

Dear WCDA Customers and Partners:

Health and safety is of utmost importance to us here at Wyoming Community Development Authority, so we have made the conscious decision to close our lobby to the public and to reduce the number of staff members in our building. Effective Monday, April 6, 2020, all WCDA employees that are able to telework will do so. Our wonderful Servicing Department, along with an awesome Loan Review team member and several other essential team members, will be in the office and available by phone from 8:00 a.m. to 5:00 p.m. All staff members, whether teleworking or in the office, are available by phone or email. During this time of uncertainty, WCDA is still financing quality and affordable housing in Wyoming and is committed to helping you every step of the way.
