RE: 2011 Tax Credit Reservation Request

Name of Development: _____
Name of Owner: _____

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated _____ (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Parts VIII and IX of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development in Part VIII of the Application form and (b) of the Estimated Qualified Basis of each building in the Development in Part IX of the Application form comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

ATTORNEY'S OPINION LETTER, continued

3. The appropriate type(s) of allocation(s) have been requested in Subpart I-D of the Application form.
4. The information set forth in Subpart VII-C of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
5. The site of the captioned Development is controlled by the Owner, as identified in Subpart II-A of the Application, for a period of not less than four (4) months beyond the application deadline. [For tax-exempt bond Applications only, the language regarding the four-month period is not required.]
6. [Delete if inapplicable] The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. [Delete if inapplicable] The nonprofit organizations' ownership interest in the development is all the general partnership interests of the ownership entity of the development as described in Subpart II-D of the Application form.
8. [Delete if inapplicable] It is more likely than not that the representations made under Subpart I-F of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.
9. [Delete if inapplicable] After reasonable investigation, the undersigned has no reason to believe that the representations made under Subpart I-E of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code §42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.
