adding Chapter 231 to read as follows:

CHAPTER 231. TAX CREDIT FOR INVESTMENT IN CERTAIN COMMUNITIES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 231.001. GENERAL DEFINITIONS. In this chapter:

(1) "Applicable percentage" means zero percent for the
first two credit allowance dates, seven percent for the third
credit allowance date, and eight percent for the next four credit
allowance dates.

(2) "Comptroller" means the comptroller of public
accounts.

(3) "Credit allowance date" means, with respect to any
qualified equity investment:

(A) the date on which the investment is initially
made; and

(B) the anniversary of that date in each of the six
years immediately following that date.

(4) "Purchase price" means the amount paid to the issuer of a qualified equity investment for the qualified equity investment.

(5) "State premium tax liability" means any premium tax liability incurred under Chapter 221, 222, 223, or 224.

Sec. 231.002. DEFINITION: LONG-TERM DEBT SECURITY. (a) In this chapter, "long-term debt security" means a debt instrument issued by a qualified community development entity, at par value or a premium, with an original maturity date not earlier than the seventh year after the date on which the debt instrument is issued, with no acceleration of repayment, amortization, or prepayment features before its original maturity date.

(b) The qualified community development entity that issues a long-term debt security may not make cash interest payments on the security during the period beginning on the date on which the security is issued and ending on the final credit allowance date in an amount that exceeds the cumulative operating income, as defined by regulations adopted under Section 45D, Internal Revenue Code of 1986, of the qualified community development entity for that period before giving effect to the interest expense of the long-term debt security.

(c) This section does not limit the holder's ability to accelerate payments on a long-term debt security in situations where the issuer has defaulted on covenants designed to ensure compliance with this chapter or Section 45D, Internal Revenue Code

of 1986.

Sec. 231.003. DEFINITION: QUALIFIED ACTIVE LOW-INCOME COMMUNITY BUSINESS. (a) In this chapter, "qualified active low-income community business" has the meaning assigned by Section 45D, Internal Revenue Code of 1986, and 26 C.F.R. Section 1.45D-1, except that the term is limited to those businesses that do not exceed the Small Business Administration size eligibility standards established by 13 C.F.R. Section 121.201 at the time the qualified low-income community investment is made.

(b) A business is considered a qualified active low-income community business for the duration of the qualified community development entity's investment in, or loan to, the business if the entity reasonably expects, at the time it makes the investment or loan, that the business will continue to satisfy the requirements for being a qualified active low-income community business, other than the Small Business Administration size standards, throughout the entire period of the investment or loan.

(c) A business that derives or projects to derive 15 percent or more of its annual revenue from the rental or sale of real estate is not a qualified active low-income community business for purposes of this chapter. This exclusion does not apply to a business that is controlled by, or under common control with, an affiliated entity if the affiliated entity:

(1) does not derive or project to derive 15 percent or more of its annual revenue from the rental or sale of real estate;

and

(2) is the primary tenant of the real estate leased from the business.

Sec. 231.004. DEFINITION: QUALIFIED COMMUNITY DEVELOPMENT ENTITY. In this chapter, "qualified community development entity" has the meaning assigned by Section 45D, Internal Revenue Code of 1986, provided that the entity has entered into, for the current year or any prior year, an allocation agreement with the community development financial institutions fund of the United States Department of the Treasury with respect to credits authorized by Section 45D, Internal Revenue Code of 1986, that includes this state in the service area set forth in the allocation agreement. The term includes a qualified community development entity that is controlled by or under common control with another qualified community development entity described by this section.

Sec. 231.005. DEFINITION: QUALIFIED EQUITY INVESTMENT. (a) An investment or security is a "qualified equity investment" for purposes of this chapter if:

(1) the investment or security is an equity investment in, or long-term debt security issued by, a qualified community development entity;

(2) the investment or security is acquired on or after October 1, 2013, at its original issuance solely in exchange for cash;

(3) not later than the first anniversary of the initial

credit allowance date at least 100 percent of the investment's or security's cash purchase price is used by the issuer to make qualified low-income community investments in qualified active low-income community businesses located in this state; and

(4) the investment or security is designated by the issuer as a qualified equity investment under this section and is certified by the comptroller as not exceeding the limitation provided by Section 231.104.

(b) Qualified equity investment includes an investment or security that does not satisfy the requirements of Subsection (a) if the investment or security was a qualified equity investment in the hands of a prior holder.

Sec. 231.006. DEFINITION: QUALIFIED LOW-INCOME COMMUNITY INVESTMENT. In this chapter, "qualified low-income community investment" means a capital or equity investment in, or loan to, a qualified active low-income community business with respect to which a federal qualified low-income community investment of some amount is made concurrently with the investment or loan.

Sec. 231.007. DEFINITION: QUALIFIED INVESTOR. In this chapter, "qualified investor" means an entity that makes a qualified equity investment as defined by Section 231.005, or an entity that is allocated premium tax credits under Section 231.052(b).

Sec. 231.008. NEW MARKETS PERFORMANCE GUARANTEE ACCOUNT. The new markets performance guarantee account is established as a

C.S.H.B. No. 2061
special account outside the state treasury. The comptroller shall
administer the account and shall deposit a refundable performance
deposit received from a qualified community development entity
under Subchapter E into the account.

Sec. 231.009. RULES AND STANDARDS. (a) The comptroller may
adopt rules as necessary to implement the duties of the comptroller
under this chapter.

(b) The comptroller, acting as the administrator, may:

(1) by rule set limits and restrictions on the use of
the proceeds raised by a qualified community development entity,
consistent with Section 45D, Internal Revenue Code of 1986;

(2) review or audit the investments of a qualified
community development entity on a periodic basis;

(3) establish limits on the formation and syndication
costs of a qualified community development entity and the entity's
debt instruments;

(4) consistent with practices under Section 45D,
Internal Revenue Code of 1986, establish limits of a qualified
community development entity's operating expenses, including legal
fees, loan sourcing or origination fees, loan servicing fees,
management fees paid to affiliated firms, including non-Texas-based
firms, organizational and formation expenses, and performance
bonds; and

(5) limit any original issue discount on a debt
instrument issued by a qualified community development entity.

SUBCHAPTER B. TAX CREDIT

Sec. 231.051. CREDIT ESTABLISHED. (a) Subject to Section 231.052(b), a qualified investor that makes a qualified equity investment earns a vested right to credit against the qualified investor's state premium tax liability.

(b) On each credit allowance date of a qualified equity investment, the qualified investor, or a subsequent holder of the qualified equity investment, may claim a portion of the credit during the tax year of that credit allowance date.

(c) The credit amount is equal to the applicable percentage for the credit allowance date multiplied by the purchase price paid to the issuer of the qualified equity investment.

(d) The amount of the credit claimed by a qualified investor may not exceed the amount of the qualified investor's state premium tax liability for the tax year for which the credit is claimed. Any amount of tax credit that the qualified investor is prohibited from claiming in a tax year as a result of this subsection may be carried forward for use in a subsequent tax year.

Sec. 231.052. TRANSFERABILITY. (a) A premium tax credit claimed under this chapter is not refundable or salable.

(b) A premium tax credit earned by or allocated to a partnership, limited liability company, S corporation, or other pass-through entity may be allocated to the partners, members, or shareholders of the entity for their direct use in accordance with an agreement among the partners, members, or shareholders. An

C.S.H.B. No. 2061
allocation under this subsection does not constitute a sale for
purposes of this chapter.

Sec. 231.053. RETALIATORY TAX. (a) A qualified investor or
a subsequent holder of a qualified equity investment claiming a
premium tax credit under this chapter is not required to pay any
additional retaliatory tax levied under Chapter 281 as a result of
claiming that credit.

(b) In addition to the exclusion provided by Subsection (a),
a qualified investor or a subsequent holder of the qualified equity
investment claiming a credit under this chapter is not required to
pay any additional tax that may arise as a result of claiming that
credit.

SUBCHAPTER C. CERTIFICATION OF QUALIFIED EQUITY INVESTMENTS

Sec. 231.101. APPLICATION FOR CERTIFICATION OF QUALIFIED
EQUITY INVESTMENT. (a) A qualified community development entity
that seeks to have an equity investment or long-term debt security
certified as a qualified equity investment eligible for premium tax
credits under this chapter must apply to the comptroller, acting as
administrator under this chapter, as provided by this section.

(b) An application under this section must include the
following:

(1) evidence of the applicant's certification as a
qualified community development entity, including evidence of the
service area of the entity that includes this state;

(2) a copy of an allocation agreement executed by the

applicant, or its controlling entity, and the community development financial institutions fund;

(3) a certificate executed by an executive officer of the applicant attesting that the allocation agreement remains in effect and has not been revoked or canceled by the community development financial institutions fund;

(4) a description of the proposed amount and structure, and of the purchaser, of the qualified equity investment;

(5) identifying information for a qualified investor that will earn premium tax credits as a result of the issuance of the qualified equity investment;

(6) examples of the types of qualified active low-income community businesses in which the applicant, its controlling entity, or affiliates of its controlling entity have invested under the federal New Markets Tax Credit Program, except that an applicant is not required to disclose the identity of a specific qualified active low-income community business in which the applicant intends to invest;

(7) a nonrefundable application fee of \$5,000 to be paid to the comptroller; and

(8) the refundable performance deposit of \$500,000 required by Subchapter E.

Sec. 231.102. ACTION ON APPLICATION. (a) Not later than the 30th day after the date an application under Section 231.101 is received, the comptroller shall grant or deny the application in

full or in part.

(b) If the comptroller denies part of the application, the comptroller shall inform the applicant of the grounds for denial.

(c) If the applicant provides additional information required by the comptroller or otherwise completes the application not later than the 15th day after the date of the notice of denial, the application is considered completed as of the date on which it was originally submitted. If the qualified community development entity fails to provide the information or complete its application before that date, the application is denied and must be resubmitted in full and has a new submission date.

Sec. 231.103. CERTIFICATION OF QUALIFIED EQUITY INVESTMENT.

(a) If an application under Section 231.101 is granted under Section 231.102, the comptroller shall certify the proposed equity investment or long-term debt security as a qualified equity investment that is eligible for premium tax credits under this chapter, subject to Section 231.104.

(b) The comptroller shall provide written notice of the certification to the qualified community development entity.

(c) The notice must include the names of those entities that will earn the credits and their respective credit amounts. If the names of the entities that are eligible to claim the credits change due to a transfer of a qualified equity investment or an allocation under Section 231.052, the qualified community development entity shall notify the comptroller of the change.

(d) The comptroller shall certify qualified equity investments in the order in which applications are received by the comptroller. Applications received on the same day are considered to have been received simultaneously. For applications that are complete and received on the same day, the comptroller shall certify, consistent with remaining qualified equity investment capacity, the qualified equity investments in proportionate percentages based on the proportion that the amount of qualified equity investment requested in an application bears to the total amount of qualified equity investments requested in all applications received on the same day.

Sec. 231.104. LIMIT ON CERTIFIED INVESTMENTS. Not more than \$750 million in qualified equity investments may be certified under Section 231.103. If a pending request cannot be fully certified due to this limit, the comptroller shall certify the portion that can be certified unless the qualified community development entity elects to withdraw the request rather than receive partial certification.

Sec. 231.105. TRANSFER OF INVESTMENT AUTHORITY. An approved applicant may transfer all or a portion of its certified qualified equity investment authority to its controlling entity or to a qualified community development entity controlled by or under common control with the applicant, if the applicant:

(1) provides the information required in the application with respect to the recipient of the transfer; and

(2) notifies the comptroller of the transfer not later than the 30th day after the date of the transfer.

Sec. 231.106. ISSUANCE OF QUALIFIED EQUITY INVESTMENT. (a) Not later than the 30th day after the date the applicant receives notice of certification, the qualified community development entity or a recipient of a transfer under Section 231.105 shall issue the qualified equity investment and receive cash in the amount certified.

(b) The qualified community development entity or a recipient of a transfer under Section 231.105 must provide the comptroller with evidence of the receipt of the cash investment not later than the 10th business day after the date the cash investment is received.

Sec. 231.107. LAPSE OF CERTIFICATION. (a) If the qualified community development entity or a recipient of a transfer under Section 231.105 does not receive the cash investment and issue the qualified equity investment before the 30th day after the date the certification notice is received as required by Section 231.106, the certification lapses and the qualified community development entity may not issue the qualified equity investment without reapplying to the comptroller for certification.

(b) If a certification lapses under this section, the comptroller shall reissue the certified amount, giving preference to an applicant whose allocation was reduced under Section 231.104. If more than one applicant had its allocation reduced, the

C.S.H.B. No. 2061

comptroller shall reissue the certified amount on a pro rata basis.
After the allocation to applicants whose allocation was reduced
under Section 231.104, the comptroller shall reissue any certified
amount that remains in accordance with the application process.

SUBCHAPTER D. RECAPTURE OF PREMIUM TAX CREDIT

Sec. 231.151. RECAPTURE. (a) Subject to Section 231.152,
the comptroller shall recapture the amount of a tax credit claimed
on a premium tax report filed under this subtitle from the
qualified investor or a subsequent holder of the qualified equity
investment that claims the credit if:

(1) any amount of a federal tax credit available with
respect to a qualified equity investment that is eligible for a
credit under this chapter is recaptured under Section 45D, Internal
Revenue Code of 1986, in which case the comptroller's recapture
must be proportionate to the federal recapture with respect to the
qualified equity investment;

(2) the issuer redeems or makes principal repayment with
respect to a qualified equity investment before the seventh
anniversary of the date the qualified equity investment is issued,
in which case the comptroller's recapture must be proportionate to
the amount of the redemption or repayment with respect to the
qualified equity investment;

(3) the issuer fails to invest an amount equal to 100
percent of the purchase price of the qualified equity investment in
qualified low-income community investments in this state during the

12-month period immediately following the date the qualified equity investment is issued or to maintain at least 100 percent of that level of investment in qualified low-income community investments in this state until the last credit allowance date for the qualified equity investment; or

(4) at any time before the final credit allowance date of a qualified equity investment, the issuer uses the cash proceeds of the qualified equity investment to make qualified low-income community investments in any one qualified active low-income community business, including affiliated qualified active low-income community businesses, exclusive of reinvestments of capital returned or repaid with respect to earlier investments in the qualified active low-income community business and its affiliates, in excess of 25 percent of the cash proceeds of all qualified equity investments issued by the issuer under this chapter.

(b) For purposes of this chapter, an investment is considered held by an issuer even if the investment has been sold or repaid if the issuer reinvests an amount equal to the capital returned to or recovered by the issuer from the original investment, exclusive of any profits realized, in another qualified low-income community investment not later than the 12th month after the date the issuer receives the capital.

(c) An issuer is not required to reinvest capital returned from a qualified low-income community investment after the sixth anniversary of the date the qualified equity investment is issued,

the proceeds of which were used to make the qualified low-income community investment, and the qualified low-income community investment is considered held by the issuer through the seventh anniversary of the date the qualified equity investment was issued.

(d) Periodic amounts received during a calendar year as repayment of principal on a loan that is a qualified low-income community investment shall be treated as continuously invested in a qualified low-income community investment if the amounts are reinvested in one or more qualified low-income community investments not later than the last day of the following calendar year.

Sec. 231.152. NOTICE OF NONCOMPLIANCE. (a) The comptroller shall notify a qualified community development entity and a qualified investor that has claimed a tax credit on a premium tax report if the credit is subject to recapture under Section 231.151.

(b) The comptroller may not recapture a tax credit under this subchapter if the qualified community development entity cures the noncompliance described by Section 231.151 before the 180th day after the date the qualified community development entity receives notice under Subsection (a).

SUBCHAPTER E. PERFORMANCE DEPOSIT

Sec. 231.201. PERFORMANCE DEPOSIT REQUIRED. (a) A qualified community development entity that submits an application to have an equity investment or long-term debt security certified as a qualified equity investment eligible for premium tax credits under

this chapter must deposit \$500,000 with the comptroller for deposit in the new markets performance guarantee account.

(b) If the comptroller denies an application described by Subsection (a) in full, the comptroller shall refund the deposit to the applicant not later than the 15th day after the date of the denial.

Sec. 231.202. FORFEITURE OF DEPOSIT. (a) A qualified community development entity that makes a performance deposit under Section 231.201(a) shall forfeit the deposit in its entirety if:

(1) the qualified community development entity and any qualified community development entity to which a transfer is made by the qualified community development entity under Section 231.105 fail to issue the total amount of qualified equity investments certified by the comptroller and receive cash in the total amount certified under Section 231.103 not later than the date specified by Section 231.106; or

(2) the qualified community development entity or a qualified community development entity to which a transfer is made by the qualified community development entity under Section 231.105 that issues a qualified equity investment certified under Section 231.103 fails to meet the investment requirement under Section 231.151(a)(3) by the second credit allowance date of the qualified equity investment.

(b) The comptroller shall notify a qualified community development entity that has made a deposit under Section 231.201(a)

if the deposit is subject to forfeiture under this section.

(c) A deposit is not subject to forfeiture under Subsection (a)(2) if the qualified community development entity cures the noncompliance before the 180th day after the date the qualified community development entity receives notice under Subsection (b).

Sec. 231.203. NEW MARKETS PERFORMANCE GUARANTEE ACCOUNT. (a)

The deposit required by Section 231.201(a) shall be made with the comptroller and held in the new markets performance guarantee account until the comptroller finds that the qualified community development entity has complied with the provisions of this chapter.

(b) The qualified community development entity may request a refund of the deposit from the comptroller not earlier than the 30th day after the date the requirements that must be satisfied to avoid forfeiture of the deposit, as described by Section 231.202, are satisfied.

(c) The comptroller shall refund the deposit or, if applicable, give notice of noncompliance not later than the 30th day after the date of receiving a request that complies with Subsection (b).

SUBCHAPTER F. EVALUATION OF BUSINESS BY COMPTROLLER

Sec. 231.251. REQUEST FOR EVALUATION. (a) A qualified community development entity may, before making an investment in a business, request a written opinion from the comptroller as to whether the business in which the qualified community development

entity proposes to invest would qualify as a qualified active low-income community business according to Section 231.003.

(b) Not later than the 15th business day after the date of the receipt of a request under Subsection (a), the comptroller shall:

(1) determine whether the business meets the definition of a qualified active low-income community business, as applicable, and notify the qualified community development entity of the determination and provide an explanation of the determination; or

(2) notify the qualified community development entity that the comptroller requires additional time, which may not exceed 15 days, to review the request and make the determination.

(c) If the comptroller fails to notify the qualified community development entity with respect to the proposed investment within the period as specified by Subsection (b), the business in which the qualified community development entity proposes to invest is considered to be a qualified active low-income community business.

Sec. 231.252. CONSIDERATION OF INTERNAL REVENUE CODE. In issuing a written opinion and making other determinations under this chapter, the comptroller shall consider Section 45D, Internal Revenue Code of 1986, and the rules and regulations issued under that code, to the extent that those provisions are applicable.

by this subsection, a qualified community development entity that issues a qualified equity investment under Section 231.106 shall submit an annual report to the comptroller not later than the fifth business day after the anniversary of a credit allowance date applicable to the investment. The qualified community development entity is not required to submit any report under this section after the annual report following the final applicable credit allowance date.
