**House Ways and Means Committee Chairman Richard Neal to Deliver Keynote Speech at  
Novogradac Virtual Conference**

Novogradac to Host 2020 Virtual New Markets Tax Credits Conference July 23

SAN FRANCISCO—House Ways and Means Committee Chairman Richard Neal (D-Mass.) is scheduled to deliver the keynote address at the [Novogradac 2020 New Markets Tax Credit Virtual Conference](#) July 23. Chairman Neal is a long-time advocate for the expansion and permanence of the new markets tax credit (NMTC), a community development tool that supporters say could be instrumental in COVID-19 economic recovery.

“At the NMTC conference in January [in San Diego], we were discussing the one-year extension of the new markets tax credit,” said Gregory Clements, CPA, partner at Novogradac and conference chairman. “Now, there’s CRA reform, a pandemic, proposed NMTC permanency and economic recovery to discuss. We look forward to hearing what Chairman Neal has to say about the future of the program.”

Conference panel topics will include a state of the NMTC equity market panel. There will also be a panel with three members of the Community Development Financial Institutions Fund, which administers the NMTC: Trefor A. Henry, Greg Bischak and Christopher Allison. The full agenda can be found [here](#).

The virtual conference will also offer networking opportunities through Novogradac’s Nexus exhibit hall and a live question-and-answer period after each session.

The Novogradac 2020 New Markets Tax Credits Conference is co-hosted by Capital One and sponsored by Greenline Ventures.
