12. Require repayment of any portion of the Assistance Funds that exceed eighty-five percent (85%) of eligible basis as determined by THDA, in its sole discretion, at the end of the first year of the credit period.

2. No disbursement of Assistance Funds hereunder shall constitute a waiver of any of the conditions of THDA's obligation to make further advances nor, in the event Owner is unable to satisfy any such condition, shall any waiver of such condition have the effect of precluding THDA from thereafter declaring such inability to be an Event of Default as herein provided.

10. Notwithstanding anything to the contrary contained herein or elsewhere, Owner shall be liable for the payment of the outstanding indebtedness and interest hereunder.
11. This Agreement is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. 19. Failure by any party to this Agreement to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision.
20. The parties hereto, in the performance of this Agreement, shall not be deemed to be acting as employees, partners, joint venturers, or associates of one another. THDA and Owner expressly acknowledge that they are independent contracting entities and that nothing in this Agreement shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services.  - e. Any sale, transfer, assignment, other conveyance, or encumbrance of all or any interest in or to the Property or in or to Owner, without the express written consent of THDA;
 - f. The Property is subjected to actual or threatened waste, or any material part thereof is removed, demolished, or altered without the prior written consent of THDA.

- b. Trustee, at the request of THDA, is hereby authorized and empowered to sell, either by himself or by agent or attorney, the Property and every part thereof at public venue or outcry at the customary time and place of sale then used for such purposes in _____ County, Tennessee, to the highest bidder for cash, at public outcry, free from the equity of redemption, any and all statutory right of redemption, including, without limitation, those provided in T.C.A. Section 66-8-101, as amended or as may be hereinafter enacted, homestead, dower, courtesy, any elective share, and all other exemptions or marital rights of every kind, which are expressly waived, after first advertising the sale for twenty (20) days by three weekly notices in any newspaper, daily or weekly, published in _____ County, Tennessee; provided that if the law requires a different advertisement and notice procedure, the Trustee shall comply with the procedure required by law. Upon such sale or sales made by Trustee under the power herein granted or upon any sale or sales under or by virtue of any judicial proceedings: (i) the whole of the Property, real, personal and mixed, may be sold in one parcel as an entirety, or the Property may be sold in separate parcels as may be determined by Trustee in the Trustee's sole discretion; and (ii) Trustee shall receive the proceeds of such sale or sales and shall execute and deliver deed or deeds or other appropriate instruments of conveyance, assignment or transfer of the Property, and any deed or other instrument of conveyance, assignment or transfer made and delivered by Trustee in pursuance of the powers granted and conferred herein, and all recitals therein contained shall be prima facie evidence of the facts therein set forth. At any sale pursuant hereto, the Property may, at THDA's option, be offered for sale for one total price, and the proceeds of such sale accounted for in one account without distinction between the items of security or without assigning to them any proportion of such proceeds, the Owner hereby waiving the application of any doctrine of marshalling. The sale may be adjourned from day to day by the Trustee or Trustee's agent or successor, by announcement at the customary place of sale on the date the sale is originally set, or any adjournment thereof, and may be reset at a later date without any additional publication. The creditor may bid at any sale under this trust conveyance.

Owner further agrees that, in the event the Trustee fails, before selling the Property as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to purchaser by the Trustee of a deed for the Property.

Owner agrees, to the full extent permitted by law, that in case of an Event of Default on the part of the Owner hereunder, neither the Owner nor anyone claiming through or under the Owner will set up, claim or seek to take advantage of any moratorium, reinstatement, forbearance, appraisal, valuation, stay, extension, homestead, exemption or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust, or the absolute sale of the Property or the delivery of possession thereof immediately after such sale to the purchaser at such sale, and Owner, for itself and all who may at any time claim through or under it, hereby waives to the full extent that it may lawfully so do, the benefit of all such laws, including the statutory right of redemption, and any and all right to have the assets subject to the security interest of this Deed of Trust marshaled upon any foreclosure.

THDA may, at any time and from time to time, without assigning cause, in THDA's sole and absolute discretion, remove the Trustee herein named and appoint a successor to execute this trust, by an instrument in writing duly executed by THDA and filed for record in the county in which the Property is located and, upon the execution and filing of such instrument, the title herein conveyed to the Trustee shall be vested in the successor so appointed.

In the event of a sale of the Property under and by virtue of this trust, Owner, and all persons holding under Owner, shall be and become the tenants at will of the purchaser from and after the execution and delivery of a deed to the purchaser.

3. Application of Proceeds of Sale. Upon the foreclosure and sale of the Property, or any part thereof, the proceeds of such sale or sales shall be applied by Trustee as follows:

First: To pay all the costs and charges of executing this trust, including, without limitation, reasonable compensation of Trustee and reasonable attorney's fees and expenses, recording fees and taxes, cost of procuring title certificates, continuing abstracts, title searches or examinations reasonably necessary or proper and the expenses of any litigation which may arise on account of the execution and enforcement of this trust.

Third: To repay the balance of the indebtedness evidenced by the Note and other obligations secured thereby, with interest thereon as therein provided.

Fourth: To pay the remainder, if any, to Owner.

5. Delay or Omission Not a Waiver. No delay or omission of Trustee or THDA to exercise any right or power accruing upon any Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and every power and remedy given by this Deed of Trust to Trustee or THDA may be exercised from time to time and as often as may be deemed expedient by Trustee or THDA.

E. DEFEASEANCE

If Owner shall pay and discharge or provide, in a manner satisfactory to THDA, for the payment and discharge of all sums payable hereunder, including all sums due under the Note, and the Section 1602 Loan Agreement, and if the Note and interest and all sums due under the Section 1602 Loan Agreement are paid, then, all property, rights and interest hereby conveyed or assigned or pledged shall revert to Owner, and the estate, right, title and interest of the Trustee and THDA therein shall thereupon cease, terminate and become void; and this Deed of Trust, and the covenants of Owner contained herein, shall be discharged. In such case, THDA, on demand of Owner and at Owner's cost and expense, shall execute and deliver to Owner an instrument, in proper form for recording, acknowledging the satisfaction and termination of this Deed of Trust.
