FOR IMMEDIATE RELEASE

Renewable Energy Tax Credit Community to Discuss Tax Extenders, Energy Storage Credits

Novogradac to Host Renewable Energy Investment Conference in San Francisco, May 23-24

SAN FRANCISCO— The renewable energy tax credit community will meet to discuss proposals for tax extenders, energy storage investment tax credits and project finance industry trends at the [Novogradac 2019 Financing Renewable Energy Tax Credits Spring Conference](#) at the Parc 55 San Francisco hotel in San Francisco, May 23-24.

“We’ve seen strong deal volume in anticipation of the investment tax credit step down,” said conference chairman Nat Eng, CPA and Novogradac partner. “The Novogradac conference is a great opportunity to plan for the remainder of the year and make meaningful connections.”

The conference offers exclusive updates on strategy, thought leadership on key trends that are shaping the industry, exciting networking events and more. Panel topics include solar industry trends, full-stack lending, a tax equity outlook and the competitive sponsor equity landscape. The full agenda can be found [here](#). In addition, a pre-conference Project Finance Primer workshop will be offered May 22. Separate registration and fees apply.

The **Novogradac 2019 Financing Renewable Energy Tax Credits Spring Conference** is co-hosted by U.S. Bank and Norton Rose Fulbright. Sponsors include Akin Gump Strauss Hauer & Feld LLP, Aon Transaction Solutions, Arnall Golden Gregory LLP, Ballard Spahr LLP, Miles & Stockbridge P.C., National Trust Community Investment Corporation, Kirkland & Ellis LLP and Nixon Peabody LLP. Live Oak Bank will be an exhibitor.
