

### **E3: Request for Community revitalization Plan Points**

**Project Name:**

**Project Contact:**

**Email:**

**Telephone:**

[Policy Reference](#): See Chapter 6, Section C(7) for the definition of a Community Revitalization Plan.

1. Identify by name the Community Revitalization Plan document(s) being relied upon to qualify for the 2 CRP allocation points. Attach and highlight the specific sections in the document that apply.
  
2. Provide a narrative explanation to justify how this project meets the Policy requirements to receive 2 CRP allocation points. Provide details on any of the following and include page references from the applicable plan:
  - Infrastructure such as streets, walkways, street lighting, trees, greening activities, water, sewer etc.
  - Community Facilities such as parks, playgrounds, activity centers etc.
  - Economic and Business Development such as new or rehabbed commercial space, business organizations, tax incentives, transportation/parking facilities, facade improvements, marketing etc.
  
3. Identify the specific geography targeted by the plan and provide a map showing the location of the project within that geography.
  
4. List each of the local, state, federal and/or private “economic development” funding source(s) being targeted to the identified revitalization initiative(s):
  - Please list the amount of funding that has been committed under each source.
  - Specifically explain the activities are that will be performed using the targeted economic development funds.
