§49.1. Purpose, Program Statement, Allocation Goals.

(a) **Purpose.** The Rules in this chapter apply to the allocation by the Texas Department of Housing and Community Affairs (the Department) of Housing Tax Credits authorized by applicable federal income tax laws. The Internal Revenue Code of 1986, §42, as amended, provides for credits against federal income taxes for owners of qualified low income rental housing Developments. That section provides for the allocation of the available tax credit amount by state housing credit agencies. Pursuant to Executive Order AWR-92-3 (March 4, 1992), the Department was authorized to make Housing Credit Allocations for the State of Texas. As required by the Internal Revenue Code, §42(m)(1), the Department developed this Qualified Allocation Plan (QAP) which is set forth in §§49.1 through 49.23 of this title. Sections in this chapter establish procedures for applying for and obtaining an allocation of Housing Tax Credits, along with ensuring that the proper threshold criteria, selection criteria, priorities and preferences are followed in making such allocations.

(b) **Program Statement.** The Department shall administer the program to encourage the development and preservation of appropriate types of rental housing for households that have difficulty finding suitable, accessible, affordable rental housing in the private marketplace; maximize the number of suitable, accessible, affordable residential rental units added to the state's housing supply; prevent losses for any reason to the state's supply of suitable, accessible, affordable residential rental units by enabling the rehabilitation of rental housing or by providing other preventive financial support; and provide for the participation of for-profit organizations and provide for and encourage the participation of nonprofit organizations in the acquisition, development and operation of accessible affordable housing developments in rural and urban communities. (2306.6701)

(c) **Allocation Goals.** It shall be the goal of this Department and the Board, through these provisions, to encourage diversity through broad geographic allocation of tax credits within the state, and in accordance with the regional allocation formula, and to promote maximum utilization of the available tax credit amount. The processes and criteria utilized to realize this goal are described in §§49.8 and 49.9 of this title, without in any way limiting the effect or applicability of all other provisions of this title.

§49.2. Coordination with Rural Agencies.

To assure maximum utilization and optimum geographic distribution of tax credits in rural areas, and to achieve increased sharing of information, reduction of processing procedures, and fulfillment of Development compliance requirements in rural areas, the Department has entered into a Memorandum of Understanding (MOU) with the TX-USDA-RHS to coordinate on existing, rehabilitated, and new construction housing Developments financed by TX-USDA-RHS; and will jointly administer the Rural Regional Allocation with the Texas Office of Rural Community Affairs (ORCA). ORCA will assist in developing all Threshold, Selection and Underwriting Criteria applied to Applications eligible for the Rural Regional Allocation. The Criteria will be approved by that Agency. To ensure that the Rural Regional Allocation receives a sufficient volume of eligible Applications, the Department and ORCA shall jointly implement outreach, training, and rural area capacity building efforts. (2306.6723)

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(B) the Executive Director, a Deputy Executive Director, the Director of Multifamily Finance Production, the Director of Portfolio Management and Compliance, the Director of Real Estate Analysis, or a manager over housing tax credits employed by the Department.

(6) (2306.6703) The Applicant proposes to replace in less than 15 years any private activity bond financing of the Development described by the Application, unless:

(A) has obtained prior approval of the Development from the governing body of the appropriate municipality or county containing the Development in the form of a resolution; and

(B) has included in the Application a written statement of support from that governing body referencing this rule and authorizing an allocation of housing tax credits for the Development;

(C) For purposes of this paragraph, evidence under subparagraphs (A) and (B) must be received by the Department no later than April 1, 2005 (or for Tax Exempt Bond Developments no later than 14 days before the Board meeting where the credits will be considered); or

(8) The Applicant proposes to construct a new Development that is located one linear mile (measured by a straight line on a map) or less from a Development that:

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

described under subparagraphs (A) through (C) of this paragraph. For purposes of this clause, evidence of the local government vote must be received by the Department no later than April 1, 2005 (or for Tax Exempt Bond Developments no later than 14 days before the Board meeting where the credits will be committed). (2306.6703)

(E) In determining the age of an existing development as it relates to the application of the three-year period, the development will be considered from the date the Board took action on approving the allocation of tax credits. In dealing with ties between two or more Developments as it relates to this rule, refer to §49.9(h).

(9) A submitted Application has an entire Volume of the application missing; has excessive omissions of documentation from the Threshold Criteria or Uniform Application documentation; or is so unclear, disjointed or incomplete that a thorough review can not reasonably be performed by the Department, as determined by the Department.

(b) **Disqualification and Debarment.** The Department will disqualify an Application, and/or debar a Person (see 2306.6721, Texas Government Code), if it is determined by the Department that any issues identified in the paragraphs of this subsection exist. The Department shall debar a Person for no shorter period than the longer of one year from the date of debarment, or until the violation causing the debarment has been remedied. If the Department determines the facts warrant it, a Person may be debarred for up to fifteen years. Causes for disqualification and debarment include: (2306.6721)

(1) The provision of fraudulent information, knowingly false documentation, or other intentional or negligent material misrepresentation in the Application or other information submitted to the Department at any stage of the evaluation or approval process; or,

(2) The Applicant, Development Owner, Developer or Guarantor or anyone that has 10% or more ownership interest in the Development Owner, Developer or Guarantor that is active in the ownership or Control of one or more other rent restricted rental housing properties in the state of Texas administered by the Department is in Material Non-Compliance with the LURA (or any other document containing an Extended Housing Commitment) or the program rules in effect for such property as further described in 10 TAC Section 60.1; or

(3) The Applicant, Development Owner, Developer or Guarantor or anyone that has 10% or more ownership interest in the Development Owner, Developer or Guarantor that is active in the ownership or Control of one or more other rent restricted rental housing properties outside of the state of Texas has an incidence of Material Non-Compliance with the LURA or the program rules in effect for such tax credit property as further described in 10 TAC Section 60.1; or

(4) The Applicant, Development Owner, Developer, or any Guarantor, or any Affiliate of such entity has been a Principal of any entity that failed to make all loan payments to the Department in accordance with the terms of the loan, as amended, or was otherwise in default with any provisions of any loans from the Department.

(5) The Applicant or the Development Owner that is active in the ownership or Control of one or more tax credit properties in the state of Texas has failed to pay in full any fees within 30 days of when they were billed by the Department, as further described in §49.20 of this title; or

(6) the Applicant or a Related Party and any Person who is active in the construction, rehabilitation, ownership, or Control of the proposed Development, including a General Partner or contractor, and a Principal or Affiliate of a General Partner or contractor, or an individual employed as a lobbyist by the Applicant or a Related Party, communicates with any Board member during the period of time beginning on the date an Application is filed and ending on the date the Board makes a final decision with respect to any approval of that Application, unless the communication takes place at any board meeting or public hearing held with respect to that Application. Communication with Department staff must be in accordance with §49.9(b) of this title; violation of the communication restrictions of §49.9(b) is also a basis for disqualification and/or debarment. (2306.1113)

(7) It is determined by the Department's General Counsel that there is evidence that establishes probable cause to believe that an Applicant, Development Owner, Developer, or any of their employees or agents has violated a state revolving door or other standard of conduct or conflict of interest statute, including Section 2306.6733, Texas Government Code, or a section of Chapter 572, Texas Government Code, in making, advancing, or supporting the Application.

(8) Applicants may be ineligible as further described in §49.17(c)(8) of this title.

(c) **Certain Applicant and Development Standards.** Notwithstanding any other provision of this section, the Department may not allocate tax credits to a Development proposed by an Applicant if the Department determines that: (2306.223)

(1) the Development is not necessary to provide needed decent, safe, and sanitary housing at rental prices that individuals or families of low and very low income or families of moderate income can afford;

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(2) the Development Owner undertaking the proposed Development will not supply well-planned and well-designed housing for individuals or families of low and very low income or families of moderate income;

(3) the Development Owner is not financially responsible;

(4) the Development Owner has contracted, or will contract for the proposed Development with, a Developer that:

(A) is on the Department's debarred list, including any parts of that list that are derived from the debarred list of the United States Department of Housing and Urban Development;

(B) has breached a contract with a public agency and failed to cure that breach; or

(C) misrepresented to a subcontractor the extent to which the Developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the Developer's participation in contracts with the agency and the amount of financial assistance awarded to the Developer by the agency;

(5) the financing of the housing Development is not a public purpose and will not provide a public benefit; and

(6) the Development will be undertaken outside the authority granted by this chapter to the Department and the Development Owner. (See 2306.223, Texas Government Code).

(d) **Representation by Former Board Member or Other Person.** (2306.6733)

(1) A former Board member or a former executive director, deputy executive director, director of multifamily finance production, director of portfolio management and compliance, director of real estate analysis or manager over housing tax credits previously employed by the Department may not:

(A) for compensation, represent an Applicant or one of its Related Parties for an allocation of tax credits before the second anniversary of the date that the Board member's, director's, or manager's service in office or employment with the Department ceased;

(B) represent any Applicant or a Related Party of an Applicant or receive compensation for services rendered on behalf of any Applicant or Related Party regarding the consideration of an Application in which the former board member, director, or manager participated during the period of service in office or employment with the Department, either through personal involvement or because the matter was within the scope of the board member's, director's, or manager's official responsibility; or for compensation, communicate directly with a member of the legislative branch to influence legislation on behalf of an Applicant or Related Party before the second anniversary of the date that the board member's, director's, or manager's service in office or employment with the Department ceased.

(2) A Person commits an offense if the Person violates this section. An offense under this section is a Class A misdemeanor. (See 2306.6733, Texas Government Code).

(e) **Due Diligence; Sworn Affidavit.** In exercising due diligence in considering information of possible ineligibility, possible grounds for disqualification and debarment, Applicant and Development standards, possible improper representation or compensation, or similar matters, the Department may request a sworn affidavit or affidavits from the Applicant, Development Owner, Developer, Guarantor, or other persons addressing the matter. If an affidavit determined to be sufficient by the Department is not received by the Department within seven business days of the date of the request by the Department, the Department may terminate the Application.

(f) **Appeals and Administrative Deficiencies for Ineligibility, Disqualification and Debarment.** An Applicant or Person found ineligible, disqualified, debarred or otherwise terminated under subsections (a) through (e) of this section will be notified in accordance with the Administrative Deficiency process described in §49.9(d)(4) of this title. They may also utilize the appeals process described in §49.17(b) of this title.

§49.6. Site and Development Restrictions: Floodplain, Ineligible Building Types, Scattered Site Limitations, Credit Amount, Limitations on the Size of Developments, Rehabilitation Costs.

(a) **Floodplain.** Any Development proposing new construction located within the 100 year floodplain as identified by the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Maps must develop the site so that all finished ground floor elevations are at least one foot above the flood plain and parking and drive areas are no lower than six inches below the floodplain, subject to more stringent local requirements. If no FEMA Flood Insurance Rate Maps are available for the proposed Development, flood zone documentation must be provided from the local government with jurisdiction identifying the 100 year floodplain. No buildings or roads that are part of a Development proposing rehabilitation, with the exception of developments with federal funding assistance from HUD or TX USDA-RHS, will be permitted in the 100 year floodplain unless they already meet the requirements established in this subsection for new construction.

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(b) **Ineligible Building Types.** Applications involving Ineligible Building Types as defined in §49.3(47) of this title will not be considered for allocation of tax credits.

(c) **Scattered Site Limitations.** Consistent with §49.3(28) of this title, a Development must be financed under a common plan, be owned by the same Person for federal tax purposes, and the buildings may be either located on a single site or contiguous site, or be located on scattered sites and contain only rent-restricted units.

(d) **Credit Amount.** The Department shall issue tax credits only in the amount needed for the financial feasibility and viability of a Development throughout the affordability period. The issuance of tax credits or the determination of any allocation amount in no way represents or purports to warrant the feasibility or viability of the Development by the Department, or that the Development will qualify for and be able to claim Housing Tax Credits. The Department will limit the allocation of tax credits to no more than \$1.2 million per Development. The Department shall not allocate more than \$2 million of tax credits in any given Application Round to any Applicant, Developer, Related Party or Guarantor; Housing Tax Credits approved by the Board during the 2005 calendar year, including commitments from the 2005 Credit Ceiling and forward commitments from the 2006 Credit Ceiling, are applied to the credit cap limitation for the 2005 Application Round. In order to encourage the capacity enhancement of developers in rural areas, the Department will prorate the credit amount allocated in situations where an Application is submitted in the Rural Regional Allocation and the Development has 76 Units or less. To be considered for this provision, a copy of a Joint Venture Agreement and narrative on how this builds the capacity of the inexperienced developers is required. Tax Exempt Bond Development Applications are not subject to these Housing Tax Credit limitations, and Tax Exempt Bond Developments will not count towards the total limit on tax credits per Applicant. The limitation does not apply (2306.6711(b)):

(1) to an entity which raises or provides equity for one or more Developments, solely with respect to its actions in raising or providing equity for such Developments (including syndication related activities as agent on behalf of investors);

(2) to the provision by an entity of "qualified commercial financing" within the meaning of the Code (without regard to the 80% limitation thereof);

(3) to a Qualified Nonprofit Organization or other not-for-profit entity, to the extent that the participation in a Development by such organization consists only of the provision of loan funds, grants or social services; and

(4) to a Development Consultant with respect to the provision of consulting services, provided the Development Consultant fee received for such services does not exceed 10% of the fee to be paid to the Developer (or 20% for Qualified Nonprofit Developments), or \$150,000, whichever is greater.

(e) **Limitations on the Size of Developments.**

(1) The minimum Development size will be 16 Units if the Development involves Housing Tax Credits; the minimum Development size will be 4 Units if the funding source only involves the Housing Trust Fund or HOME Program.

(2) Rural Developments involving new construction will be limited to 76 Units. Rural Developments involving only rehabilitation do not have a size limitation.

(3) Developments involving new construction, that are not Tax Exempt Bond Developments, will be limited to 252 Total Units, wherein the maximum Department administered Units will be limited to 200 Units. Tax Exempt Bond Developments will be limited to 252 Total Units. These maximum Unit limitations also apply to those Developments which involve a combination of rehabilitation and new construction. Developments that consist solely of acquisition/rehabilitation or rehabilitation only may exceed the maximum Unit restrictions. For those Developments which are a second phase or are otherwise adjacent to an existing tax credit Development unless such proposed Development is being constructed to provide replacement of previously existing affordable multifamily units on its site (in a number not to exceed the original units being replaced) or that were originally located within a one mile radius from the proposed Development, the combined Unit total for the Developments may not exceed the maximum allowable Development size, unless the first phase has been completed and has attained Sustaining Occupancy (as defined in §1.31 of this title) for at least six months.

(f) **Limitations on the Location of Developments.** Staff will only recommend, and the Board may only allocate, housing tax credits from the Credit Ceiling to more than one Development in the same calendar year if the Developments are, or will be, located more than one linear mile apart as determined by the Department. If the Board forward commits credits from the following year's allocation of credits, the Development is considered to be in the calendar year in which the Board votes, not in the year of the Credit Ceiling. This limitation applies only to communities contained within counties with populations exceeding one million (which for calendar year 2005 are Harris, Dallas, Tarrant and Bexar Counties). For purposes of this rule, any two sites not more than one linear mile apart are deemed to be "in a single community." (2306.6711) This restriction does not apply to the allocation of housing tax credits to Developments financed through the Tax Exempt Bond program, including the

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

Tax Exempt Bond Developments under review and existing Tax Exempt Bond Developments in the Department's portfolio. (2306.67021)

(g) **Rehabilitation Costs.** Rehabilitation Developments must establish that the rehabilitation will substantially improve the condition of the housing and will involve at least \$6,000 per Unit in direct hard costs.

(h) **Unacceptable Sites.** Developments will be ineligible if the Development is located on a site that is determined to be unacceptable by the Department.

§49.7. Regional Allocation Formula, Set-Asides, Redistribution of Credits.

(a) **Regional Allocation Formula.** (2306.111) As required by 2306.111, Texas Government Code, the Department uses a regional distribution formula developed by the Department to distribute credits from the State Housing Credit Ceiling to all urban/exurban areas and rural areas. The formula is based on the need for housing assistance, and the availability of housing resources in those urban/exurban areas and rural areas, and the Department uses the information contained in the Department's annual state low income housing plan and other appropriate data to develop the formula. This formula establishes separate targeted tax credit amounts for rural areas and urban/exurban areas within each of the Uniform State Service Regions. Each Uniform State Service Region's targeted tax credit amount will be published on the Department's web site. The regional allocation for rural areas is referred to as the Rural Regional Allocation and the regional allocation for urban/exurban areas is referred to as the Urban/Exurban Regional Allocation. Developments qualifying for the Rural Regional Allocation must meet the Rural Development definition or be located in a Prison Community. Approximately 5% of each region's allocation for each calendar year shall be allocated to Developments which are financed through TX-USDA-RHS and that meet the definition of a Rural Development and do not exceed 76 Units if new construction. These Developments will be attributed to the Rural Regional Allocation in each region where they are located. Developments financed through TX-USDA-RHS's 538 Guaranteed Rural Rental Housing Program will not be considered under this set-aside. Commitments of 2005 Housing Tax Credits issued by the Board in 2004 will be applied to each Set-Aside, Rural Regional Allocation, Urban/Exurban Regional Allocation and TX-USDA-RHS Allocation for the 2005 Application Round as appropriate.

(b) **Set-Asides.** An Applicant may elect to compete in as many of the following Set-Asides for which the proposed Development qualifies: (2306.111(d))

(1) At least 10% of the State Housing Credit Ceiling for each calendar year shall be allocated to Qualified Nonprofit Developments which meet the requirements of the Code, §42(h)(5). Qualified Nonprofit Organizations must have the Controlling interest in the Qualified Nonprofit Development applying for this Set-Aside. If the organization's Application is filed on behalf of a limited partnership, the Qualified Nonprofit Organization must be the controlling managing General Partner. If the organization's Application is filed on behalf of a limited liability company, the Qualified Nonprofit Organization must be the controlling Managing Member. Additionally, a Qualified Nonprofit Development submitting an Application in the nonprofit set-aside must have the nonprofit entity or its nonprofit affiliate or subsidiary be the Developer or a co-Developer as evidenced in the development agreement. (2306.6729 and 2306.6706(b))

(2) At least 15% of the allocation to each Uniform State Service Region will be set aside for allocation under the At-Risk Development Set-Aside. Through this Set-Aside, the Department, to the extent possible, shall allocate credits to Applications involving the preservation of developments designated as At-Risk Developments as defined in §49.3(12) of this title. (2306.6714). To qualify as an At-Risk Development, the Applicant must provide evidence that it either is not eligible to renew, retain or preserve any portion of the financial benefit described in §49.3(12)(A) of this title, or provide evidence that it will renew, retain or preserve the financial benefit described in §49.3(12)(A) of this title.

(c) **Redistribution of Credits.** (2306.111(d)) If any amount of housing tax credits remain after the initial commitment of housing tax credits among the Rural Regional Allocation and Urban/Exurban Regional Allocation within each Uniform State Service Region and among the Set-Asides, the Department may redistribute the credits amongst the different regions and Set-Asides depending on the quality of Applications submitted as evaluated under the factors described in §49.9(d) of this title and the level of demand exhibited in the Uniform State Service Regions during the Allocation Round. However as described in subsection (b)(1) of this section, no more than 90% of the State's Housing Credit Ceiling for the calendar year may go to Developments which are not Qualified Nonprofit Developments. If credits will be transferred from a Uniform State Service Region which does not have enough qualified Applications to meet its regional credit distribution amount, then those credits will be apportioned to the other Uniform State Service Regions.

§49.8. Pre-Application: Submission, Evaluation Process, Threshold Criteria and Review, Results.
(2306.6704)

(a) **Pre-Application Submission.** Any Applicant requesting a Housing Credit Allocation may submit a Pre-Application to the Department during the Pre-Application Acceptance Period along with the required Pre-Application Fee as described in §49.20 of this title. Only one Pre-Application may be submitted by an Applicant for each site under the State Housing Credit Ceiling. The Pre-Application submission is a voluntary process. While the Pre-Application Acceptance Period is open, Applicants may withdraw their Pre-Application and subsequently file a new Pre-Application utilizing the original Pre-Application Fee that was paid as long as no evaluation was performed by the Department. The Department is authorized to request the Applicant to provide additional information it deems relevant to clarify information contained in the Pre-Application or to submit documentation for items it considers to be Administrative Deficiencies. The rejection of a Pre-Application shall not preclude an Applicant from submitting an Application with respect to a particular Development or site at the appropriate time.

(b) **Communication with the Department.** Applicants that submit a Pre-Application are restricted from communication with Department staff as provided in §49.9(b) of this title. (2306.1113)

(c) **Pre-Application Evaluation Process.** Eligible Pre-Applications will be evaluated for Pre-Application Threshold Criteria. Any Application from a TX-USDA-RHS 515 Development (only for rehabilitation) is exempted from the Pre-Application Evaluation Process and will automatically receive the Pre-Application points further outlined in Section 49.9(g) of this title. Applications involving New Construction that are associated with a TX-USDA-RHS Development are not exempt from Pre-Application and are eligible to compete for the Pre-Application points further outlined in §49.9(g) of this title. An Application that has not received confirmation from the state office of RHS of its financing from TX-USDA-RHS may qualify for Pre-Application points, but such points shall be withdrawn upon the Development's receipt of TX-USDA-RHS financing. Pre-Applications that are found to have Administrative Deficiencies will be handled in accordance with §49.9(d)(4) of this title. Department review at this stage is limited and not all issues of eligibility and threshold are reviewed at Pre-Application. Acceptance by staff of a Pre-Application does not ensure that an Applicant satisfies all Application eligibility, Threshold or documentation requirements. The Department is not responsible for notifying an Applicant of potential areas of ineligibility or threshold deficiencies at the time of Pre-Application.

(d) **Pre-Application Threshold Criteria and Review.** Applicants submitting a Pre-Application will be required to submit information demonstrating their satisfaction of the Pre-Application Threshold Criteria. The Pre-Applications not meeting the Pre-Application Threshold Criteria will be terminated and the Applicant will receive a written notice to the effect that the Pre-Application Threshold Criteria have not been met. The Department shall not be responsible for the Applicant's failure to meet the Pre-Application Threshold Criteria and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Pre-Application Threshold Criteria shall not confer upon the Applicant any rights to which it would not otherwise be entitled. The Pre-Application Threshold Criteria include:

(1) Submission of a "Pre-Application Submission Form" and "Certification of Pre-Application Total Self-Score" and

(2) Evidence of site control through March 1, 2005 as evidenced by the documentation required under §49.9(f)(7)(A) of this title.

(3) Evidence that all of the notifications required under this paragraph have been made. Notifications under clause (B)(i) must be made by the deadlines described in that clause; notifications under clauses (B)(ii) through (ix) must be made prior to the close of the Pre-Application Acceptance Period. (2306.6704) Evidence of notification must meet the requirements identified in subparagraph (A) of this paragraph to all of the individuals and entities identified in subparagraph (B) of this paragraph. Evidence of such notifications shall include a copy of the exact letter and other materials that were sent to the individual or entity, a sworn certified affidavit stating that they made the notifications prior to the deadlines and a copy of the entire mailing list (which includes the names and addresses) of all of the recipients. (2306.6705) (2306.6704)

(A) Each such notice must include, at a minimum, all of the following:

(i) The Applicant's name, address, individual contact name and phone number;

(ii) The Development name, address, city and county;

(iii) A statement informing the entity or individual being notified that the Applicant is submitting a request for Housing Tax Credits with the Texas Department of Housing and Community Affairs;

(iv) Statement of whether the Development proposes new construction or rehabilitation;

(v) The type of Development being proposed (single family homes, duplex, apartments, townhomes, highrise etc.) and population being served (family, transitional, elderly);

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(vi) The approximate total number of Units and approximate total number of low income Units;

(vii) The approximate percentage of Units serving each level of AMGI (e.g. 20% at 50% of AMGI, etc.) and the percentage of Units that are market rate;

(viii) The number of Units and proposed rents (less utility allowances) for the low income Units and the number of Units and the proposed rents for any market rate Units. Rents to be provided are those that are effective at the time of the Pre-Application, which are subject to change as annual changes in the area median income occur; and

(ix) The expected completion date if credits are awarded.

(B) Notification must be sent to all of the following individuals and entities. Officials to be notified are those officials in office at the time the Application is submitted.

(i) Notification to Local Elected Officials for Neighborhood Organization Input. Evidence must be provided that a letter requesting information on neighborhood organizations on record with the state or county in which the Development is to be located and whose boundaries contain the proposed Development site and meeting the requirements of "Local Elected Official Notification" as outlined in the Application was sent no later than December 20, 2004 to the local elected official for the city or if located outside of a city, then the county where the Development is proposed to be located. If the Development is located in a jurisdiction that has district based local elected officials, or both at-large and district based local elected officials, the notification must be made to the city council member or county commissioner representing that district; if the Development is located in a jurisdiction that has only at-large local elected officials, the notification must be made to the mayor or county judge for the jurisdiction. A copy of the reply letter or other official third-party documentation from the local elected official must be provided. For urban/exurban areas, entities identified in the letter from the local elected official whose boundaries include the proposed Development whose listed address has the same zip code as the zip code for the Development must be provided with written notification, and evidence of that notification must be provided. If any other zip codes exist within a half mile of the Development site, then all entities identified in the letters with those adjacent zip codes must also be provided with written notification, and evidence of that notification must be provided. For rural areas, all entities identified in the letters whose listed address is within a half mile of the Development site must be provided with written notification, and evidence of that notification must be provided. If the Applicant can provide evidence that the proposed Development is not located within the boundaries of an entity on a list from the local elected officials, then such evidence in lieu of notification may be acceptable. If no reply letter is received from the local elected officials by January 1, 2005, (or For Tax Exempt Bond Developments or Applications not applying for Tax Credits, but applying only for other Multifamily Programs such as HOME, Housing Trust Fund, etc., by 7 days prior to the submission of the Application) then the Applicant must submit a statement attesting to that fact. If an Applicant has knowledge of any neighborhood organizations on record with the state or county in which the Development is to be located and whose boundaries contain the proposed Development site, the Applicant must notify those organizations. The Applicant must also certify that any organizations in a response letter that are not notified do not contain the proposed Development site within their boundaries. In the event that local elected officials refer the Applicant to another source, the Applicant must also notify that source and request the same information. If the Applicant has no knowledge of neighborhood organizations within whose boundaries the Development is proposed to be located, the Applicant must attest to that fact in the format provided by the Department as part of the Application.

(ix) State representative of the district containing the Development.

(e) **Pre-Application Results.** Only Pre-Applications which have satisfied all of the Pre-Application Threshold Criteria requirements set forth in subsection (d) of this section and §49.9(g)(10) of this title, will be eligible for Pre-Application points. The order and scores of those Developments released on the Pre-Application Submission Log do not represent a commitment on the part of the Department or the Board to allocate tax credits to any Development and the Department bears no liability for decisions made by Applicants based on the results of the Pre-Application Submission Log. Inclusion of a Development on the Pre-Application Submission Log does not ensure that an Applicant will receive points for a Pre-Application.

§49.9. Application: Submission, Adherence to Obligations, Evaluation Process, Required Pre-Certification and Acknowledgement, Threshold Criteria, Selection Criteria, Evaluation Factors, Staff Recommendations.

(a) **Application Submission.** Any Applicant requesting a Housing Credit Allocation or a Determination Notice must submit an Application, and the required Application fee as described in §49.20 of this title, to the Department during the Application Acceptance Period. Only complete Applications will be accepted. All required volumes must be appropriately bound as required by the Application Submission Procedures Manual and fully complete for submission and received by the Department not later than 5:00 p.m. on the date the Application is due. Only one Application may be submitted for a site in an Application Round. While the Application Acceptance Period is open, Applicants may withdraw their Application and subsequently file a new Application utilizing the original Pre-Application Fee that was paid as long as no evaluation was performed by the Department. The Department is authorized, but not required, to request the Applicant to provide additional information it deems relevant to clarify information contained in the Application or to submit documentation for items it considers to be an Administrative Deficiency, including both threshold and selection criteria documentation. (2306.6708) An Applicant may not change or supplement an Application in any manner after the filing deadline, and may not add any set-asides, increase their credit amount, or revise their unit mix (both income levels and bedroom mixes), except in response to a direct request from the Department to remedy an Administrative Deficiency as further described in §49.3(1) of this title or by amendment of an Application after a commitment or allocation of tax credits as further described in §49.17 of this title.

(b) **Communication with Department Employees.** Communication with Department staff by Applicants that submit a Pre-Application or Application must follow the following requirements. During the period beginning on the date a Development Pre-Application or Application is filed and ending on the date the Board makes a final decision with respect to any approval of that Application, the Applicant or a Related Party, and any Person that is active in the construction, rehabilitation, ownership or Control of the proposed Development including a General Partner or contractor and a Principal or Affiliate of a General Partner or contractor, or individual employed as a lobbyist by the Applicant or a Related Party, may communicate with an employee of the Department about the Application orally or in written form, which includes electronic communications through the Internet, so long as that communication satisfies the conditions established under paragraphs (1) through (3) of this subsection. §49.5(b)(7) of this title applies to all communication with Board members. Communications with Department employees is unrestricted during any board meeting or public hearing held with respect to that Application.

(1) The communication must be restricted to technical or administrative matters directly affecting the Application;

(2) The communication must occur or be received on the premises of the Department during established business hours;

(3) a record of the communication must be maintained by the Department and included with the Application for purposes of board review and must contain the date, time, and means of communication; the names and position titles of the persons involved in the communication and, if applicable, the person's relationship to the Applicant; the subject matter of the communication; and a summary of any action taken as a result of the communication. (2306.1113)

(c) **Adherence to Obligations.** (2306.6720) All representations, undertakings and commitments made by an Applicant in the application process for a Development, whether with respect to Threshold Criteria, Selection Criteria or otherwise, shall be deemed to be a condition to any Commitment Notice, Determination Notice, or Carryover Allocation for such Development, the violation of which shall be cause for cancellation of such Commitment Notice, Determination Notice, or Carryover Allocation by the Department, and if concerning the ongoing features or operation of the Development, shall be enforceable even if not reflected in the LURA. All such representations are enforceable by the Department and the tenants of the Development, including enforcement by administrative penalties for failure to perform, in accordance with the LURA. To protect the integrity of the Department's processes and decisions, evidence of false statements or misrepresentations from applicant representatives, neighborhood representatives, or other persons will be considered for appropriate action, including terminating the Application, rejecting neighborhood organization letters for scoring, and possible referral to local district and county attorneys.

(d) **Evaluation Process.** Applications will be reviewed according to the process outlined in this subsection. An Application, during any of these stages of review, may be determined to be ineligible as further described in §49.5(b)(2); Applicants will be promptly notified in these instances.

(1) **Eligibility and Selection Criteria Review.** All Applications will first be reviewed as described in this paragraph. Applications will be confirmed for eligibility under §§49.5 and 49.6 of this chapter and Set-Aside

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

eligibility will be confirmed. Then, each Application will be preliminarily scored according to the Selection Criteria listed in subsection (g) of this section. When a particular scoring criterion involves multiple points, the Department will award points to the proportionate degree, in its determination, to which a proposed Development complied with that criterion. As necessary to complete this process only, Administrative Deficiencies may be issued to the Applicant. This process will generate a preliminary Department score for every application.

(2) Priority Review Assessment. Each Application will be assessed based on either the Applicant's self-score or the Department's preliminary score, region, and any Set-Asides that the Application indicates it is eligible for, consistent with paragraph (5) of this subsection. Those Applications that appear to be most competitive will be designated as "priority" Applications. Applications that do not appear to be competitive may not be reviewed in detail for Threshold Criteria during the Application Round.

(3) Threshold Criteria Review. Applications that are designated as "priority" from the Priority Review Assessment will be evaluated in detail against the Threshold Criteria. Applications not meeting Threshold Criteria will be terminated, unless the Department determines that the failure to meet the Threshold Criteria is the result of Administrative Deficiencies, in which event the Applicant may be given an opportunity to correct such deficiencies. Applications not meeting Threshold Criteria will be terminated and the Applicant will be provided a written notice to that effect. The Department shall not be responsible for the Applicant's failure to meet the Threshold Criteria, and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Threshold Criteria shall not confer upon the Applicant any rights to which it would not otherwise be entitled. Not all Applications will be reviewed in detail for Threshold Criteria. To the extent that the review of Threshold Criteria documentation, or submission of Administrative Deficiency documentation, alters the score assigned to the Application, Applicants will be notified of their final score. As Applications are evaluated under this Review process, a final score by the Department may remove the Application from "priority" status at which point other Applications may be designated as "priority" and reviewed under this paragraph.

(4) Administrative Deficiencies. If an Application contains deficiencies which, in the determination of the Department staff, require clarification or correction of information submitted at the time of the Application, the Department staff may request clarification or correction of such Administrative Deficiencies. Because the review for Eligibility and Selection, and Threshold Criteria may occur separately, Administrative Deficiency requests may be made several times. The Department staff may request clarification or correction in a deficiency notice in the form of a facsimile and a telephone call to the Applicant advising that such a request has been transmitted. If Administrative Deficiencies are not clarified or corrected to the satisfaction of the Department within eight business days of the deficiency notice date, then five points shall be deducted from the Selection Criteria score for each additional day the deficiency remains unresolved. If deficiencies are not clarified or corrected within ten business days from the deficiency notice date, then the Application shall be terminated. The time period for responding to a deficiency notice begins at the start of the business day following the deficiency notice date. Deficiency notices may be sent to an Applicant prior to or after the end of the Application Acceptance Period.

(5) Subsequent Evaluation of Prioritized Applications. The Department will assign, as herein described, Developments for review for financial feasibility by the Department's Real Estate Analysis Division - in general these will be those applications identified as "priority". This prioritization order will also be used in making recommendations to the Board. Assignments will be determined by first selecting the Applications with the highest scores in the At-Risk Set-Aside and TX-USDA-RHS Allocation within each Uniform State Service Region. Remaining funds within each Uniform State Service Region will then be selected based on the highest scoring Developments, regardless of Set-Aside, in accordance with the requirements under §49.7(a) of this title for a Rural Regional Allocation and Urban/Exurban Regional Allocation. After this priority review has occurred, staff will review priority applications to ensure that at least 10% of the priority applications are qualified Nonprofits to satisfy the Nonprofit Set-Aside. If 10% is not met, then the Department will add the highest Qualified Nonprofits statewide until the 10% Nonprofit Set-Aside is met. Selection for each of the Set-Asides will take precedence over selection for the Rural Regional Allocation and Urban/Exurban Regional Allocation. Funds for the Rural Regional Allocation or Urban/Exurban Regional Allocation within a region, for which there are no eligible feasible applications, will be redistributed as provided in §49.7(c) Redistribution of Credits. If the Department determines that an allocation recommendation would cause a violation of the \$2 million limit described in §49.6(d) of this title, the Department will make its recommendation by selecting the Development(s) that most effectively satisfies(y) the Department's goals in meeting set-aside and regional allocation goals. Based on Application rankings, the Department shall continue to underwrite Applications until the Department has processed enough Applications satisfying the Department's underwriting criteria to enable the allocation of all available housing tax credits according to regional allocation goals and Set-Aside categories. To enable the Board to establish a Waiting List, the Department shall underwrite as many additional Applications

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

as necessary to ensure that all available housing tax credits are allocated within the period required by law. (2306.6710(a), (b) and (d); 2306.111)

(6) **Underwriting Evaluation and Criteria.** The Department shall underwrite an Application to determine the financial feasibility of the Development and an appropriate level of housing tax credits. In determining an appropriate level of housing tax credits, the Department shall, at a minimum, evaluate the cost of the Development based on acceptable cost parameters as adjusted for inflation and as established by historical final cost certifications of all previous housing tax credit allocations for the county in which the Development is to be located; if certifications are unavailable for the county, then the metropolitan statistical area in which the Development is to be located; or if certifications are unavailable under the county or the metropolitan statistical area, then the Uniform State Service Region in which the Development is to be located. Underwriting of a Development will include a determination by the Department, pursuant to the Code, §42, that the amount of credits recommended for commitment to a Development is necessary for the financial feasibility of the Development and its long-term viability as a qualified rent restricted housing property. In making this determination, the Department will use the Underwriting Rules and Guidelines, §1.32 of this title. Receipt of feasibility points under §49.9(g)(1) of this title does not ensure that an Application will be considered feasible during the feasibility evaluation by the Real Estate Analysis Division and conversely, a Development may be found feasible during the feasibility evaluation by the Real Estate Analysis Division even if it did not receive points under §49.9(g)(1) of this title. (2306.6711(b); 2306.6710(d))

(A) The Department may have an external party perform the underwriting evaluation to the extent it determines appropriate. The expense of any external underwriting evaluation shall be paid by the Applicant prior to the commencement of the aforementioned evaluation.

(B) The Department will reduce the Applicant's estimate of Developer's and/or Contractor fees in instances where these exceed the fee limits determined by the Department. In the instance where the Contractor is an Affiliate of the Development Owner and both parties are claiming fees, Contractor's overhead, profit, and general requirements, the Department shall be authorized to reduce the total fees estimated to a level that it determines to be reasonable under the circumstances. Further, the Department shall deny or reduce the amount of Housing Tax Credits allocated with respect to any portion of costs which it deems excessive or unreasonable. Excessive or unreasonable costs may include developer fee attributable to Related Party acquisition costs. The Department also may require bids or Third Party estimates in support of the costs proposed by any Applicant.

(7) **Compliance Evaluation.** After the Department has determined which Developments will be reviewed for financial feasibility, those same Developments will be reviewed for evaluation of the compliance status by the Department's Portfolio Management and Compliance Division, in accordance with Chapter 60 of this title.

(8) **Site Evaluation.** Site conditions shall be evaluated through a physical site inspection by the Department or its assigns. Such inspection will evaluate the site based upon the criteria set forth in the Site Evaluation form provided in the Application and the inspector shall provide a written report of such site evaluation. The evaluations shall be based on the condition of the surrounding neighborhood, including appropriate environmental and aesthetic conditions and proximity to retail, medical, recreational, and educational facilities, and employment centers. The site's appearance to prospective tenants and its accessibility via the existing transportation infrastructure and public transportation systems shall be considered. "Unacceptable" sites include, without limitation, those containing a non-mitigable environmental factor that may adversely affect the health and safety of the residents. For Developments applying under the TX-USDA-RHS Set-Aside, the Department may rely on the physical site inspection performed by TX-USDA-RHS.

(e) **Pre-Certification and Acknowledgement Procedures.** No later than 14 days prior to the close of the Application Acceptance Period, an Applicant must submit the documents required in this subsection to obtain the required pre-certification and acknowledgement. For Applications submitted for Tax Exempt Bond Developments or Applications not applying for Tax Credits, but applying only under other Multifamily Programs (HOME, Housing Trust Fund, etc.) all documents in this section must be submitted with the Application.

(1) **Experience Certificate.** Upon receipt of the evidence required under this paragraph, a certification from the Department will be provided to the Applicant for inclusion in their Application(s). Evidence must show that one of the Development Owner's General Partners, the Developer or their Principals have a record of successfully constructing or developing residential units (single family or multifamily) in the capacity of owner, General Partner or Developer. If a Public Housing Authority organized an entity for the purpose of developing residential units the Public Housing Authority shall be considered a principal for the purpose of this requirement. If the individual requesting the certification was not the Development Owner, General Partner or Developer, but was the individual within one of those entities doing the work associated with the development of the units, the individual must show that the units were successfully developed as required below, and also provide written confirmation from the entity involved stating that the individual was the person responsible for the development. If rehabilitation experience is being claimed to qualify for an Application involving new

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

construction, then the rehabilitation must have been substantial and involved at least \$6,000 of direct hard cost per unit.

(A) The term "successfully" is defined as acting in a capacity as the owner, General Partner, or Developer of:

(i) at least 100 residential units; or

(ii) at least 36 residential units if the Development applying for credits is a Rural Development;

or

(iii) at least 25 residential units if the Development applying for credits has 36 or fewer total Units.

(B) One of the following documents must be submitted: American Institute of Architects (AIA) Document A111 - Standard Form of Agreement Between Owner & Contractor, AIA Document G704 - Certificate of Substantial Completion, IRS Form 8609, HUD Form 9822, development agreements, partnership agreements, or other documentation satisfactory to the Department verifying that the Development Owner's General Partner, partner (or if Applicant is to be a limited liability company, the managing member), Developer or their Principals have the required experience. If submitting the IRS Form 8609, only one form per Development is required. The evidence must clearly indicate:

(i) that the Development has been completed (i.e. Development Agreements, Partnership Agreements, etc. must be accompanied by certificates of completion.);

(ii) that the names on the forms and agreements tie back to the Development Owner's General Partner, partner (or if Applicant is to be a limited liability company, the managing member), Developer or their Principals as listed in the Application; and

(iii) the number of units completed or substantially completed.

(2) Financial Statement and Authorization to Release Credit Information. At the option of the Applicant, financial statements may be pre-submitted and a Department acknowledgement of receipt substituted for the financials in the subsequent Application. The acknowledgement will not constitute acceptance by the Department that financial statements provided are acceptable in any manner but only acknowledge their receipt. Applicants that do not opt to pre-submit financial statements and authorization to release credit information must provide a full submission in accordance with this paragraph at the time of application. The financial statements and authorization to release credit information must be unbound and clearly labeled. A "Financial Statement and Authorization to Release Credit Information" must be completed and signed for any General Partner, Developer or Guarantor and any Person that has 10% or more ownership interest in the Development Owner, General Partner, Developer, or Guarantor. Nonprofit entities, public housing authorities and publicly traded corporations are only required to submit documentation for the entities involved; documentation for individual board members and executive directors is not required for this exhibit.

(A) Financial statements for an individual must not be older than 90 days from the date of Application submission.

(B) Financial statements for partnerships or corporations should be for the most recent fiscal year ended 90 days prior to the date of Application submission. An audited financial statement should be provided, if available, and all partnership or corporate financials must be certified. Financial statements are required for an entity even if the entity is wholly-owned by a Person who has submitted this document as an individual.

(C) Entities that have not yet been formed and entities that have been formed recently but have no assets, liabilities, or net worth are not required to submit this documentation, but must submit a statement with their Application that this is the case.

(3) Previous Participation. Upon receipt of the evidence required under this paragraph, an acknowledgement from the Portfolio Management and Compliance Division will be provided to the Applicant for inclusion in their Application(s). A completed and executed "Previous Participation and Background Certification Form" as provided in the Application must be provided for the Applicant, Development Owner, Developer and Guarantor and each entity shown on an organizational chart as described in subsection (f)(9)(A) of this section that has 10% or more ownership interest in the Development Owner, Developer or Guarantor. Nonprofit entities, public housing authorities and publicly traded corporations are only required to submit documentation for the entities involved; documentation for individual board members and executive directors is not required for this exhibit. Any Person receiving more than 10% of the Developer fee will also be required to submit documents for this exhibit. The 2005 versions of these forms, as required in the Uniform Application, must be submitted. Units of local government are also required to submit this document. The form must include a list of all developments that are, or were, previously under ownership or Control of the Person. All participation in any TDHCA funded or monitored activity, including non-housing activities, must be disclosed.

(4) National Previous Participation. Upon receipt of the evidence required under this paragraph, an acknowledgement from the Portfolio Management and Compliance Division will be provided to the Applicant for

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

inclusion in their Application(s). If the Applicant, Development Owner or any of its Affiliates, Developer and Guarantor or any entity shown on the organizational chart described in subsection (f)(9)(A) of this section that have 10% or more ownership interest in the Development Owner have, or have had, ownership or Control of affordable housing, being housing that receives any form of financing and/or assistance from any Governmental Entity for the purpose of enhancing affordability to persons of low or moderate income, outside the state of Texas, then evidence must be submitted that such Persons have sent the "National Previous Participation and Background Certification Form" to the appropriate Housing Credit Agency for each state in which they have developed or operated affordable housing. Nonprofit entities and public housing authorities are only required to submit documentation for the entity itself; documentation for board members and executive directors is not required for this exhibit. Any Person receiving more than 10% of the Developer fee will also be required to submit documents for this exhibit. This form is only necessary when the Developments involved are outside the state of Texas. An original form is not required. Evidence of such notification shall be a copy of the form sent to the agency and proof of delivery in the form of a certified mail receipt, overnight mail receipt, or confirmation letter from the agency.

(f) **Threshold Criteria.** The following Threshold Criteria listed in this subsection are mandatory requirements at the time of Application submission unless specifically indicated otherwise:

(1) Completion and submission of the Application, which includes the entire Uniform Application and any other supplemental forms which may be required by the Department. (2306.1111)

(2) Completion and submission of the Site Packet as provided in the Application.

(3) Set-Aside Eligibility. Documentation must be provided that confirms eligibility for all Set-Asides under which the Application is seeking funding as required in the Application.

(4) Certifications. The "Certification Form" provided in the Application confirming the following items:

(A) A certification of the basic amenities selected for the Development. All Developments, must meet at least the minimum threshold of points. These points are not associated with the selection criteria points in this title. The amenities selected must be made available for the benefit of all tenants. If fees in addition to rent are charged for amenities reserved for an individual tenant's use, then the amenity may not be included among those provided to complete this exhibit. Developments must provide a minimum number of common amenities in relation to the Development size being proposed. The amenities selected must be selected from clause (ii) of this subparagraph and made available for the benefit of all tenants. Developments proposing rehabilitation or proposing Single Room Occupancy will receive double points for each item. Applications for scattered site housing, including new construction, rehabilitation, and single-family design, will have the threshold test applied based on the number of Units per individual site. Any future changes in these amenities, or substitution of these amenities, must be approved by the Department in accordance with §49.17(c) of this title and may result in a decrease in awarded credits if the substitution or change includes a decrease in cost, or in the cancellation of a Commitment Notice or Carryover Allocation if all of the Common Amenities claimed are no longer met.

(i) Applications must meet a minimum threshold of points (based on the total number of Units in the Development) as follows:

(I) Total Units are less than 13, 0 points are required to meet Threshold for rehabilitation and 1 point is required for new construction;

(II) Total Units are between 13 and 24, 1 point is required to meet Threshold;

(III) Total Units are between 25 and 40, 3 points are required to meet Threshold;

(IV) Total Units are between 40 and 76, 6 points are required to meet Threshold;

(V) Total Units are between 77 and 99, 9 points are required to meet Threshold;

(VI) Total Units are between 100 and 149, 12 points are required to meet Threshold;

(VII) Total Units are between 150 and 199, 15 points are required to meet Threshold;

(VIII) Total Units are 200 or more, 18 points are required to meet Threshold.

(ii) Amenities for selection include those items listed in subclauses (I) through (XXIV) of this clause. Both Developments designed for families and Qualified Elderly Developments can earn points for providing each identified amenity unless the item is specifically restricted to one type of Development. All amenities must meet accessibility standards as further described in §49.9(f)(4)(D) of this title. An Application can only count an amenity once, therefore combined functions (a library which is part of a community room) only count under one category. Spaces for activities must be sized appropriately to serve the anticipated population.

(I) Full perimeter fencing with controlled gate access (3 points);

(II) Full perimeter fencing without controlled gate access (2 points);

(III) Gazebo w/sitting area (1 point);

If fees in addition to rent are charged for amenities, then the amenity may not be included among those provided to complete this exhibit. Any future changes in these amenities, or substitution of these amenities, may result in a decrease in awarded credits if the substitution or change includes a decrease in cost or in a cancellation of a Commitment Notice or Carryover Allocation if the Threshold Criteria are no longer met.

(i) documentation of the original acquisition cost, such as a settlement statement;

(ii) any other verifiable costs of owning, holding, or improving the property that when added to the value from clause (i) of this subparagraph justifies the Applicant's proposed acquisition amount:

(I) for land-only transactions, documentation of owning, holding or improving costs since the original acquisition date may include property taxes, interest expense, a calculated return on equity at a rate consistent with the historical returns of similar risks, the cost of any physical improvements made to the property, the cost of rezoning, replatting or developing the property, or any costs to provide or improve access to the property;

(II) for transactions which include existing buildings that will be rehabilitated or otherwise maintained as part of the Development, documentation of owning, holding, or improving costs since the original acquisition date may include capitalized costs of improvements to the property, a calculated return on equity at a rate consistent with the historical returns of similar risks, and allow the cost of exit taxes not to exceed an amount necessary to allow the sellers to be made whole in the original and subsequent investment in the property and avoid foreclosure; and

(D) "Acquisition of Existing Buildings Form."

(13) Evidence of an "Acknowledgement of Receipt of Financial Statement and Authorization to Release Credit Information" must be provided for any Person that has 10% or more ownership interest in the Development Owner or General Partner, the Developer, or Guarantor, as required under §49.9(e)(2) of this title. Entities that have not yet been formed and entities that have been formed recently but have no assets, liabilities, or net worth are not required to submit this documentation, but must submit a statement with their Application that this is the case in lieu of submitting the Acknowledgement.

(14) Supplemental Threshold Reports. Documents under subparagraph (A) and (B) of this paragraph must be submitted as further stated in subparagraph (C) and (D) of this paragraph and in accordance with the Market Analysis Rules and Guidelines and Environmental Site Assessment Rules and Guidelines, §§1.33 and 1.35 of this title.

(A) A Phase I Environmental Site Assessment (ESA) on the subject Property, dated not more than 12 months prior to the first day of the Application Acceptance Period. In the event that a Phase I Environmental Site Assessment on the Development is more than 12 months old prior to the first day of the Application Acceptance Period, the Applicant must supply the Department with an updated letter or updated report dated no older than three months prior to the first day of the Application Acceptance Period from the Person or organization which prepared the initial assessment confirming that the site has been re-inspected and reaffirming the conclusions of the initial report or identifying the changes since the initial report; The ESA must be prepared in accordance with the Department Environmental Site Assessment Rules and Guidelines. Developments whose funds have been obligated by TX-USDA-RHS will not be required to supply this information; however, the Applicants of such Developments are hereby notified that it is their responsibility to ensure that the Development is maintained in compliance with all state and federal environmental hazard requirements.

(B) A comprehensive Market Analysis prepared at the Applicant's expense by a disinterested Qualified Market Analyst approved by the Department in accordance with the approval process outlined in the Market Analysis Rules and Guidelines, §1.33 of this title. In addition to the document submitted in paper form, an electronic version must also be submitted. The Market Analysis must be prepared in accordance with the methodology prescribed in the Market Analysis Rules and Guidelines, §1.33 of this title. In the event that a Market Analysis on the Development is older than 6 months as of the first day of the Application Acceptance Period, the Applicant must supply the Department with an updated Market Analysis from the Person or organization which prepared the initial report; however the Department will not accept any Market Analysis which is more than 12 months old as of the first day of the Application Acceptance Period. The Market Analysis should be prepared for and addressed to the Department. For Applications in the TX-USDA-RHS Set-Aside, the appraisal, required under paragraph (12)(A) of this subsection, will satisfy the requirement for a Market Analysis; no additional Market Analysis is required; however the Department may request additional information as needed. (2306.67055 as added Section 21 of 2306) (§42(m)(1))

(i) The Department may determine from time to time that information not required in the Department Market Analysis and Appraisal Rules and Guidelines will be relevant to the Department's evaluation

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

of the need for the Development and the allocation of the requested Housing Credit Allocation Amount. The Department may request additional information from the Qualified Market Analyst to meet this need.

(ii) All Applicants acknowledge by virtue of filing an Application that the Department is not bound by any opinion expressed in the Market Analysis and may substitute its own analysis and underwriting conclusions for those submitted by the Qualified Market Analyst.

(C) Inserted at the front of each of these reports must be a transmittal letter from the individual preparing the report that states that the Department is granted full authority to rely on the findings and conclusions of the report.

(D) The requirements for each of the reports identified in subparagraphs (A) and (B) of this paragraph can be satisfied in either of the methods identified in clauses (i) or (ii) of this subparagraph.

(i) Upon Application submission, the documentation for each of these exhibits may be submitted in its entirety as described in subparagraphs (A) and (B) of this paragraph; or

(ii) Upon Application submission, the Applicant may provide evidence in the form of an executed engagement letter with the party performing each of the individual reports that the required exhibit has been commissioned to be performed and that the delivery date will be no later than April 1, 2005. In addition to the submission of the engagement letter with the Application, a map must be provided that reflects the Qualified Market Analyst's intended market area. Subsequently, the entire exhibit must be submitted on or before 5:00 p.m. CST, April 1, 2005. If the entire exhibit is not received by that time, the Application will be terminated and will be removed from consideration.

(15) Self-Scoring. Applicant's self-score must be completed on the "Application Self-Scoring Form."

(g) **Selection Criteria.** All Applications will be scored and ranked using the point system identified in this subsection. Maximum Total Points: 209.

(1) **Financial Feasibility of the Development.** Financial Feasibility of the Development based on the supporting financial data required in the Application that will include a Development underwriting pro forma from the permanent or construction lender. (2306.6710(b)(1)) Applications may qualify to receive 28 points for this item. Evidence will include the documentation required for this exhibit in addition to the commitment letter required under subsection (f)(7)(C) of this section. The supporting financial data shall include a thirty year pro forma prepared by the permanent or construction lender specifically identifying each of the first ten years and every fifth year thereafter. The pro forma must indicate that the development pro forma maintains a 1.10 debt coverage ratio throughout the initial thirty years proposed for all third party lenders that require scheduled repayment. In addition, the commitment letter must state that the lender's assessment finds that the Development will be feasible for thirty years. Points will be awarded if these criteria are met. No partial points will be awarded. For Developments receiving financing from TX-USDA-RHS, the form entitled "Sources and Uses Comprehensive Evaluation for Multi-Family Housing Loans" or other form deemed acceptable by the Department shall meet the requirements of this section.

(2) **Quantifiable Community Participation from Neighborhood Organizations on Record with the State or County and Whose Boundaries Contain the Proposed Development Site.** Points will be awarded based on written statements of support or opposition from neighborhood organizations on record with the state or county in which the Development is to be located and whose boundaries contain the proposed Development site. (§2306.6710(b)(1); §2306.6725(a)(2)). It is possible for points to be awarded or deducted based on written statements from organizations that were not identified by the process utilized for notification purposes under subsection (f)(8)(A)(ii)(I) of this section if the organization provides the information and documentation required below. It is also possible that neighborhood organizations that were initially identified as appropriate organizations for purposes of the notification requirements will subsequently be determined by the Department not to meet the requirements for scoring.

(A) **Basic Submission Requirements for Scoring.** Each neighborhood organization may submit one letter (and enclosures) that represents the organization's input. In order to receive a point score, the letter (and enclosures) must be received by the Department no later than April 1, 2005, directly from the neighborhood organization or with the Application. Letters should be addressed to the Texas Department of Housing and Community Affairs, "Attention: Executive Director (Neighborhood Input)." Letters received after April 1, 2005 will be summarized for the Board's information and consideration, but will not affect the score for the Application. The organization's letter (and enclosures) must:

(i) state the name and location of the proposed Development on which input is provided. A letter may provide input on only one proposed Development; if an organization desires to provide input on additional Developments, each Development must be addressed in a separate letter;

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(ii) be signed by the chairman of the board, chief executive officer, or comparable head of the organization, and provide the signer's mailing address, phone number, and an e-mail address or facsimile number for the organization;

(iii) establish that the organization has boundaries, state what the boundaries are, and establish that the boundaries contain the proposed development site. A map must be provided with the geographic boundaries of the organization and the proposed Development site clearly marked within those boundaries;

(iv) establish that the organization is a "neighborhood organization." A "neighborhood organization" is defined as an organization of persons living near one another within the organization's defined boundaries that contain the proposed Development site and that has a primary purpose of working to maintain or improve the general welfare of the neighborhood. "Neighborhood organizations" include homeowners associations, property owners associations, and public housing resident councils (for the property occupied by the residents). "Neighborhood organizations" do not include broader based "community" organizations; organizations that have no members other than board members; chambers of commerce; community development corporations; churches; school related organizations; Lions, Rotary, Kiwanis, and similar organizations; Habitat for Humanity; Boys and Girls Clubs; charities; public housing authorities; or any governmental entity. Organizations whose boundaries include an entire county or larger area are not "neighborhood organizations." Organizations whose boundaries include an entire city are generally not "neighborhood organizations."

(v) include documentation showing that the organization is on record as of March 1, 2005 with the state or county in which the Development is proposed to be located. A record from the Secretary of State showing that the organization is incorporated or from the county clerk showing that the organization is on record with the county is sufficient. For a property owners association, a record from the county showing that the organization's management certificate is on record is sufficient. The documentation must be from the state or county and be current. If an organization's status with the Secretary of State at any time during the Application Round is shown as "forfeited," "dissolved," or any similar status, the organization will not be considered on record with the state. It is insufficient to be "on record" to provide only a request to the county or a state entity to be placed on record or to show that the organization has corresponded with such an entity or used its services or programs. It is insufficient to show that the organization is on record with a city. As an option to be considered on record with the state, a letter including a contact name with a mailing address and phone number; name and position of officers; and a written description and map of the organization's geographical boundaries must be received by the Department no later than March 1, 2005 to place the organization on record with the state. The letter should be addressed to the Texas Department of Housing and Community Affairs, "Attention: Executive Director (Recording of Neighborhood Organization)". Acceptance of this documentation by the Department will satisfy the "on record with the state" requirement, but is not a determination that the organization is a "neighborhood organization" or that other requirements are met.

(vi) accurately state that the neighborhood organization was not formed by any Applicant, Developer, or any employee or agent of any Applicant in the 2005 tax credit Application Round and that the organization and any member did not accept money or a gift to cause the neighborhood organization to take its position of support or opposition.

(vii) state the total number of members of the organization and provide a brief description of the process used to determine the members' position of support or opposition. The organization is encouraged to hold a meeting to which all the members of the organization are invited to consider whether the organization should support, oppose, or be neutral on the proposed Development, and to have the membership vote on whether the organization should support, oppose, or be neutral on the proposed Development. The organization is also encouraged to invite the developer to this meeting.

(B) Scoring of Letters (and Enclosures). To be scored, the letter (and enclosures) must provide "quantifiable" input. The input must clearly and concisely state each reason for the organization's support for or opposition to the proposed Development.

(i) The score for this exhibit will range from a maximum of +24 for the strongest position of support to +12 for the neutral position to 0 for the strongest position of opposition. The number of points to be allocated to each organization's letter will be recommended by the Executive Award and Review Advisory Committee based on the factual basis of the organization's letter and evidence enclosed with the letter. The final score will be determined by the Executive Director. The Department may investigate a matter and contact the Applicant and neighborhood organizations for more information. The Department may consider any relevant information specified in letters from other neighborhood organizations regarding a development in determining a score.

(ii) The Department highly values quality public input addressed to the merits of a Development. Input that points out possible errors in the Department's analysis and matters that are specific to the neighborhood, the proposed site, the proposed Development, or Developer are valued. If a proposed

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

Development is permitted by the existing or pending zoning or absence of zoning, concerns addressed by the allowable land use that are related to any multifamily development may generally be considered to have been addressed at the local level through the land use planning process. Input concerning positive efforts or the lack of efforts by the Applicant to inform and communicate with the neighborhood about the proposed Development is highly valued. If the neighborhood organization refuses to communicate with the Applicant the efforts of the Applicant will not be considered negative. Input that evidences unlawful discrimination against classes of persons protected by Fair Housing law or the scoring of which the Department determines to be contrary to the Department's efforts to affirmatively further fair housing will not be considered.

(iii) In general, letters that meet the requirements of this paragraph and

(I) establish three or more reasons for support or opposition will be scored the maximum points for either support (+24 points) or opposition (zero);

(II) establish two reasons for support or opposition will be scored up to +18 points for support or +6 points for opposition;

(III) establish one reason for support or opposition will be scored +13 points for support or +11 points for opposition;

(IV) that do not establish a reason for support or opposition or that are unclear will be scored as neutral (+12 points).

(iv) Applications for which no letters from neighborhood organizations are scored will receive a neutral score of +12 points.

(C) Basic Submission Deficiencies. The Department is authorized but not required to request that the neighborhood organization provide additional information or documentation the Department deems relevant to clarify information contained in the organization's letter (and enclosures). If the Department determines to request additional information from an organization, it will do so by e-mail or facsimile to the e-mail address or facsimile number provided with the organization's letter. If the deficiencies are not clarified or corrected in the Department's determination within ten business days from the date the e-mail or facsimile is sent to the organization, the organization's letter will not be considered further for scoring and the organization will be so advised. This potential deficiency process does not extend any deadline required above for the "Quantifiable Community Participation" process. An organization may not submit additional information or documentation after the April 1, 2005 deadline except in response to an e-mail or facsimile from the Department specifically requesting additional information.

(3) **The Income Levels of Tenants of the Development.** Applications may qualify to receive up to 22 points for qualifying under only one of subparagraphs (A) through (F) of this paragraph. To qualify for these points, the tenant incomes must not be higher than permitted by the AMGI level. The Development Owner, upon making selections for this exhibit, will set aside Units at the levels of AMGI and will maintain the percentage of such Units continuously over the compliance and extended use period as specified in the LURA. These income levels require corresponding rent levels that do not exceed 30% of the income limitation in accordance with §42(g). (2306.6710(b)(1)(C); 2306.111(g)(3)(B); 2306.6710(e); 42(m)(1)(B)(ii)(I); 2306.111(g)(3)(E)) Use normal rounding for this exhibit.

(A) 22 points if at least 80% of the Total Units in the Development are set-aside with incomes at or below 50% of AMGI; or

(B) 22 points if at least 10% of the Total Units in the Development are set-aside with incomes at or below 30% of AMGI; or

(C) 20 points if at least 60% of the Total Units in the Development are set-aside with incomes at or below 50% of AMGI; or

(D) 18 points if at least 40% of the Total Units in the Development are set-aside with incomes at or below a combination of 50% and 30% of AMGI in which at least 5% of the Total Units are at or below 30% of AMGI; or

(E) 16 points if at least 40% of the Total Units in the Development are set-aside with incomes at or below 50% of AMGI; or

(F) 14 points if at least 35% of the Total Units in the Development are set-aside with incomes at or below 50% of AMGI.

(4) **The Size and Quality of the Units (Development Characteristics).** Applications may qualify to receive up to 20 points. Applications may qualify for points under both subparagraphs (A) and (B) of this paragraph. (2306.6710(b)(1)(D); 2306.6725(b)(1); 42(m)(1)(C))

(A) Size of the Units. Applications may qualify to receive 6 points. The Development must meet the minimum requirements identified in this subparagraph to qualify for points. Six points for this item will be automatically granted for Applications involving rehabilitation, Developments receiving funding from TX-USDA-RHS, or Developments proposing single room occupancy without meeting these square footage minimums. The

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

square feet of all of the Units in the Development, for each type of Unit, must be at least the minimum noted below.

- (i) 500 square feet for an efficiency unit;
- (ii) 650 square feet for a non-elderly one bedroom unit; 550 square feet for an elderly one bedroom unit;
- (iii) 900 square feet for a non-elderly two bedroom unit; 750 square feet for an elderly two bedroom unit;
- (iv) 1,000 square feet for a three bedroom unit; and
- (v) 1,200 square feet for a four bedroom unit.

(B) Quality of the Units. Applications may qualify to receive up to 14 points. Applications in which Developments provide specific amenity and quality features in every Unit at no extra charge to the tenant will be awarded points based on the point structure provided in clauses (i) through (xix) of this subparagraph, not to exceed 14 points in total. Applications involving rehabilitation or single room occupancy may double the points listed for each item, not to exceed 14 points in total.

- (i) Covered entries (1 point);
- (ii) Nine foot ceilings (1 point);
- (iii) Microwave ovens (1 point);
- (iv) Self-cleaning or continuous cleaning ovens (1 point);

- (xv) Use of energy efficient alternative construction materials (structurally insulated panels with wall insulation at a minimum of R-20 (3 points).
- (xvi) R-15 Walls / R-30 Ceilings (rating of wall system) (3 points);

(5) **The Commitment of Development Funding by Local Political Subdivisions.** Applications may qualify to receive up to 18 points for qualifying under either or both (A) or (B) of this paragraph. (2306.6710(b)(1)(E))

(A) Evidence that the proposed Development has received an allocation of funds for on-site development costs from a local political subdivision. In addition to loans or grants, in-kind contributions such as donation of land or waivers of fees such as building permits, water and sewer tap fees, or similar contributions that benefit the Development will be acceptable to qualify for these points. Points will be determined on a sliding scale based on the amount per Unit. Evidence to be submitted with the Application must include a copy of the commitment of funds or a copy of the application to the funding entity and a letter from the funding entity indicating that the application was received, or a certification of intent to apply for funding that indicates the funding entity and program to which the application will be submitted, the loan amount to be applied for and the specific proposed terms. At the time the executed Commitment Notice is required to be submitted, the Applicant or Development Owner must provide evidence of a commitment for the sufficient local funding to the Department. If the funding commitment from the local political subdivision has not been received by the date the Department's Commitment Notice is to be submitted, the Application will be evaluated to determine if the loss of these points would have resulted in the Department's not committing the tax credits. If the loss of points would have made the Application noncompetitive, the Commitment Notice will be rescinded and the credits reallocated. If the Application would still be competitive even with the loss of points and the loss would not have impacted the recommendation for an award, the Application will be reevaluated for financial feasibility. If the Application is infeasible without the local political subdivision's funds, the Commitment Notice will be rescinded and the credits reallocated. Use normal rounding. No funds from TDHCA's HOME (with the exception of

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

Developments located in non-Participating Jurisdictions) or Housing Trust Fund sources will qualify under this category.

- (i) A contribution of \$500 to \$1,000 per Low Income Unit receives 6 points; or
- (ii) A contribution of \$1,001 to \$3,500 per Low Income Unit receives 12 points; or
- (iii) A contribution of \$3,501 or more per Low Income Unit receives 18 points; or

(B) Evidence that the proposed Development will receive development-based Housing Choice, rental assistance vouchers, or rental assistance subsidy approved by the Annual Contributions Contract (ACC) between a public housing authority and HUD, all being from a local political subdivision for a minimum of five years. Evidence at the time the Application is submitted must include a copy of the commitment of funds or a copy of the application to the funding entity and a letter from the funding entity indicating that the application was received, or a certification of intent to apply for funding that indicates the funding entity and program to which the application will be submitted. At the time the executed Commitment Notice is required to be submitted, the Applicant or Development Owner must provide evidence of a commitment for the vouchers to the Department. If the funding commitment from the local political subdivision has not been received by the date the Department's Commitment Notice is to be submitted, the Application will be evaluated to determine if the loss of these points would have resulted in the Department's not committing the tax credits. If the loss of points would have made the Application noncompetitive, the Commitment Notice will be rescinded and the credits reallocated. If the Application would still be competitive even with the loss of points and the loss would not have impacted the recommendation for an award, the Application will be reevaluated for financial feasibility. If the Application is infeasible without the local political subdivision's funds, the Commitment Notice will be rescinded and the credits reallocated. No funds from the Department's HOME (with the exception of Developments located in non-Participating Jurisdictions) or Housing Trust Fund sources will qualify under this category. Use normal rounding. HUD must approve the vouchers no later than the time the 10% Test Documentation is submitted to the Department or the Commitment will be rescinded.

- (i) Development-Based Vouchers for 3% to 5% of the total Units receives 6 points; or
- (ii) Development-Based Vouchers for 6% to 8% of the total Units receives 12 points; or
- (iii) Development-Based Vouchers for 9% or more of the total Units receives 18 points.

(6) **The Level of Community Support from State Elected Officials.** The level of community support for the application, evaluated on the basis of written statements from state elected officials. (2306.6710(b)(1)(F); 2306.6725(a)(2)) Applications may qualify to receive up to 14 points for this item. Points will be awarded based on the written statements of support or opposition from state elected officials representing constituents in areas that include the location of the Development. Letters of support must identify the specific Development and must clearly state support for or opposition to the specific Development. This documentation will be accepted with the Application or through delivery to the Department from the Applicant or official by April 1, 2005. Officials to be considered are those officials in office at the time the Application is submitted. Letters of support from state officials that do not represent constituents in areas that include the location of the Development will not qualify for points under this Exhibit. Neutral letters, or letters that do not specifically refer to the Development, will receive neither positive nor negative points. Letters from State of Texas Representative or Senator: support letters are 7 points each for a maximum of 14 points; opposition letters are -7 points each for a maximum of -14 points.

(7) **The Rent Levels of the Units.** Applications may qualify to receive up to 12 points for qualifying under this exhibit. (2306.6710(b)(1)(G)) Use normal rounding for this section. If 80% or fewer of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 7 points. If between 81% and 85% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 8 points. If between 86% and 90% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 9 points. If between 91% and 95% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 10 points. If greater than 95% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 12 points. Developments that are scattered site or 100% transitional will receive the full 12 points provided that they have received points under paragraph (3) of this subsection.

(8) **The Cost of the Development by Square Foot (Development Characteristics).** Applications may qualify to receive 10 points for this item. (2306.6710(b)(1)(H); 42(m)(1)(C)) For this exhibit, costs shall be

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

defined as construction costs, including site work, contingency, contractor profit, overhead and general requirements, as represented in the Development Cost Schedule. This calculation does not include indirect construction costs. The calculation will be costs per square foot of net rentable area (NRA). The calculations will be based on the cost listed in the Development Cost Schedule and NRA shown in the Rent Schedule of the Application. Developments qualify for 10 points if their costs do not exceed \$75 per square foot for Qualified Elderly, Transitional, and Single Room Occupancy Developments, unless located in a "First Tier County" in which case their costs do not exceed \$77 per square foot; and \$65 for all other Developments, unless located in a "First Tier County" in which case their costs do not exceed \$67 per square foot. For 2005, the First Tier Counties are Aransas, Calhoun, Chambers, Jefferson, Kleberg, Nueces, San Patricio, Brazoria, Cameron, Galveston, Kennedy, Matagorda, Refugio and Willacy. (10 points)

(9) **The Services to be Provided to Tenants of the Development.** Applications may qualify to receive up to 8 points. Applications may qualify for points under both subparagraphs (A) and (B) of this paragraph. (2306.6710(b)(1)(I); 2306.254; 2306.6725(a)(1); Rider 6 of Appropriations)

(A) Applicants will receive points for coordinating their tenant services with those services provided through state workforce development and welfare programs as evidenced by execution of a Tenant Supportive Services Certification (2 points).

(B) The Applicant must certify that the Development will provide a combination of special supportive services appropriate for the proposed tenants. The provision of supportive services will be included in the LURA as selected from the list of services identified in this subparagraph. No fees may be charged to the tenants for any of the services. Services must be provided on-site or transportation to off-site services must be provided (maximum of 6 points).

(i) Applications will be awarded points for selecting services listed in clause (ii) of this subparagraph based on the following scoring range:

(I) Two points will be awarded for providing one of the services; or

(II) Four points will be awarded for providing two of the services; or

(III) Six points will be awarded for providing three of the services.

(ii) Service options include child care; transportation; basic adult education; legal assistance; counseling services; GED preparation; English as a second language classes; vocational training; home buyer education; credit counseling; financial planning assistance or courses; health screening services; health and nutritional courses; organized team sports programs or youth programs; scholastic tutoring; any other programs described under Title IV-A of the Social Security Act (42 U.S.C. §§ 601 et seq.) which enables children to be cared for in their homes or the homes of relatives; ends the dependence of needy families on government benefits by promoting job preparation, work and marriage; prevents and reduces the incidence of out-of-wedlock pregnancies; and encourages the formation and maintenance of two-parent families; any services addressed by §2306.254 Texas Government Code; or any other services approved in writing by the Department.

(10) **Housing Needs Characteristics.** (42(m)(1)(C)(ii)) Applications may qualify to receive up to 7 points. Each Application, based on the place or county where the Development is located, will receive a score based on the Uniform Housing Needs Scoring Component. If a Development is in a place, the place score will be used. If a Development is not within a place, then the county score will be used. The Uniform Housing Needs Scoring Component scores for each place and county will be published in the Reference Manual.

(11) **Development Includes the Use of Existing Housing as part of a Community Revitalization Plan (Development Characteristics).** Applications may qualify to receive 7 points for this item. (42(m)(1)(C)(iii)) The Development is an existing Residential Development and the proposed rehabilitation or demolition and reconstruction is part of a community revitalization plan.

(12) **Pre-Application Participation Incentive Points.** (2306.6704) Applications which submitted a Pre-Application during the Pre-Application Acceptance Period and meet the requirements of this paragraph will qualify to receive 6 points for this item. To be eligible for these points, the Application must:

(A) be for the identical site as the proposed Development in the Pre-Application;

(B) have met the Pre-Application Threshold Criteria;

(C) be serving the same target population (family, elderly, and transitional) as in the Pre-Application;

(D) be serving the same target Set-Asides as indicated in the Pre-Application (Set-Asides can be dropped between Pre-Application and Application, but no Set-Asides can be added); and

(E) be awarded by the Department an Application score that is not more than 5% greater or less than the number of points awarded by the Department at Pre-Application, with the exclusion of points for support and opposition under subsections (g)(2) and (g)(6) of this title. An Applicant must choose, at the time of Application either clause (i) or (ii) of this subparagraph:

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(i) to request the Pre-Application points and have the Department cap the Application score at no greater than the 5% increase regardless of the total points accumulated in the scoring evaluation. This allows an Applicant to avoid penalty for increasing the point structure outside the 5% range from Pre-Application to Application; or

(ii) to request that the Pre-Application points be forfeited and that the Department evaluate the Application as requested in the self-scoring sheet.

(13) **Development Location.** (2306.6725(a)(4) and (b)(2); 2306.127; 42(m)(1)(C)(i); 42 U.S.C. 3608(d) and (e)(5)) Applications may qualify to receive 4 points. Evidence, not more than 6 months old from the date of the close of the Application Acceptance Period, that the subject Property is located within one of the geographical areas described in subparagraphs (A) through (H) of this paragraph. Areas qualifying under any one of the subparagraphs (A) through (H) of this paragraph will receive 4 points. An Application may only receive points under one of the subparagraphs (A) through (H) of this paragraph.

(A) A geographical area which is an Economically Distressed Area; a Colonia; or a Difficult Development Area (DDA) as specifically designated by the Secretary of HUD.

(B) a designated state or federal empowerment/enterprise zone, urban enterprise community, or urban enhanced enterprise community. Such Developments must submit a letter and a map from a city/county official verifying that the proposed Development is located within such a designated zone. Letter should be no older than 6 months from the first day of the Application Acceptance Period.

(C) a city or county-sponsored area or zone where a city or county has, through a local government initiative, specifically encouraged or channeled growth, neighborhood preservation, or redevelopment. Such Developments must submit all of the following documentation: a letter from a city/county official verifying that the proposed Development is located within the city or county-sponsored zone or district; a map from the city/county official which clearly delineates the boundaries of the district; and a certified copy of the appropriate resolution or documentation from the mayor, local city council, county judge, or county commissioners court which documents that the designated area was created by the local city council/county commission, and targets a specific geographic area which was not created solely for the benefit of the Applicant.

(D) the Development is located in a county that has received an award as of November 15, 2004, within the past three years, from the Texas Department of Agriculture's Rural Municipal Finance Program or Real Estate Development and Infrastructure Program. Cities which have received one of these awards are categorized as awards to the county as a whole so Developments located in a different city than the city awarded, but in the same county, will still be eligible for these points.

(E) the Development is located in a census tract in which there are no other existing developments supported by housing tax credits. Applicant must provide evidence. [(2306.6725(b)(2))]

(F) the Development is located in a census tract which has a median family income (MFI), as published by the United States Bureau of the Census (U.S. Census), that is higher than the median family income for the county in which the census tract is located. This comparison shall be made using the most recent data available as of the date the Application Round opens the year preceding the applicable program year. Developments eligible for these points must submit evidence documenting the median income for both the census tract and the county.

(G) the proposed Development will serve families with children (at least 70% of the Units must have an eligible bedroom mix of two bedrooms or more) and is proposed to be located in an elementary school attendance zone of an elementary school that has an academic rating of "Exemplary" or "Recognized," or comparable rating if the rating system changes. The date for consideration of the attendance zone is that in existence as of the opening date of the Application Round and the academic rating is the most current rating determined by the Texas Education Agency as of that same date. (42(m)(1)(C)(vii))

(H) the proposed Development will expand affordable housing opportunities for low income families with children outside of poverty areas. This must be demonstrated by showing that the Development will serve families with children (at least 70% of the Units must have an eligible bedroom mix of two bedrooms or more) and that the census tract in which the Development is proposed to be located has no greater than 10% poverty population according to the most recent census data. (42(m)(1)(C)(vii))

(14) **Exurban Developments or Reconstruction or Rehabilitation of Developments (Development characteristics).** Applications may qualify to receive 7 points if the Development is located in an incorporated place or census designated place that is not a Rural Area but has a population no greater than 100,000 based on the most current available information published by the United States Bureau of the Census as of October 1 of the year preceding the applicable program year, or if a Development is proposed for reconstruction or rehabilitation (in whole or in part, on-site or off-site) that will be financed, in part, with HOPE VI financing or HUD capital grant financing provided that the Application is a joint venture partnership between the public

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

housing authority or an entity formed by the public housing authority and private market interests (either for profit or nonprofit).

(15) **Tenant Populations with Special Housing Needs.** Applications may qualify to receive 4 points for this item. (42(m)(1)(C)(v)) Evidence that the Development is designated for transitional housing for homeless persons on a non-transient basis, with supportive services designed to assist the homeless tenants in locating and retaining permanent housing. For the purpose of this exhibit, homeless persons are individuals or families that lack a fixed, regular, and adequate nighttime residence as more fully defined in 24 Code of Federal Regulations, §91.5, as may be amended from time to time. All of the items described in subparagraphs (A) through (E) of this paragraph must be submitted. If all Units in the Development are designed solely for transitional housing for homeless persons, 4 points will be awarded.

- (A) a detailed narrative describing the type of proposed housing;
- (B) a referral agreement, not more than 12 months old from the first day of the Application Acceptance Period, with an established organization which provides services to the homeless;
- (C) a marketing plan designed to attract qualified tenants and housing providers;
- (D) a list of supportive services; and
- (E) adequate additional income source to supplement any anticipated operating and funding gaps.

(16) **Length of Affordability Period.** Applications may qualify to receive up to 4 points. (2306.6725(a)(5); 2306.111(g)(3)(C); 2306.185(a)(1); 2306.6710(e)(2); 42(m)(1)(B)(ii)(II)) In accordance with the Code, each Development is required to maintain its affordability for a 15-year compliance period and, subject to certain exceptions, an additional 15-year extended use period. Development Owners that are willing to extend the affordability period for a Development beyond the 30 years required in the Code may receive points as follows:

- (A) Add 5 years of affordability after the extended use period for a total affordability period of 35 years (2 points); or
- (B) Add 10 years of affordability after the extended use period for a total affordability period of 40 years (4 points)

(17) **Site Characteristics.** Sites will be evaluated based on proximity to amenities, the presence of positive site features and the absence of negative site features. Sites will be rated based on the criteria below.

(A) Proximity of site to amenities. Developments located on sites within a one mile radius (two-mile radius for Developments competing for a Rural Regional Allocation) of at least three services appropriate to the target population will receive four points. A site located within one-quarter mile of public transportation or located within a community that has "on demand" transportation, or specialized elderly transportation for Qualified Elderly Developments, will receive full points regardless of the proximity to amenities, as long as the Applicant provides appropriate evidence of the transportation services used to satisfy this requirement. If a Development is providing its own specialized van or on demand service, then this will be a requirement of the LURA. Only one service of each type listed below will count towards the points. A map must be included identifying the development site and the location of the services, as well as written directions from the site to each service. The services must be identified by name on the map and in the written directions. If the services are not identified by name, points will not be awarded. All services must exist or, if under construction, must be at least 50% complete by the date the Application is submitted. (4 points)

- (i) Full service grocery store or supermarket
- (ii) Pharmacy
- (iii) Convenience Store/Mini-market
- (iv) Department or Retail Merchandise Store
- (v) Bank/Credit Union
- (vi) Restaurant (including fast food)
- (vii) Indoor public recreation facilities, such as civic centers, community centers, and libraries
- (viii) Outdoor public recreation facilities such as parks, golf courses, and swimming pools
- (ix) Hospital/medical clinic
- (x) Doctor's offices (medical, dentistry, optometry)
- (xi) Public Schools (only eligible for Developments that are not Qualified Elderly Developments)
- (xii) Senior Center (only eligible for Qualified Elderly Developments)

(B) Negative Site Features. Sites with the following negative characteristics will have points deducted from their score. For purpose of this exhibit, the term 'adjacent' is interpreted as sharing a boundary with the Development site. The distances are to be measured from all boundaries of the Development site. Applicants must indicate on a map the location of any negative site feature, with the exception of slope which must be documented with an engineer's certificate to ensure that points are not deducted. If an Applicant

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

negligently fails to note a negative feature, double points will be deducted from the score or the Application may be terminated. If none of these negative features exist, the Applicant must sign a certification to that effect. (-5 points)

(i) Developments located adjacent to or within 300 feet of junkyards will have 1 point deducted from their score.

(ii) Developments located adjacent to or within 300 feet of active railroad tracks will have 1 point deducted from their score. Rural Developments funded through TX-USDA-RHS are exempt from this point deduction.

(iii) Developments located adjacent to or within 300 feet of heavy industrial uses such as manufacturing plants will have 1 point deducted from their score.

(iv) Developments located adjacent to or within 300 feet of a solid waste or sanitary landfills will have 1 point deducted from their score.

(v) Developments located adjacent to or within 100 feet of high voltage transmission power lines will have 1 point deducted from their score.

(18) **Development Size.** The Development consists of not more than 36 Units and is not a part of, or contiguous to, a larger Development (3 points).

(19) **Qualified Census Tracts with Revitalization.** Applications may qualify to receive 2 points for this item. (42(m)(1)(B)(ii)(III)) Applications will receive the points for this item if the Development is located within a Qualified Census Tract and contributes to a concerted community revitalization plan. Evidence of the community revitalization plan must be provided.

(20) **Sponsor Characteristics.** Applications may qualify to receive 2 points for this item. (42(m)(1)(C)(iv)) Evidence that a HUB, as certified by the Texas Building and Procurement Commission, has at least 51% ownership interest in the General Partner and materially participates in the Development and operation of the Development throughout the Compliance Period. To qualify for these points, the Applicant must submit a certification from the Texas Building and Procurement Commission that the Person is a HUB at the close of the Application Acceptance Period. The HUB will be disqualified from receiving these points if any Principal of the HUB has developed, and received 8609's for, more than two Developments involving tax credits.

(21) **Projects Intended for Eventual Tenant Ownership - Right of First Refusal.** Applications may qualify to receive 1 point for this item. (2306.6725(b)(1)) (42(m)(1)(C)(viii)) Evidence that Development Owner agrees to provide a right of first refusal to purchase the Development upon or following the end of the Compliance Period for the minimum purchase price provided in, and in accordance with the requirements of, §42(i)(7) of the Code (the "Minimum Purchase Price"), to a Qualified Nonprofit Organization, the Department, or either an individual tenant with respect to a single family building, or a tenant cooperative, a resident management corporation in the Development or other association of tenants in the Development with respect to multifamily developments (together, in all such cases, including the tenants of a single family building, a "Tenant Organization"). Development Owner may qualify for these points by providing the right of first refusal in the following terms.

(A) Upon the earlier to occur of:

(i) the Development Owner's determination to sell the Development, or

(ii) the Development Owner's request to the Department, pursuant to §42(h)(6)(E)(II) of the Code, to find a buyer who will purchase the Development pursuant to a "qualified contract" within the meaning of §42(h)(6)(F) of the Code, the Development Owner shall provide a notice of intent to sell the Development ("Notice of Intent") to the Department and to such other parties as the Department may direct at that time. If the Development Owner determines that it will sell the Development at the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to expiration of the Compliance Period. If the Development Owner determines that it will sell the Development at some point later than the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to date upon which the Development Owner intends to sell the Development.

(B) During the two years following the giving of Notice of Intent, the Sponsor may enter into an agreement to sell the Development only in accordance with a right of first refusal for sale at the Minimum Purchase Price with parties in the following order of priority:

(i) during the first six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization that is also a community housing development organization, as defined for purposes of the federal HOME Investment Partnerships Program at 24 C.F.R. § 92.1 (a "CHDO") and is approved by the Department,

(ii) during the second six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization or a Tenant Organization; and

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(iii) during the second year after the Notice of Intent, only with the Department or with a Qualified Nonprofit Organization approved by the Department or a Tenant Organization approved by the Department.

(iv) If, during such two-year period, the Development Owner shall receive an offer to purchase the Development at the Minimum Purchase Price from one of the organizations designated in clauses (i) through (iii) of this subparagraph (within the period(s) appropriate to such organization), the Development Owner shall sell the Development at the Minimum Purchase Price to such organization. If, during such period, the Development Owner shall receive more than one offer to purchase the Development at the Minimum Purchase Price from one or more of the organizations designated in clauses (i) through (iii) of this subparagraph (within the period(s) appropriate to such organizations), the Development Owner shall sell the Development at the Minimum Purchase Price to whichever of such organizations it shall choose.

(C) After whichever occurs the later of:

- (i) the end of the Compliance Period; or
- (ii) two years from delivery of a Notice of Intent,

the Development Owner may sell the Development without regard to any right of first refusal established by the LURA if no offer to purchase the Development at or above the Minimum Purchase Price has been made by a Qualified Nonprofit Organization, a Tenant Organization or the Department, or a period of 120 days has expired from the date of acceptance of all such offers as shall have been received without the sale having occurred, provided that the failure(s) to close within any such 120-day period shall not have been caused by the Development Owner or matters related to the title for the Development.

(D) At any time prior to the giving of the Notice of Intent, the Development Owner may enter into an agreement with one or more specific Qualified Nonprofit Organizations and/or Tenant Organizations to provide a right of first refusal to purchase the Development for the Minimum Purchase Price, but any such agreement shall only permit purchase of the Development by such organization in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(E) The Department shall, at the request of the Development Owner, identify in the LURA a Qualified Nonprofit Organization or Tenant Organization which shall hold a limited priority in exercising a right of first refusal to purchase the Development at the Minimum Purchase Price, in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(F) The Department shall have the right to enforce the Development Owner's obligation to sell the Development as herein contemplated by obtaining a power-of-attorney from the Development Owner to execute such a sale or by obtaining an order for specific performance of such obligation or by such other means or remedy as shall be, in the Department's discretion, appropriate.

(22) Leveraging of Private, State, and Federal Resources. Applications may qualify to receive 1 point for this item. (2306.6725(a)(3)) Evidence that the proposed Development has received an allocation of private, state or federal resources, including HOPE VI funds, that is equal to or greater than 2% of the Total Development costs reflected in the Application. The Development must have already applied for funding from the funding entity. Evidence to be submitted with the Application must include a copy of the commitment of funds or a copy of the application to the funding entity and a letter from the funding entity indicating that the application was received. At the time the executed Commitment Notice is required to be submitted, the Applicant or Development Owner must provide evidence of a commitment for the sufficient financing to the Department. If the funding commitment from the private, state or federal source has not been received by the date the Department's Commitment Notice is to be submitted, the Application will be evaluated to determine if the loss of these points would have resulted in the Department's not committing the tax credits. If the loss of points would have made the Application noncompetitive, the Commitment Notice will be rescinded and the credits reallocated. If the Application would still be competitive even with the loss of points and the loss would not have impacted the recommendation for an award, the Application will be reevaluated for financial feasibility. If the Application is infeasible without the commitment from the private, state or federal source, the Commitment Notice will be rescinded and the credits reallocated. Use normal rounding. Funds from the Department's HOME and Housing Trust Fund sources will only qualify under this category if there is a NOFA out for available funds and the Applicant is eligible under that NOFA. To qualify for this point, the Rent Schedule must show that at least 3% of all low income Units are designated to serve individuals or families with incomes at or below 30% of AMGI.

(23) Third-Party Funding Commitment Outside of Qualified Census Tracts. Applications may qualify to receive 1 point for this item. (2306.6710(e)(1)) Evidence that the proposed Development has documented and committed third-party (not a Related Party to the Applicant or Developer) funding sources and the Development is located outside of a Qualified Census Tract. The commitment of funds (an application alone will not suffice) must already have been received from the third-party funding source and must be equal to or greater than 2% of

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

the Total Development costs reflected in the Application. Use normal rounding. Funds from the Department's HOME and Housing Trust Fund sources will not qualify under this category. The third-party funding source cannot be a loan from a commercial lender.

(24) Scoring Criteria Imposing Penalties. (2306.6710(b)(2))

(A) Penalties will be imposed on an Application if the Applicant has requested an extension of a Department deadline, and did not meet the original submission deadline, relating to developments receiving a housing tax credit commitment made in the application round preceding the current round. The extension that will receive a penalty is an extension related to the submission of the carryover. For each extension request made, the Applicant will receive a 5 point deduction for not meeting the Carryover deadline. Subsequent extension requests after the first extension request made for each development from the preceding round will not result in a further point reduction than already described. No penalty points or fees will be deducted for extensions that were requested on Developments that involved rehabilitation when the Department is the primary lender, or for Developments that involve TX-USDA-RHS as a lender if TX-USDA-RHS or the Department is the cause for the Applicant not meeting the deadline.

(B) Penalties will be imposed on an Application if the Developer or Principal of the Applicant has been removed by the lender, equity provider, or limited partners in the past five years for failure to perform its obligations under the loan documents or limited partnership agreement. An affidavit will be provided by the Applicant and the Developer certifying that they have not been removed as described, or requiring that they disclose each instance of removal with a detailed description of the situation. If an Applicant or Developer submits the affidavit, and the Department learns at a later date that a removal did take place as described, then the Application will be terminated and any Allocation made will be rescinded. The Applicant, Developers or Principals of the Applicant that are in court proceedings at the time of Application must disclose this information and the situation will be evaluated on a case-by-case basis. 3 points will be deducted for each instance of removal.

(h) Tie Breaker Factors. (2306.185(a)(1) and (b))

(1) In the event that two or more Applications receive the same number of points in any given Set-Aside category, Rural Regional Allocation or Urban/Exurban Regional Allocation, or Uniform State Service Region, and are both practicable and economically feasible, the Department will utilize the factors in this paragraph, in the order they are presented, to determine which Development will receive a preference in consideration for a tax credit commitment.

(A) An Application will have preference if the Development Owner certifies that it will cooperate with the local public housing authority in accepting tenants from their waiting lists.

(B) The amount of requested tax credits per net rentable square foot requested (the lower credits per square foot has preference)

(2) This clause identifies how ties will be handled when dealing with the restrictions on location identified in §49.5(a)(8), and in dealing with any issues relating to capture rate calculation. When two Tax Exempt Bond Developments would violate one of these restrictions, and only one Development can be selected, the Department will utilize the lot number issued during the Bond Review Board lottery in making its determination. When two competitive Housing Tax Credits Applications in the Application Round would violate one of these restrictions, and only one Development can be selected, the Department will utilize the tie breakers identified in (h)(1) of this subsection. When a Tax Exempt Bond Development and a competitive Housing Tax Credit Application in the Application Round with the same score would both violate a restriction, the following determination will be used:

(A) Tax Exempt Bond Developments that receive their reservation from the Bond Review Board prior to April 30, 2005 will take precedence over the Housing Tax Credit Applications in the 2005 Application Round; and

(B) Housing Tax Credit Applications approved by the Board for tax credits in July 2005 will take precedence over the Tax Exempt Bond Developments that received their reservation from the Bond Review Board on or between May 1, 2005 and July 31, 2005; and

(C) After July 31, 2004, a Tax Exempt Bond Development with a reservation from the Bond Review Board will take precedence over any Housing Tax Credit Application from the 2005 Application Round on the Waiting List. However, if no reservation has been issued by the date the Board approves an allocation to a Development from the Waiting List of Applications in the 2005 Application Round or a forward commitment, then the Waiting List Application or forward commitment will be eligible for its allocation.

(i) **Staff Recommendations.** (2306.1112 and 2306.6731) After eligible Applications have been evaluated, ranked and underwritten in accordance with the QAP and the Rules, the Department staff shall make its recommendations to the Executive Award and Review Advisory Committee. The Committee will develop funding

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

priorities and shall make commitment recommendations to the Board. Such recommendations and supporting documentation shall be made in advance of the meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed. The Committee will provide written, documented recommendations to the Board which will address at a minimum the financial or programmatic viability of each Application and a list of all submitted Applications which enumerates the reason(s) for the Development's proposed selection or denial, including all evaluation factors provided in subsection (g) of this section that were used in making this determination.

§49.10 Board Decisions; Waiting List; Forward Commitments

(a) **Board Decisions.** The Board's decisions shall be based upon the Department's and the Board's evaluation of the proposed Developments' consistency with the criteria and requirements set forth in this QAP and Rules.

(1) On awarding tax credits, the Board shall document the reasons for each Application's selection, including any discretionary factors used in making its determination, and the reasons for any decision that conflicts with the recommendations made by Department staff. The Board may not make, without good cause, a commitment decision that conflicts with the recommendations of Department staff. Good cause includes the Board's decision to apply discretionary factors. (2306.6725(c); 42(m)(1)(A)(iv); 2306.6731)

(2) In making a determination to allocate tax credits, the Board shall be authorized to not rely solely on the number of points scored by an Application. It shall in addition, be entitled to take into account, as it deems appropriate, the discretionary factors listed in this paragraph. The Board may also apply these discretionary factors to its consideration of Tax Exempt Bond Developments. If the Board disapproves or fails to act upon an Application, the Department shall issue to the Applicant a written notice stating the reason(s) for the Board's disapproval or failure to act. In making tax credit decisions (including those related to Tax Exempt Bond Developments), the Board, in its discretion, may evaluate, consider and apply any one or more of the following discretionary factors: (2306.111(g)(3))

- (A) the developer market study;
- (B) the location;
- (C) the compliance history of the Developer;
- (D) the Applicant and/or Developer's efforts to engage the neighborhood;
- (E) the financial feasibility;
- (F) the appropriateness of the Development's size and configuration in relation to the housing needs of the community in which the Development is located;
- (G) the housing needs of the community, area, region and state;
- (H) the Development's proximity to other low income housing developments;
- (I) the availability of adequate public facilities and services;
- (J) the anticipated impact on local school districts;
- (K) zoning and other land use considerations;
- (L) laws relating to fair housing including affirmatively furthering fair housing;
- (M) the efficient use of the tax credits;
- (N) consistency with local needs, including consideration of revitalization or preservation needs;
- (O) the allocation of credits among many different entities without diminishing the quality of the housing;
- (P) meeting a compelling housing need;
- (Q) providing integrated, affordable housing for individuals and families with different levels of income;
- (R) the inclusive capture rate as described under §1.32(g)(2);
- (S) any matter considered by the Board to be relevant to the approval decision and in furtherance of the Department's purposes and the policies of Chapter 2306, Texas Government Code; or
- (T) other good cause as determined by the Board.

(3) Before the Board approves any Application, the Department shall assess the compliance history of the Applicant with respect to all applicable requirements; and the compliance issues associated with the proposed Development, including compliance information provided by the Texas State Affordable Housing Corporation. The Committee shall provide to the Board a written report regarding the results of the assessments. The written report will be included in the appropriate Development file for Board and Department review. The Board shall fully document and disclose any instances in which the Board approves a Development Application despite any noncompliance associated with the Development or Applicant. (2306.057)

(b) **Waiting List.** (2306.6711(c) and (d)) If the entire State Housing Credit Ceiling for the applicable calendar year has been committed or allocated in accordance with this chapter, the Board shall generate, concurrently with the issuance of commitments, a waiting list of additional Applications ranked by score in descending order

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

of priority based on Set-Aside categories and regional allocation goals. The Board may also apply discretionary factors in determining the Waiting List. If at any time prior to the end of the Application Round, one or more Commitment Notices expire and a sufficient amount of the State Housing Credit Ceiling becomes available, the Board shall issue a Commitment Notice to Applications on the waiting list subject to the amount of returned credits, the regional allocation goals and the Set-Aside categories, including the 10% Nonprofit Set-Aside allocation required under the Code, §42(h)(5). At the end of each calendar year, all Applications which have not received a Commitment Notice shall be deemed terminated. The Applicant may re-apply to the Department during the next Application Acceptance Period.

(c) **Forward Commitments.** The Board may determine to issue commitments of tax credit authority with respect to Developments from the State Housing Credit Ceiling for the calendar year following the year of issuance (each a "forward commitment"). The Board will utilize its discretion in determining the amount of credits to be allocated as forward commitments and the reasons for those commitments considering score and discretionary factors. The Board may utilize the forward commitment authority to allocate credits to TX-USDA-RHS Developments which are experiencing foreclosure or loan acceleration at any time during the 2005 calendar year. Applications that are submitted under the 2005 QAP and granted a Forward Commitment of 2006 Housing Tax Credits are considered by the Board to comply with the 2006 QAP by having satisfied the requirements of this 2005 QAP, except for statutorily required QAP changes.

(1) Unless otherwise provided in the Commitment Notice with respect to a Development selected to receive a forward commitment, actions which are required to be performed under this chapter by a particular date within a calendar year shall be performed by such date in the calendar year of the Credit Ceiling from which the credits are allocated.

(2) Any forward commitment made pursuant to this section shall be made subject to the availability of State Housing Credit Ceiling in the calendar year with respect to which the forward commitment is made. If a forward commitment shall be made with respect to a Development placed in service in the year of such commitment, the forward commitment shall be a "binding commitment" to allocate the applicable credit dollar amount within the meaning of the Code, §42(h)(1)(C).

(3) If tax credit authority shall become available to the Department in a calendar year in which forward commitments have been awarded, the Department may allocate such tax credit authority to any eligible Development which received a forward commitment, in which event the forward commitment shall be canceled with respect to such Development.

§49.11. Required Application Notifications, Receipt of Public Comment, and Meetings with Applicants; Viewing of Pre-Applications and Applications; Confidential Information.

(a) Required Application Notifications, Receipt of Public Comment, and Meetings with Applicants.

(1) Within approximately seven business days after the close of the Pre-Application Acceptance Period, the Department shall publish a Pre-Application Submission Log on its web site. Such log shall contain the Development name, address, Set-Aside, number of units, requested credits, owner contact name and phone number. (2306.6717(a)(1))

(2) Approximately 30 days before the close of the Application Acceptance Period, the Department will release the evaluation and assessment of the Pre-Applications on its web site.

(3) Not later than 14 days after the close of the Pre-Application Acceptance Period, or Application Acceptance Period for Applications for which no Pre-Application was submitted, the Department shall: (2306.1114)

(A) publish an Application submission log on its web site.

(B) give notice of a proposed Development in writing that provides the information required under clause (i) of this subparagraph to all of the individuals and entities described in clauses (ii) through (viii) of this subparagraph. (2306.6718(a) through (c))

(i) The following information will be provided in these notifications:

(I) The relevant dates affecting the Application including the date on which the Application was filed, the date or dates on which any hearings on the Application will be held and the date by which a decision on the Application will be made;

(II) A summary of relevant facts associated with the Development;

(III) A summary of any public benefits provided as a result of the Development, including rent subsidies and tenant services; and

(IV) The name and contact information of the employee of the Department designated by the director to act as the information officer and liaison with the public regarding the Application.

(ii) Presiding officer of the governing body of the political subdivision containing the Development (mayor or county judge) to advise such individual that the Development, or a part thereof, will be

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

located in his/her jurisdiction and request any comments which such individual may have concerning such Development. If the presiding officer of the governing body expresses opposition to the Development, the Department will give consideration to the objections raised and will visit the proposed site or Development within 30 days of notification to conduct a physical inspection of the Development site and consult with the presiding officer of the governing body before the Application is scored, if opposition is received prior to scoring being completed. The Department will obtain reimbursement from the Applicant for the necessary travel and expenses at rates consistent with the state authorized rate (Rider 4 of Appropriations Bill) (§42(m)(1));

(iii) Any member of the governing body of a political subdivision who represents the area containing the Development. If the governing body has single-member districts, then only that member of the governing body for that district will be notified, however if the governing body has at-large districts, then all members of the governing body will be notified;

(iv) state representative and state senator who represent the community where the Development is proposed to be located. If the state representative or senator hold a community meeting, the Department shall provide appropriate representation.

(v) United States representative who represents the community containing the Development;

(vi) Superintendent of the school district containing the Development;

(5) The Department shall make available on the Department's website information regarding the Housing Tax Credit Program including notice of public hearings, meetings, Application Round opening and closing dates, submitted Applications, and Applications approved for underwriting and recommended to the Board, and shall provide that information to locally affected community groups, local and state elected officials, local housing departments, any appropriate newspapers of general or limited circulation that serve the community in which a proposed Development is to be located, nonprofit and for-profit organizations, on-site property managers of occupied Developments that are the subject of Applications for posting in prominent locations at those Developments, and any other interested persons including community groups, who request the information. (2306.6717(b); 2306.6732)

(7) Not later than the third working day after the date of completion of each stage of the Application process, including the results of the Application scoring and underwriting phases and the commitment phase, the results will be posted to the Department's web site. (2306.6717(a)(3))

(8) At least thirty days prior to the date of the July Board meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed, the Department will:

(A) provide the Application scores to the Board;

(B) if feasible, post to the Department's web site the entire Application, including all supporting documents and exhibits, the Application Log as further described in §49.19(b) of this title, a scoring sheet providing details of the Application score, and any other documents relating to the processing of the Application. (2306.6711(a) and 2306.6717(a)(2))

(9) A summary of comments received by the Department on specific Applications shall be part of the documents required to be reviewed by the Board under this subsection if it is received 30 business days prior to the date of the Board Meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed. Comments received after this deadline will not be part of the documentation submitted to the Board. However, a public comment period will be available prior to the Board's decision, at the Board meeting where tax credit commitment decisions will be made.

(b) **Viewing of Pre-Applications and Applications.** Pre-Applications and Applications for tax credits are public information and are available upon request after the Pre-Application and Application Acceptance Periods close, respectively. §49.12. Tax Exempt Bond Developments: Filing of Applications, Applicability of Rules, Supportive Services, Financial Feasibility Evaluation, Satisfaction of Requirements.

(a) **Filing of Applications for Tax Exempt Bond Developments.** Applications for a Tax Exempt Bond Development may be submitted to the Department as described in paragraphs (1) and (2) of this subsection:

(1) Applicants which receive advance notice of a Program Year 2005 reservation as a result of the Texas Bond Review Board's (TBRB) lottery for the private activity volume cap must file a complete Application not later than 5:00 p.m. on December 30, 2004. Such filing must be accompanied by the Application fee described in §49.20 of this title.

(2) Applicants which receive advance notice of a Program Year 2005 reservation after being placed on the waiting list as a result of the TBRB lottery for private activity volume cap must submit Volume 1 and Volume 2 of the Application and the Application fee described in §49.20 of this title prior to the Applicant's bond reservation date as assigned by the TBRB. Any outstanding documentation required under this section must be submitted to the Department at least 60 days prior to the Board meeting at which the decision to issue a Determination Notice would be made.

(b) **Applicability of Rules for Tax Exempt Bond Developments.** Tax Exempt Bond Development Applications are subject to all rules in this title, with the only exceptions being the following sections: §49.4 of this title (regarding State Housing Credit Ceiling), §49.7 of this title (regarding Regional Allocation and Set-Asides), §49.8 of this title (regarding Pre-Application), §49.9(d) of this title (regarding Review and Prioritization), §49.9(g) of this title (regarding Selection Criteria), §49.10(b) and (c) of this title (regarding Waiting List and Forward Commitments), and §49.14(a) and (b) of this title (regarding Carryover and 10% Test). Such Developments requesting a Determination Notice in the current calendar year must meet all Threshold Criteria requirements stipulated in §49.9(f) of this title. Such Developments which received a Determination Notice in a prior calendar year must meet all Threshold Criteria requirements stipulated in the QAP and Rules in effect for the calendar year in which the Determination Notice was issued; provided, however, that such Developments shall comply with all procedural requirements for obtaining Department action in the current QAP and Rules; and such other requirements of the QAP and Rules as the Department determines applicable. Consistency with the local municipality's consolidated plan or similar planning document must be demonstrated in those instances where the city or county has a consolidated plan. Applicants will be required to meet all conditions of the Determination Notice by the time the construction loan is closed unless otherwise specified in the Determination Notice. Applicants must meet the requirements identified in §49.15(a) of this title. Applications that receive a reservation from the Bond Review Board on or before December 31, 2004 will be required to satisfy the requirements of the 2004 QAP; Applications that receive a reservation from the Bond Review Board on or after January 1, 2005 will be required to satisfy the requirements of the 2005 QAP.

(c) **Supportive Services for Tax Exempt Bond Developments.** (2306.254) Tax Exempt Bond Development Applications must provide an executed agreement with a qualified service provider for the provision of special supportive services that would otherwise not be available for the tenants. The provision of these services will be included in the LURA. Acceptable services as described in paragraphs (1) through (3) of this subsection include:

(1) the services must be in at least one of the following categories: child care, transportation, basic adult education, legal assistance, counseling services, GED preparation, English as a second language classes, vocational training, home buyer education, credit counseling, financial planning assistance or courses, health screening services, health and nutritional courses, organized team sports programs, youth programs, scholastic tutoring, social events and activities, community gardens or computer facilities; or

(2) any other program described under Title IV-A of the Social Security Act (42 U.S.C. §§ 601 et seq.) which enables children to be cared for in their homes or the homes of relatives; ends the dependence of needy

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

families on government benefits by promoting job preparation, work and marriage; prevents and reduces the incidence of out-of wedlock pregnancies; and encourages the formation and maintenance of two-parent families, or

(3) any other services approved in writing by the Issuer. The plan for tenant supportive services submitted for review and approval of the Issuer must contain a plan for coordination of services with state workforce development and welfare programs. The coordinated effort will vary depending upon the needs of the tenant profile at any given time as outlined in the plan.

(d) **Financial Feasibility Evaluation for Tax Exempt Bond Developments.** Code §42(m)(2)(D) requires the bond issuer (if other than the Department) to ensure that a Tax Exempt Bond Development does not receive more tax credits than the amount needed for the financial feasibility and viability of a Development throughout the Compliance Period. Treasury Regulations prescribe the occasions upon which this determination must be made. In light of the requirement, issuers may either elect to underwrite the Development for this purpose in accordance with the QAP and the Underwriting Rules and Guidelines, §1.32 of this title or request that the Department perform the function. If the issuer underwrites the Development, the Department will, nonetheless, review the underwriting report and may make such changes in the amount of credits which the Development may be allowed as are appropriate under the Department's guidelines. The Determination Notice issued by the Department and any subsequent IRS Form(s) 8609 will reflect the amount of tax credits for which the Development is determined to be eligible in accordance with this subsection, and the amount of tax credits reflected in the IRS Form 8609 may be greater or less than the amount set forth in the Determination Notice, based upon the Department's and the bond issuer's determination as of each building's placement in service. Any increase of tax credits, from the amount specified in the Determination Notice, at the time of each building's placement in service will only be permitted if it is determined by the Department, as required by Code §42(m)(2)(D), that the Tax Exempt Bond Development does not receive more tax credits than the amount needed for the financial feasibility and viability of a Development throughout the Compliance Period. Increases to the amount of tax credits that exceed 110% of the amount of credits reflected in the Determination Notice are contingent upon approval by the Board. Increases to the amount of tax credits that do not exceed 110% of the amount of credits reflected in the Determination Notice may be approved administratively by the Executive Director.

(e) **Satisfaction of Requirements for Tax Exempt Bond Developments.** If the Department staff determines that all requirements of this QAP and Rules have been met, the Department will recommend that the Board authorize the issuance of a Determination Notice. The Board, however, may utilize the discretionary factors identified in §49.10(a) of this title in determining if they will authorize the Department to issue a Determination Notice to the Development Owner. The Determination Notice, if authorized by the Board, will confirm that the Development satisfies the requirements of the QAP and Rules in accordance with the Code, §42(m)(1)(D).

§49.13 Commitment and Determination Notices; Agreement and Election Statement.

(a) **Commitment and Determination Notices.** If the Board approves an Application, the Department will:

(1) if the Application is for a commitment from the State Housing Credit Ceiling, issue a Commitment Notice to the Development Owner which shall:

(A) confirm that the Board has approved the Application; and

(B) state the Department's commitment to make a Housing Credit Allocation to the Development Owner in a specified amount, subject to the feasibility determination described at §49.16 of this title, and compliance by the Development Owner with the remaining requirements of this chapter and any other terms and conditions set forth therein by the Department. This commitment shall expire on the date specified therein unless the Development Owner indicates acceptance of the commitment by executing the Commitment Notice or Determination Notice, pays the required fee specified in §49.20 of this title, and satisfies any other conditions set forth therein by the Department. A Development Owner may request an extension of the Commitment Notice expiration date by submitting an extension request and associated extension fee as described in §49.20 of this title. In no event shall the expiration date of a Commitment Notice be extended beyond the last business day of the applicable calendar year.

(2) if the Application regards a Tax Exempt Bond Development, issue a Determination Notice to the Development Owner which shall:

(A) confirm the Board's determination that the Development satisfies the requirements of this QAP; and

(B) state the Department's commitment to issue IRS Form(s) 8609 to the Development Owner in a specified amount, subject to the requirements set forth at §49.12 of this title and compliance by the Development Owner with all applicable requirements of this title and any other terms and conditions set forth

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

therein by the Department. The Determination Notice shall expire on the date specified therein unless the Development Owner indicates acceptance by executing the Determination Notice and paying the required fee specified in §49.20 of this title. The Determination Notice shall also expire unless the Development Owner satisfies any conditions set forth therein by the Department within the applicable time period.

(3) notify, in writing, the mayor or other equivalent chief executive officer of the municipality in which the Property is located informing him/her of the Board's issuance of a Commitment Notice or Determination Notice, as applicable.

(4) A Commitment or Determination Notice shall not be issued with respect to any Development for an unnecessary amount or where the cost for the total development, acquisition, construction or rehabilitation exceeds the limitations established from time to time by the Department and the Board, unless the Department staff make a recommendation to the Board based on the need to fulfill the goals of the Housing Tax Credit Program as expressed in this QAP and Rules, and the Board accepts the recommendation. The Department's recommendation to the Board shall be clearly documented.

(5) A Commitment or Determination Notice shall not be issued with respect to the Applicant, the Development Owner, the General Contractor, or any Affiliate of the General Contractor that is active in the ownership or Control of one or more other low income rental housing properties in the state of Texas administered by the Department, or outside the state of Texas, that is in Material Non-Compliance with the LURA (or any other document containing an Extended Low Income Housing Commitment) or the program rules in effect for such property, as described in Section 60.1 of this title.

(b) **Agreement and Election Statement.** Together with the Development Owner's acceptance of the Carryover Allocation, the Development Owner may execute an Agreement and Election Statement, in the form prescribed by the Department, for the purpose of fixing the Applicable Percentage for the Development as that for the month in which the Carryover Allocation was accepted (or the month the bonds were issued for Tax Exempt Bond Developments), as provided in the Code, §42(b)(2). Current Treasury Regulations, §1.42-8(a)(1)(v), suggest that in order to permit a Development Owner to make an effective election to fix the Applicable Percentage for a Development, the Carryover Allocation Document must be executed by the Department and the Development Owner within the same month. The Department staff will cooperate with a Development Owner, as possible or reasonable, to assure that the Carryover Allocation Document can be so executed.

(c) **Documentation Submission Requirements at Commitment of Funds.** No later than the date the Commitment Notice or Determination Notice is executed by the Applicant and returned to the Department with the appropriate Commitment Fee as further described in §49.20(f) of this title, the following documents must also be provided to the Department. Failure to provide these documents may cause the Commitment to be rescinded. For each Applicant all of the following must be provided:

(1) Evidence that the entity has the authority to do business in Texas;

(2) A Certificate of Account Status from the Texas Comptroller of Public Accounts or, if such a Certificate is not available because the entity is newly formed, a statement to such effect; and a Certificate of Organization from the Secretary of State;

(3) Copies of the entity's governing documents, including, but not limited to, its Articles of Incorporation, Articles of Organization, Certificate of Limited Partnership, Bylaws, Regulations and/or Partnership Agreement; and

(4) Evidence that the signer(s) of the Application have the authority to sign on behalf of the Applicant in the form of a corporate resolution or by-laws which indicate same from the sub-entity in Control and that those Persons signing the Application constitute all Persons required to sign or submit such documents.

§49.14. Carryover, 10% Test, Commencement of Substantial Construction.

(a) **Carryover.** All Developments which received a Commitment Notice, and will not be placed in service and receive IRS Form 8609 in the year the Commitment Notice was issued, must submit the Carryover documentation to the Department no later than November 1 of the year in which the Commitment Notice is issued. Commitments for credits will be terminated if the Carryover documentation, or an approved extension, has not been received by this deadline. In the event that a Development Owner intends to submit the Carryover documentation in any month preceding November of the year in which the Commitment Notice is issued, in order to fix the Applicable Percentage for the Development in that month, it must be submitted no later than the first Friday in the preceding month. If the financing structure, syndication rate, amount of debt or syndication proceeds are revised at the time of Carryover from what was proposed in the original Application, applicable documentation of such changes must be provided and the Development may be reevaluated by the Department. The Carryover Allocation format must be properly completed and delivered to the Department as prescribed by

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

the Carryover Allocation Procedures Manual. All Carryover Allocations will be contingent upon the following, in addition to all other conditions placed upon the Application in the Commitment Notice:

(1) The Development Owner for all new construction Developments must have purchased the property for the Development.

(2) A current original plat or survey of the land, prepared by a duly licensed Texas Registered Professional Land Surveyor. Such survey shall conform to standards prescribed in the Manual of Practice for Land Surveying in Texas as promulgated and amended from time to time by the Texas Surveyors Association as more fully described in the Carryover Procedures Manual.

(3) Attendance of the Development Owner and Development architect at Department-approved Fair Housing training on or before the time the 10% Test Documentation is submitted

(4) For all Developments involving new construction, evidence of the availability of all necessary utilities/services to the Development site must be provided. Necessary utilities include natural gas (if applicable), electric, trash, water, and sewer. Such evidence must be a letter or a monthly utility bill from the appropriate municipal/local service provider. If utilities are not already accessible, then the letter must clearly state: an estimated time frame for provision of the utilities, an estimate of the infrastructure cost, and an estimate of any portion of that cost that will be borne by the Development Owner. Letters must be from an authorized individual representing the organization which actually provides the services. Such documentation should clearly indicate the Development property. If utilities are not already accessible (undeveloped areas), then the letter should not be older than three months from the first day of the Application Acceptance Period.

(5) Development Owners must provide evidence to the Department that they have notified the District office of the Texas Department of Transportation of their proposed property consistent with the template provided in the Carryover Allocation Procedures Manual.

(b) **10% Test.** No later than six months from the date the Carryover Allocation Document is executed by the Department and the Development Owner, more than 10% of the Development Owner's reasonably expected basis must have been incurred pursuant to §42(h)(1)(E)(i) and (ii) of the Internal Revenue Code and Treasury Regulations, §1.42-6. The evidence to support the satisfaction of this requirement must be submitted to the Department no later than June 30 of the year following the execution of the Carryover Allocation Document in a format prescribed by the Department. At the time of submission of the documentation, the Development Owner must also submit a Management Plan and an Affirmative Marketing Plan as further described in the Carryover Allocation Procedures Manual.

(c) **Commencement of Substantial Construction.** The Development Owner must submit evidence of having commenced and continued substantial construction activities. The evidence must be submitted not later than December 1 of the year after the execution of the Carryover Allocation Document with the possibility of an extension as described in §49.20 of this title. The minimum activity necessary to meet the requirement of the substantial construction for new Developments will be defined as having expended 10% of the construction contract amount for the Development, adjusted for any change orders, and as documented by both the most recent construction contract application for payment and the inspecting architect. The minimum activity necessary to meet the requirement of substantial construction for rehabilitation Development will be defined as having expended 10% of the construction budget as documented by the inspecting architect. Evidence of such activity shall be provided in a format prescribed by the Department.

§49.15. Cost Certification, LURA.

(a) **Cost Certification.** If a Carryover Allocation was not requested and received, Developments must be placed in service by December 31 of the year the Commitment Notice was issued. Developments receiving a Carryover Allocation must be placed in service by December 31 of the second year following the year the Carryover Allocation Agreement was executed. Developments requesting IRS Forms 8609 must submit the required Cost Certification documentation no later than April 1 of the year following the date the buildings were placed in service. Any Developments issued a Commitment Notice or Determination Notice that fails to submit its Cost Certification documentation by this time will be reported to the IRS and the Owner will be required to submit a request for extension consistent with §49.20(l) of this title. The Department will perform an initial evaluation of the Cost Certification documentation within 45 days from the date of receipt of the Cost Certification documentation and notify the Owner in a deficiency letter of all additional required documentation. Once the Department has determined that all required documents have been received, the Department will issue IRS Forms 8609 no later than 90 days from the date of receipt of those final documents. Any deficiency letters issued to the Owner pertaining to the Cost Certification documentation will also be copied to the syndicator. At the time the Cost Certification documentation is provided, a title policy or 'nothing further certificate' must be provided dated on or after the date of substantial completion.

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(b) **Land Use Restriction Agreement (LURA).** The Development Owner must request a LURA from the Department no later than the date specified in §60.1(p)(6), the Department's Compliance Monitoring Policies and Procedures. The Development Owner must date, sign and acknowledge before a notary public the LURA and send the original to the Department for execution by December 1 of the first year in which credits will be claimed. The initial compliance and monitoring fee must be accompanied by a statement, signed by the Owner, indicating the start of the Development's Credit Period and the earliest placed in service date for the Development buildings. After receipt of the signed LURA from the Department, the Development Owner shall then record the LURA, along with any and all exhibits attached thereto, in the real property records of the county where the Development is located and return the original document, duly certified as to recordation by the appropriate county official, to the Department no later than the date that the Cost Certification Documentation is submitted to the Department. If any liens (other than mechanics' or materialmen's liens) shall have been recorded against the Development and/or the Property prior to the recording of the LURA, the Development Owner shall obtain the subordination of the rights of any such lienholder, or other effective consent, to the survival of certain obligations contained in the LURA, which are required by §42(h)(6)(E)(ii) of the Code to remain in effect following the foreclosure of any such lien. Receipt of such certified recorded original LURA by the Department is required prior to issuance of IRS Form 8609. A representative of the Department, or assigns, shall physically inspect the Development for compliance with the Application and the representations, warranties, covenants, agreements and undertakings contained therein. Such inspection will be conducted before the IRS Form 8609 is issued for a building, but it shall be conducted in no event later than the end of the second calendar year following the year the last building in the Development is placed in service. The Development Owner for Tax Exempt Bond Developments shall obtain a subordination agreement wherein the lien of the mortgage is subordinated to the LURA.

§49.16. Housing Credit Allocations.

(a) In making a commitment of a Housing Credit Allocation under this chapter, the Department shall rely upon information contained in the Application to determine whether a building is eligible for the credit under the Code, §42. The Development Owner shall bear full responsibility for claiming the credit and assuring that the Development complies with the requirements of the Code, §42. The Department shall have no responsibility for ensuring that a Development Owner who receives a Housing Credit Allocation from the Department will qualify for the housing credit.

(b) The Housing Credit Allocation Amount shall not exceed the dollar amount the Department determines is necessary for the financial feasibility and the long term viability of the Development throughout the affordability period. (2306.6711(b)) Such determination shall be made by the Department at the time of issuance of the Commitment Notice or Determination Notice; at the time the Department makes a Housing Credit Allocation; and as of the date each building in a Development is placed in service. Any Housing Credit Allocation Amount specified in a Commitment Notice, Determination Notice or Carryover Allocation Document is subject to change by the Department based upon such determination. Such a determination shall be made by the Department based on its evaluation and procedures, considering the items specified in the Code, §42(m)(2)(B), and the department in no way or manner represents or warrants to any Applicant, sponsor, investor, lender or other entity that the Development is, in fact, feasible or viable.

(c) The General Contractor hired by the Development Owner must meet specific criteria as defined by the Seventy-fifth Legislature. A General Contractor hired by a Development Owner or a Development Owner, if the Development Owner serves as General Contractor must demonstrate a history of constructing similar types of housing without the use of federal tax credits. Evidence must be submitted to the Department, in accordance with §49.9(f)(4)(H) of this title, which sufficiently documents that the General Contractor has constructed some housing without the use of Housing Tax Credits. This documentation will be required as a condition of the commitment notice or carryover agreement, and must be complied with prior to commencement of construction and at cost certification and final allocation of credits.

(d) An allocation will be made in the name of the Development Owner identified in the related Commitment Notice or Determination Notice. If an allocation is made to a member or Affiliate of the ownership entity proposed at the time of Application, the Department will transfer the allocation to the ownership entity as consistent with the intention of the Board when the Development was selected for an award of tax credits. Any other transfer of an allocation will be subject to review and approval by the Department consistent with §49.17(c) of this title. The approval of any such transfer does not constitute a representation to the effect that such transfer is permissible under §42 of the Code or without adverse consequences thereunder, and the Department may condition its approval upon receipt and approval of complete current documentation regarding

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

the owner including documentation to show consistency with all the criteria for scoring, evaluation and underwriting, among others, which were applicable to the original Applicant.

(e) The Department shall make a Housing Credit Allocation, either in the form of IRS Form 8609, with respect to current year allocations for buildings placed in service, or in the Carryover Allocation Document, for buildings not yet placed in service, to any Development Owner who holds a Commitment Notice which has not expired, and for which all fees as specified in §49.20 of this title have been received by the Department and with respect to which all applicable requirements, terms and conditions have been met. For Tax Exempt Bond Developments, the Housing Credit Allocation shall be made in the form of a Determination Notice. For an IRS Form 8609 to be issued with respect to a building in a Development with a Housing Credit Allocation, satisfactory evidence must be received by the Department that such building is completed and has been placed in service in accordance with the provisions of the Department's Cost Certification Procedures Manual. The Cost Certification documentation requirements will include a certification and inspection report prepared by a Third-Party accredited accessibility inspector to certify that the Development meets all required accessibility standards. IRS Form 8609 will not be issued until the certifications are received by the Department. The Department shall mail or deliver IRS Form 8609 (or any successor form adopted by the Internal Revenue Service) to the Development Owner, with Part I thereof completed in all respects and signed by an authorized official of the Department. The delivery of the IRS Form 8609 will occur only after the Development Owner has complied with all procedures and requirements listed within the Cost Certification Procedures Manual. Regardless of the year of Application to the Department for Housing Tax Credits, the current year's Cost Certification Procedures Manual must be utilized when filing all cost certification materials. A separate Housing Credit Allocation shall be made with respect to each building within a Development which is eligible for a housing credit; provided, however, that where an allocation is made pursuant to a Carryover Allocation Document on a Development basis in accordance with the Code, §42(h)(1)(F), a housing credit dollar amount shall not be assigned to particular buildings in the Development until the issuance of IRS Form 8609s with respect to such buildings. The Department may delay the issuance of IRS Form 8609 if any Development violates the representations of the Application.

(f) In making a Housing Credit Allocation, the Department shall specify a maximum Applicable Percentage, not to exceed the Applicable Percentage for the building permitted by the Code, §42(b), and a maximum Qualified Basis amount. In specifying the maximum Applicable Percentage and the maximum Qualified Basis amount, the Department shall disregard the first-year conventions described in the Code, §42(f)(2)(A) and §42(f)(3)(B). The Housing Credit Allocation made by the Department shall not exceed the amount necessary to support the extended low income housing commitment as required by the Code, §42(h)(6)(C)(i).

(g) Development inspections shall be required to show that the Development is built or rehabilitated according to construction threshold criteria and Development characteristics identified at application. At a minimum, all Development inspections must include an inspection for quality during the construction process while defects can reasonably be corrected and a final inspection at the time the Development is placed in service. All such Development inspections shall be performed by the Department or by an independent Third Party inspector acceptable to the Department. The Development Owner shall pay all fees and costs of said inspections as described in §49.20 of this title. For properties receiving financing through TX-USDA-RHS, the Department shall accept the inspections performed by TX-USDA-RHS in lieu of having other Third party inspections. Details regarding the construction inspection process are set forth in the Department Rule §60.1 of this title (2306.081).

(h) After the entire Development is placed in service, which must occur prior to the deadline specified in the Carryover Allocation Document and as further outlined in §49.15 of this title, the Development Owner shall be responsible for furnishing the Department with documentation which satisfies the requirements set forth in the Cost Certification Procedures Manual. For purposes of this title, and consistent with IRS Notice 88-116, the placed in service date for a new or existing building used as residential rental property is the date on which the building is ready and available for its specifically assigned function and more specifically when the first Unit in the building is certified as being suitable for occupancy in accordance with state and local law and as certified by the appropriate local authority or registered architect as ready for occupancy. The Cost Certification must be submitted for the entire Development; therefore partial Cost Certifications are not allowed. The Department may require copies of invoices and receipts and statements for materials and labor utilized for the new construction or rehabilitation and, if applicable, a closing statement for the acquisition of the Development as well as for the closing of all interim and permanent financing for the Development. If the Development Owner does not fulfill all representations and commitments made in the Application, the Department may make reasonable reductions to the tax credit amount allocated via the IRS Form 8609, may withhold issuance of the IRS Form 8609s until these representations and commitments are met, and/or may terminate the allocation, if appropriate corrective action is not taken by the Development Owner.

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(i) The Board at its sole discretion may allocate credits to a Development Owner in addition to those awarded at the time of the initial Carryover Allocation in instances where there is bona fide substantiation of cost overruns and the Department has made a determination that the allocation is needed to maintain the Development's financial viability.

(j) The Department may, at any time and without additional administrative process, determine to award credits to Developments previously evaluated and awarded credits if it determines that such previously awarded credits are or may be invalid and the owner was not responsible for such invalidity. The Department may also consider an amendment to a Commitment Notice or Carryover Allocation or other requirement with respect to a Development if the revisions:

- (1) are consistent with the Code and the Housing Tax Credit Program;
- (2) do not occur while the Development is under consideration for tax credits;
- (3) do not involve a change in the number of points scored (unless the Development's ranking is adjusted because of such change);
- (4) do not involve a change in the Development's site; or
- (5) do not involve a change in the set-aside election.

§49.17 Board Reevaluation, Appeals; Amendments, Housing Tax Credit and Ownership Transfers, Sale of Tax Credit Properties, Withdrawals, Cancellations.

(a) **Board Reevaluation.** (2306.6731(b)) Regardless of development stage, the Board shall reevaluate a Development that undergoes a substantial change between the time of initial Board approval of the Development and the time of issuance of a Commitment Notice or Determination Notice for the Development. For the purposes of this subsection, substantial change shall be those items identified in subsection (c)(3) of this section. The Board may revoke any Commitment Notice or Determination Notice issued for a Development that has been unfavorably reevaluated by the Board.

(b) **Appeals Process.** (2306.6715) An Applicant may appeal decisions made by the Department as follows.

- (1) The decisions that may be appealed are identified in subparagraphs (A) through (C) of this paragraph.
 - (A) a determination regarding the Application's satisfaction of:
 - (i) Eligibility Requirements;
 - (ii) Disqualification or debarment criteria;
 - (iii) Pre-Application or Application Threshold Criteria;

 - (B) the scoring of the Application under the Application Selection Criteria; and
 - (C) a recommendation as to the amount of housing tax credits to be allocated to the Application.
 - (D) Any Department decision that results in termination of an Application.
- (2) An Applicant may not appeal a decision made regarding an Application filed by another Applicant.
- (3) An Applicant must file its appeal in writing with the Department not later than the seventh day after the date the Department publishes the results of any stage of the Application evaluation process identified in §49.9 of this title. In the appeal, the Applicant must specifically identify the Applicant's grounds for appeal, based on the original Application and additional documentation filed with the original Application.  - (4) The Executive Director of the Department shall respond in writing to the appeal not later than the 14th day after the date of receipt of the appeal. If the Applicant is not satisfied with the Executive Director's response to the appeal, the Applicant may appeal directly in writing to the Board, provided that an appeal filed with the Board under this subsection must be received by the Board before:
 - (A) the seventh day preceding the date of the Board meeting at which the relevant commitment decision is expected to be made; or

(c) **Amendment of Application Subsequent to Allocation by Board.** (2306.6712 and 2306.6717(a)(4))

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

(1) If a proposed modification would materially alter a Development approved for an allocation of a housing tax credit, or if the Applicant has altered any selection criteria item for which it received points, the Department shall require the Applicant to file a formal, written request for an amendment to the Application.

(2) The Executive Director of the Department shall require the Department staff assigned to underwrite Applications to evaluate the amendment and provide an analysis and written recommendation to the Board. The appropriate party monitoring compliance during construction in accordance with §49.18 of this title shall also provide to the Board an analysis and written recommendation regarding the amendment.

(3) For Applications approved by the Board prior to September 1, 2001, the Executive Director will approve or deny the amendment request. For Applications approved by the Board after September 1, 2001, the Board must vote on whether to approve the amendment. The Board by vote may reject an amendment and, if appropriate, rescind a Commitment Notice or terminate the allocation of housing tax credits and reallocate the credits to other Applicants on the Waiting List if the Board determines that the modification proposed in the amendment:

- (A) would materially alter the Development in a negative manner; or
- (B) would have adversely affected the selection of the Application in the Application Round.

(4) Material alteration of a Development includes, but is not limited to:

- (A) a significant modification of the site plan;
- (B) a modification of the number of units or bedroom mix of units;
- (C) a substantive modification of the scope of tenant services;
- (D) a reduction of three percent or more in the square footage of the units or common areas;
- (E) a significant modification of the architectural design of the Development;
- (F) a modification of the residential density of the Development of at least five percent; (G) an increase or decrease in the site acreage of greater than 10% from the original site under control and proposed in the Application; and

(H) any other modification considered significant by the Board.

(5) In evaluating the amendment under this subsection, the Department staff shall consider whether the need for the modification proposed in the amendment was:

- (A) reasonably foreseeable by the Applicant at the time the Application was submitted; or
- (B) preventable by the Applicant.

(6) This section shall be administered in a manner that is consistent with the Code, §42.

(7) Before the 15th day preceding the date of Board action on the amendment, notice of an amendment and the recommendation of the Executive Director and monitor regarding the amendment will be posted to the Department's web site.

(8) In the event that an Applicant or Developer seeks to be released from the commitment to serve the income level of tenants targeted in the original Application, the following procedure will apply. For amendments that involve a reduction in the total number of low income Units being served, or a reduction in the number of low income Units at any level of AMGI represented at the time of Application, evidence must be presented to the Department that includes written confirmation from the lender and syndicator that the Development is infeasible without the adjustment in Units. The Board may or may not approve the amendment request, however, any affirmative recommendation to the Board is contingent upon concurrence from the Real Estate Analysis Division that the Unit adjustment (or an alternative Unit adjustment) is necessary for the continued feasibility of the Development. Additionally, if it is determined by the Department that the allocation of credits would not have been made in the year of allocation because the loss of low income targeting points would have resulted in the Application not receiving an allocation, and the amendment is approved by the Board, the approved amendment will carry a penalty that prohibits the Applicant and all persons or entities with any ownership interest in the Application (excluding any tax credit purchaser/syndicator), from participation in the Housing Tax Credit Program (4% or 9%) for 24 months from the time that the amendment is approved.

(d) Housing Tax Credit and Ownership Transfers. (2306.6713) A Development Owner may not transfer an allocation of housing tax credits or ownership of a Development supported with an allocation of housing tax credits to any Person other than an Affiliate of the Development Owner unless the Development Owner obtains the Executive Director's prior, written approval of the transfer. The Executive Director may not unreasonably withhold approval of the transfer.

(1) Transfers will not be approved prior to the issuance of IRS Forms 8609 unless the Development Owner can provide evidence that a hardship is creating the need for the transfer (potential bankruptcy, removal by a partner, etc.). A Development Owner seeking Executive Director approval of a transfer and the proposed transferee must provide to the Department a copy of any applicable agreement between the parties to the transfer, including any third-party agreement with the Department.

(2) A Development Owner seeking Executive Director approval of a transfer must provide the Department with documentation requested by the Department, including but not limited to, a list of the names of

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

transferees and Related Parties; and detailed information describing the experience and financial capacity of transferees and related parties. All transfer requests must disclose the reason for the request. The Development Owner shall certify to the Executive Director that the tenants in the Development have been notified in writing of the transfer before the 30th day preceding the date of submission of the transfer request to the Department. Not later than the fifth working day after the date the Department receives all necessary information under this section, the Department shall conduct a qualifications review of a transferee to determine the transferee's past compliance with all aspects of the Housing Tax Credit Program, LURAs; and the sufficiency of the transferee's experience with Developments supported with Housing Credit Allocations. If the viable operation of the Development is deemed to be in jeopardy by the Department, the Department may authorize changes that were not contemplated in the Application.

(3) As it relates to the Credit Cap further described in §49.6(d) of this section, the credit cap will not be applied in the following circumstances:

(A) in cases of transfers in which the syndicator, investor or limited partner is taking over ownership of the Development and not merely replacing the general partner; or

(B) in cases where the general partner is being replaced if the award of credits was made at least five years prior to the transfer request date.

(e) **Sale of Certain Tax Credit Properties.** Consistent with 2306.6726, Texas Government Code, not later than two years before the expiration of the Compliance Period, a Development Owner who agreed to provide a right of first refusal under 2306.6725, Texas Government Code and who intends to sell the property shall notify the Department of its intent to sell.

(1) The Development Owner shall notify Qualified Nonprofit Organizations and tenant organizations of the opportunity to purchase the Development. The Development Owner may:

(A) during the first six-month period after notifying the Department, negotiate or enter into a purchase agreement only with a Qualified Nonprofit Organization that is also a community housing development organization as defined by the federal home investment partnership program;

(B) during the second six-month period after notifying the Department, negotiate or enter into a purchase agreement with any Qualified Nonprofit Organization or tenant organization; and

(C) during the year before the expiration of the compliance period, negotiate or enter into a purchase agreement with the Department or any Qualified Nonprofit Organization or tenant organization approved by the Department.

(2) Notwithstanding items for which points were received consistent with §49.9(g) of this title, a Development Owner may sell the Development to any purchaser after the expiration of the compliance period if a Qualified Nonprofit Organization or tenant organization does not offer to purchase the Development at the minimum price provided by §42(i)(7), Internal Revenue Code of 1986 (26 U.S.C. Section 42(i)(7)), and the Department declines to purchase the Development.

(f) **Withdrawals.** An Applicant may withdraw an Application prior to receiving a Commitment Notice, Determination Notice, Carryover Allocation Document or Housing Credit Allocation, or may cancel a Commitment Notice or Determination Notice by submitting to the Department a notice, as applicable, of withdrawal or cancellation, and making any required statements as to the return of any tax credits allocated to the Development at issue.

(g) **Cancellations.** The Department may cancel a Commitment Notice, Determination Notice or Carryover Allocation prior to the issuance of IRS Form 8609 with respect to a Development if:

(1) The Applicant or the Development Owner, or the Development, as applicable, fails to meet any of the conditions of such Commitment Notice or Carryover Allocation or any of the undertakings and commitments made by the Development Owner in the Applications process for the Development;

(2) any statement or representation made by the Development Owner or made with respect to the Development Owner or the Development is untrue or misleading;

(3) an event occurs with respect to the Applicant or the Development Owner which would have made the Development's Application ineligible for funding pursuant to §49.5 of this title if such event had occurred prior to issuance of the Commitment Notice or Carryover Allocation; or

(4) The Applicant or the Development Owner or the Development, as applicable, fails to comply with these Rules or the procedures or requirements of the Department.

(h) **Alternative Dispute Resolution Policy.** In accordance with Section 2306.082, Texas Government Code, it is the Department's policy to encourage the use of appropriate alternative dispute resolution procedures ("ADR") under the Governmental Dispute Resolution Act, Chapter 2009, Texas Government Code, to assist in resolving disputes under the Department's jurisdiction. As described in Chapter 154, Civil Practices and Remedies Code, ADR procedures include mediation. Except as prohibited by the Department's ex parte communications policy,

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

the Department encourages informal communications between Department staff and Applicants, and other interested persons, to exchange information and informally resolve disputes. The Department also has administrative appeals processes to fairly and expeditiously resolve disputes. If at anytime an Applicant or other person would like to engage the Department in an ADR procedure, the person may send a proposal to the Department's Dispute Resolution Coordinator (fax: 512-475-3978). For additional information on the Department's ADR Policy, see the Department's General Administrative Rule on ADR at 10 Texas Administrative Code §1.17.

§49.18. Compliance Monitoring and Material Non-Compliance.

The Code, §42(m)(1)(B)(iii), requires the Department as the housing credit agency to include in its QAP a procedure that the Department will follow in monitoring Developments for compliance with the provisions of the Code, §42 and in notifying the IRS of any noncompliance of which the Department becomes aware. Detailed compliance rules and procedures for monitoring are set forth in Department Rule §60.1 of this title.()

§49.19. Department Records, Application Log, IRS Filings.

(a) **Department Records.** At all times during each calendar year the Department shall maintain a record of the following:

The Application Log will contain, at a minimum, the information identified in paragraphs (1) through (9) of this subsection.

- (1) the names of the Applicant and all General Partners of the Development Owner, the owner contact name and phone number, and full contact information for all members of the Development Team;

(c) **IRS Filings.** The Department shall mail to the Internal Revenue Service, not later than the 28th day of the second calendar month after the close of each calendar year during which the Department makes Housing Credit Allocations, the original of each completed (as to Part I) IRS Form 8609, a copy of which was mailed or delivered by the Department to a Development Owner during such calendar year, along with a single completed IRS Form 8610, Annual Low Income Housing Credit Agencies Report. When a Carryover Allocation is made by the Department, a copy of the Carryover Allocation Agreement will be mailed or delivered to the Development Owner by the Department in the year in which the building(s) is placed in service, and thereafter the original will be mailed to the Internal Revenue Service in the time sequence in this subsection. The original of the Carryover Allocation Document will be filed by the Department with IRS Form 8610 for the year in which the allocation is made. The original of all executed Agreement and Election Statements shall be filed by the Department with the Department's IRS Form 8610 for the year a Housing Credit Allocation is made as provided in this section. The Department shall be authorized to vary from the requirements of this section to the extent required to adapt to changes in IRS requirements.

\$49.20. Program Fees, Refunds, Public Information Requests, Amendments of Fees and Notification of Fees, Extensions.

(a) **Timely Payment of Fees.** All fees must be paid as stated in this section. Any fees, as further described in this section, that are not timely paid will cause an Applicant to be ineligible to apply for tax credits and additional tax credits and ineligible to submit extension requests, ownership changes and Application amendments. Payments made by check, for which insufficient funds are available, may cause the Application, commitment or allocation to be terminated.

(b) **Pre-Application Fee.** Each Applicant that submits a Pre-Application shall submit to the Department, along with such Pre-Application, a non refundable Pre-Application fee, in the amount of \$10 per Unit. Units for the calculation of the Pre-Application Fee include all Units within the Development, including tax credit, market rate and owner-occupied Units. Pre-Applications without the specified Pre-Application Fee in the form of a check will not be accepted. Pre-Applications in which a CHDO or Qualified Nonprofit Organization intends to serve as the managing General Partner of the Development Owner, or Control the managing General Partner of the Development Owner, will receive a discount of 10% off the calculated Pre-Application fee.

(c) **Application Fee.** Each Applicant that submits an Application shall submit to the Department, along with such Application, an Application fee. For Applicants having submitted a Pre-Application which met Pre-Application Threshold and for which a Pre-Application fee was paid, the Application fee will be \$20 per Unit. For Applicants not having submitted a Pre-Application, the Application fee will be \$30 per Unit. Units for the calculation of the Application Fee include all Units within the Development, including tax credit, market rate and owner-occupied Units. Applications without the specified Application Fee in the form of a check will not be accepted. Applications in which a CHDO or Qualified Nonprofit Organization intends to serve as the managing General Partner of the Development Owner, or Control the managing General Partner of the Development Owner, will receive a discount of 10% off the calculated Application fee. (2306.6716(d))

(d) **Refunds of Pre-Application or Application Fees.** (2306.6716(c)) The Department shall refund the balance of any fees collected for a Pre-Application or Application that is withdrawn by the Applicant or that is not fully processed by the Department. The amount of refund on Applications not fully processed by the Department will be commensurate with the level of review completed. Intake and data entry will constitute 30% of the review, the site visit will constitute 45% of the review, and Threshold and Selection review will constitute 25% of the review. The Department must provide the refund to the Applicant not later than the 30th day after the date the last official action is taken with respect to the Application.

(e) **Third Party Underwriting Fee.** Applicants will be notified in writing prior to the evaluation of a Development by an independent external underwriter in accordance with §49.9(d)(6) of this title if such a review is required. The fee must be received by the Department prior to the engagement of the underwriter. The fees paid by the Development Owner to the Department for the external underwriting will be credited against the commitment fee established in subsection (f) of this section, in the event that a Commitment Notice or Determination Notice is issued by the Department to the Development Owner.

(f) **Commitment or Determination Notice Fee.** Each Development Owner that receives a Commitment Notice or Determination Notice shall submit to the Department, not later than the expiration date on the commitment notice, a non-refundable commitment fee equal to 5% of the annual Housing Credit Allocation amount. The amount due will equal \$40 per tax credit unit. The fee will be collected, retroactively if applicable, beginning with the first year of the credit period. The invoice must be paid prior to the issuance of Form 8609. Subsequent anniversary dates on which the compliance monitoring fee payments are due shall be determined by the beginning month of the compliance period.

(i) **Tax Exempt Bond Credit Increase Request Fee.** As further described in Section 49.12(d) of this section, requests for increases to the credit amounts to be issued on IRS Forms 8609 for Tax Exempt Bond Developments must be submitted with a request fee equal to one percent of the first year's credit amount.

2005 Housing Tax Credit Program Qualified Allocation Plan and Rules

The Texas Building and Procurement Commission (formerly General Services Commission) determines the cost of copying, and other costs of production.

(k) **Periodic Adjustment of Fees by the Department and Notification of Fees.** (2306.6716(b)) All fees charged by the Department in the administration of the tax credit program will be revised by the Department from time to time as necessary to ensure that such fees compensate the Department for its administrative costs and expenses. The Department shall publish each year an updated schedule of Application fees that specifies the amount to be charged at each stage of the Application process. Unless otherwise determined by the Department, all revised fees shall apply to all Applications in process and all Developments in operation at the time of such revisions.

(l) **Extension Requests.** All extension requests relating to the Commitment Notice, Carryover, Substantial Construction Commencement, Placed in Service or Cost Certification requirements shall be submitted to the Department in writing and be accompanied by a non-refundable extension fee in the form of a check in the amount of \$2,500. Such requests must be submitted to the Department no later than the date for which an extension is being requested and will not be accepted any later than this deadline date. The extension request shall specify a requested extension date and the reason why such an extension is required. Carryover extension requests shall not request an extended deadline later than December 1st of the year the Commitment Notice was issued. The Department, in its sole discretion, may consider and grant such extension requests for all items. If an extension is required at Cost Certification, the fee of \$2,500 must be received by the Department to qualify for issuance of Forms 8609. The Board may waive related fees for good cause.

§49.21. Manner and Place of Filing All Required Documentation.

(a) All Applications, letters, documents, or other papers filed with the Department must be received only between the hours of 8:00 a.m. and 5:00 p.m. on any day which is not a Saturday, Sunday or a holiday established by law for state employees.

Regardless of method of delivery, documents must be received by the Department no later than 5:00 p.m. for the given deadline date. Notice by courier, express mail, certified mail, or registered mail will be considered received on the date it is officially recorded as delivered by return receipt or equivalent. Notice by telex or telegraph will be deemed given at the time it is recorded by the carrier in the ordinary course of business as having been delivered, but in any event not later than one business day after dispatch. Notice not given in writing will be effective only if acknowledged in writing by a duly authorized officer of the Department.

(c) If required by the Department, Development Owners must comply with all requirements to use the Department's web site to provide necessary data to the Department.

§49.22. Waiver and Amendment of Rules.

(a) The Board, in its discretion, may waive any one or more of these Rules if the Board finds that waiver is appropriate to fulfill the purposes or policies of Chapter 2306, Texas Government Code, or for other good cause, as determined by the Board.

(b) The Department may amend this chapter and the Rules contained herein at any time in accordance with the Government Code, Chapter 2001.

(g) The Board shall approve final commitments for allocations of housing tax credits each year in accordance with the Qualified Allocation Plan not later than July 31, unless unforeseen circumstances prohibit action by that date. In any event, the Board shall approve final commitments for allocations of housing tax credits each year in accordance with the Qualified Allocation Plan not later than September 30. Department staff will subsequently issue Commitment Notices based on the Board's approval. Final commitments may be conditioned on various factors approved by the Board, including resolution of contested matters in litigation.
