A) the Development met the minimum set-aside test which was applicable to the Development;
- (B) there was no change in the Applicable Fraction of any building in the Development, or if there was such a change, the Applicable Fraction to be reported to the IRS for each building in the Development for the certification year;
- (C) the Development Owner has received an annual income certification from each low income resident and documentation to support that certification;
- (D) each low income Unit in the Development was rent-restricted under the Code, §42(g)(2);
- (E) all low income Units in the Development are and have been for use by the general public and used on a non-transient basis (except for transitional housing for the homeless provided under the Code, §42(l)(3)(B)(iii) and (iv));
- (F) No finding of discrimination under the Fair Housing Act, 42 U.S.C. 3601-3619, has occurred for this Development. A finding of discrimination includes an adverse final decision by the Secretary of HUD, 24 CFR 180.680, an adverse final decision by a substantially equivalent state or local fair housing agency, 42 U.S.C. 3616a(a)(1), or an adverse judgment from a federal court;
- (G) each building in the Development is and has been suitable for occupancy, taking into account local health, safety, and building codes (or other habitability standards), and the state or local government unit responsible for making building code inspections did not issue a report of a violation for any building or low income Unit in the Development. If a violation report or notice was issued by the governmental unit, the Development Owner must attach a copy of the violation report or notice. In addition, the Development Owner must state whether the violation has been corrected;
- (H) either there was no change in the Eligible Basis (as defined in the Code, §42(d)) of any building in the Development, or that there has been a change, and the nature of the change (e.g., a common area has become commercial space, a fee is now charged for a tenant facility formerly provided without charge, or the Development Owner has received federal subsidies with respect to the Development which had not been previously received or disclosed to the Department in writing);
- (I) all tenant facilities included in the Eligible Basis under the Code, §42(d), of any building in the Development, such as swimming pools, other recreational facilities, washer/dryer hook ups, appliances and parking areas, were provided on a comparable basis without charge to all tenants in the building;
- (J) if a low income Unit in the Development became vacant during the year, reasonable attempts were, or are being, made to rent that Unit or the next available Unit of comparable or smaller size to tenants having a qualifying income, and such Unit or the next available Unit of comparable or smaller size was actually rented to tenants having a qualifying income, before any other Units in the Development were, or will be, rented to tenants not having a qualifying income;
- (K) if the income of tenants of a low income Unit in the Development increased above the limit allowed in the Code, §42(g)(2)(D)(ii), the next available Unit of comparable or smaller size in that building was, or will be, rented to residents having a qualifying income;
- (L) a LURA including an Extended Low Income Housing Commitment as described in the Code, §42(h)(6), was in effect for buildings subject to section 7108(c)(1) of the Omnibus Budget Reconciliation Act of 1989, 103 Stat. 2106, 2308-2311, including the requirement under the Code, §42(h)(6)(B)(iv) that a Development Owner cannot refuse to lease a Unit in the Development to an applicant because the applicant holds a voucher or certificate of eligibility under Section 8 of the United States Housing Act of 1937, 42 U.S.C. 1437f (for buildings subject to section 1314c(b)(4) of the Omnibus Budget Reconciliation Act of 1993, 107 Stat. 312, 438-439;
- (M) no change in the ownership of a Development has occurred during the reporting period;
- (N) the Development Owner has not been notified by IRS that the Development is no longer "a qualified low income housing Development" within the meaning of the Code, §42;

- (P) if the Development Owner received its Housing Credit Allocation from the portion of the state ceiling set aside for Developments involving Qualified Nonprofit Organizations under the Code, §42(h)(5), a Qualified Nonprofit Organization owned an interest in and materially participated in the operation of the Development within the meaning of the Code, §469(h); and

(Q) no low income Units in the Development were occupied by households in which all members were Students.

(2) Review.

(A) The Department staff will review each Owner's Certification of Program Compliance for compliance with the requirements of the Code, §42.

(B) The Department will perform on-site inspections of all buildings in each low income Development by the end of the second calendar year following the year the last building in the Development is placed in service and, for at least 20% of the low income Units in each Development, inspect the Units and review the low income certifications, the documentation the Development Owner has received to support the certifications, the rent records for each low income tenant in those Units, and any additional information that the Department deems necessary.

(C) At least once every three years, the Department will conduct on-site inspections of all buildings in the Development, and for at least 20% of the Development's low income Units, inspect the Units and review the low income certifications, the documentation supporting the certifications, and the rent records for the tenants in those Units.

(D) The Department may, at the time and in the form designated by the Department, require the Development Owners to submit for compliance review, information on tenant income and rent for each low income Unit, and may require a Development Owner to submit for compliance review copies of the tenant files, including copies of the income certification, the documentation the Development Owner has received to support that certification and the rent record for any low income tenant.

(E) The Department will randomly select which low income Units and tenant records are to be inspected and reviewed by the Department. The review of the tenant records may be undertaken wherever the Development Owner maintains or stores the records. Units and tenant records to be inspected and reviewed will be selected in a manner that will not give Development Owners advance notice that a particular Unit and tenant records for a particular year will or will not be inspected or reviewed. However, the Department will give reasonable notice to the Development Owner that an on-site inspection or a tenant record review will occur, so that the Development Owner may notify tenants of the inspection or assemble tenant records for review.

(3) Exception. The Department may, at its discretion, enter into a Memorandum of Understanding with the TX-USDA-RHS, whereby the TX-USDA-RHS agrees to provide to the Department information concerning the income and rent of the tenants in buildings financed by the TX-USDA-RHS under its §515 program. Owners of such buildings may be excepted from the review procedures of subparagraph (B) or (C) of paragraph (2) of this subsection or both; however, if the information provided by TX-USDA-RHS is not sufficient for the Department to make a determination that the income limitation and rent restrictions of the Code, §42(g)(1) and (2), are met, the Development Owner must provide the Department with additional information. TX-USDA-RHS Developments satisfy the definition of Qualified Elderly Development if they meet the definition for elderly used by TX-USDA-RHS, which includes persons with disabilities.

(k) Inspection provision. The Department retains the right to perform an on site inspection of any low income Development including all books and records pertaining thereto through either the end of the Compliance Period or the end of the period covered by any Extended Low Income Housing Commitment, whichever is later. An inspection under this subsection may be in addition to any review under subsection (j)(2) of this section.

(l) Inspection Standard. For the on-site inspections of buildings and low income Units, the Department shall review any local health, safety, or building code violations reported to, or notices of such violations retained by, the Development Owner, under subsection (j)(1)(G) of this section, and determine whether the Units satisfy local health, safety, and building codes or the uniform physical condition standards for public housing established by HUD (24 CFR 5.703). The HUD physical condition standards do not supersede or preempt local health, safety and building codes. Developments must continue to satisfy these codes and if the Department becomes aware of any violation of these codes, the violations must be reported to the IRS.

(m) The Department retains the right to require the Owner to submit tenant data in the electronic format as developed by the Department. The Department will provide general instruction regarding the electronic transfer of data.

(n) Notices to Owner. The Department will provide prompt written notice to the Development Owner if the Department does not receive the certification described in subsection (j)(1) of this section or discovers through audit, inspection, review or any other manner, that the Development is not in compliance with the provisions of the Code, §42 or the LURA. The notice will specify a correction period which will not exceed 90 days from the date of notice to the Owner, during which the Development Owner may respond to the Department's findings, bring the Development into compliance, or supply any missing certifications. The Department may extend the correction period for up to six months from the date of notice to the Owner if it determines there is good cause

for granting an extension. If any communication to the Development Owner under this section is returned to the Department as unclaimed or undeliverable, the Development may be considered not in compliance without further notice to the Development Owner.

(o) Notice to the IRS.

(1) Regardless of whether the noncompliance is corrected, the Department is required to file IRS Form 8823 with the IRS. IRS Form 8823 will be filed not later than 45 days after the end of the correction period specified in the Notice to Owner (including any extensions permitted by the Department), but will not be filed before the end of the correction period. The Department will explain on IRS Form 8823 the nature of the noncompliance and will indicate whether the Development Owner has corrected the non-compliance or failure to certify.

(2) If a particular instance of non-compliance is not corrected within three years after the end of the permitted correction period, the Department is not required to report any subsequent correction to the IRS.

(3) The Department will retain records of noncompliance or failure to certify for six years beyond the Department's filing of the respective IRS Form 8823. In all other cases, the Department will retain the certification and records described in §49.19 of this title for three years from the end of the calendar year the Department receives the certifications and records.

(p) Notices to the Department. A Development Owner must notify the division responsible for compliance within the Department in writing of the events listed in paragraphs (1) through (3) of this subsection.

(1) prior to any sale, transfer, exchange, or renaming of the Development or any portion of the Development. For Rural Developments that are federally assisted or purchased from HUD, the Department shall not authorize the sale of any portion of the Development;

(2) any change of address to which subsequent notices or communications shall be sent; or

(3) within thirty days of the placement in service of each building, the Department must be provided the in service date of each building.

(q) Liability. Compliance with the requirements of the Code, §42 is the sole responsibility of the Development Owner of the building for which the credit is allowable. By monitoring for compliance, the Department in no way assumes any liability whatsoever for any action or failure to act by the Development Owner including the Development Owner's noncompliance with the Code, §42.

(r) These provisions apply to all buildings for which a low income housing credit is, or has been, allowable at any time. The Department is not required to monitor whether a building or Development was in compliance with the requirements of the Code, §42, prior to January 1, 1992. However, if the Department becomes aware of noncompliance that occurred prior to January 1, 1992, the Department is required to notify the IRS in a manner consistent with subsection (j) of this section.

(s) Material Non-Compliance. In accordance with §49.5(b)(6) and (7) of this title, the Department will disqualify an Application for funding if the Applicant, the Development Owner, or the General Contractor, or any Affiliate of the Applicant, the Development Owner, or the General Contractor that is active in the ownership or Control of one or more other low income rental housing properties located in or outside the State of Texas is determined by the Department to be in Material Non-Compliance on the date the Application Round closes. The Department will classify a property as being in Material Non-Compliance when such property has a Non-Compliance score that is equal to or exceeds 30 points in accordance with the methodology and point system set forth in this subsection, or if in accordance with §49.5(b)(7) of this title, the Department makes a determination that the non-compliance reported would equal or exceed a non-compliance score of 30 points if measured in accordance with the methodology and point system set forth in this subsection.

(1) Each property that has received an allocation from the Department will be scored according to the type and number of non-compliance events as it relates to the Low Income Housing Tax Credit Program or other Department programs. All Developments regardless of status that have received an allocation are scored even if the project no longer actively participates in the program.

(2) Uncorrected non-compliance will carry the maximum number of points until the non-compliance event has been reported corrected by the Department. Once reported corrected by the Department the score will reduce to the "corrected value" in paragraph (4) of this subsection. Corrected non-compliance will no longer be included in the Development score three years after the date the non-compliance was reported corrected by the Department. Non-compliance events that occurred and were identified by the Department through the issuance of the IRS form 8823 prior to January 1, 1998 are assigned corrected point values to each non-compliance event. The score for these events will no longer be included in the Development's score three years after the date the form 8823 was executed. For Applicants under this QAP, a non-compliance report will be run by the Department's Compliance Division on the date the Application Round closes. Any corrective action

documentation affecting this compliance status score must be received by the Department no later than February 1, 2003.

(3) Events of non-compliance are categorized as either "development events" or "unit/building events". Development events of non-compliance affect all the buildings in the property. However, the property will receive only one score for the event rather than a score for each building. Other types of non-compliance are identified individually by unit. This type of non-compliance will receive the appropriate score for each building cited with an event. The building scores accumulate towards the total score of the Development.

(4) Each type of non-compliance is assigned a point value. The point value for non-compliance is reduced upon correction of the non-compliance. The scoring point system and values are as described in subparagraphs (A) and (B) of this paragraph. The point system weighs certain types of non-compliance more heavily than others; therefore certain non-compliance events carry a sufficient number of points to automatically place the property in Material Non-Compliance. However other types of non-compliance by themselves do not warrant the classification of Material Non-Compliance. Multiple occurrences of these types of non-compliance events may produce enough points to cause the property to be in Material Non-Compliance. For purposes of these scores, the terms "uncorrected" and "corrected" refer to actions taken subsequent to notification of non-compliance by the Department.

(A) Development Non-Compliance items are identified in clauses (i) through (xx) of this subparagraph.

(i) Major property condition violations. As determined by the Department the project displays major violations of health, safety and building code or the property does not satisfy the uniform physical condition standards. Uncorrected is 30 points. Corrected is 20 points.
